Status of IITs established with Foreign Collaboration

Will the Minister of EDUCATION

(a) whether many IITs established with the partnership of top foreign technological universities like United States, the Soviet Union, the United Kingdom and Germany to achieve both excellence and reputations in line with top foreign universities; If so, the details thereof; (b) whether these institutions are struggling to meet the desired high standards of the foreign traditional institutes as they were located away from major metropolitan centres such as the Indian School of Mines Dhanbad, while others were "greenfield" start-ups; (c) whether top professors are often unwilling to work in isolated places, and students are also hesitant to enroll themselves because of which in 2021-22, 361 undergraduate, 3,083 postgraduate and 1,852 PhD seats were empty in the new IITs and facing faculty challenges; and (d) if so, the details thereof and the corrective steps being taken by the government to overcome the challenges?

Dir (IIT)

Provisionaly Admitted Question for the Lok Sabha Starred/Unstarred Diary No. 294 for 22/07/2024
Regarding : Status of IITs established with Foreign Collaboration

S.No.	Name of the IITs	(a) whether many IITs established with the partnership of top foreign technological universities like United States, the Soviet Union, the United Kingdom and Germany to achieve both excellence and reputations in line with top foreign universities; If so, the details thereof;	(b) whether these institutions are struggling to meet the desired high standards of the foreign traditional institutes as they were located away from major metropolitan centres such as the Indian School of Mines Dhanbad, while others were "greenfield" start-ups;	(c) whether top professors are often unwilling to work in isolated places, and students are also hesitant to enroll themselves because of which in 2021-22, 361 undergraduate, 3,083 postgraduate and 1,852 PhD seats were empty in the new IITs and facing faculty challenges; and	(d) if so, the details thereof and the corrective steps being taken by the government to overcome the challenges?
1	IIT Kharagpur	IIT Kharagpur has not been established with the partnership of top foreign technological universities	No	Not applicable	Not applicable
2	IIT Bombay	IIT Bombay established in 1958 with assistance from UNESCO and with funds endowed by the soviet union	Not applicable as IIT Bombay is located at Mumbai, Maharashtra	Not applicable	Not applicable
3	IIT Madras	IIT Madras was established in 1959 in collaboration with Germany	Not applicable as IIT Madras is located at Chennai, Tamil Nadu.	Not applicable	Not applicable
4	IIT Kanpur	IIT Kanpur was set up by an Act of Parliament in 1959, with the assistance of nine US universities - MIT, University of California Berkeley, California Institute of Technology, Princeton University, Carnegie Mellon University, University of Michigan, Ohio State University, Case Western Reserve University and Purdue University	Not Applicable	Not Applicable	Not Applicable
5	IIT Delhi	UK Govt. provided the modest assistance during the setup of the Institute.	Not Applicable	Not applicable	Not Applicable
6	IIT Guwahati	Not Applicable.	Not Applicable	Not Applicable	Not Applicable
7	IIT Roorkee	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8	IIT (BHU) Varanasi	Not Applicable	No Information	Not Applicable	Nil
9	IIT (ISM) Dhanbad	Had been established in 1926 by the British but not with the partnership of any foreign technological university.	IIT(ISM), a 98 years old institution still maintains its legacy and international standards in its niche area and featured within top 50 in QS international ranking in subject of 'Mineral & Mining'.	Not Applicable	Nil
10	IIT Gandhinagar	IIT Gandhinagar is not established with the partnership with any foreign university.	IIT Gandhinagar is not facing any such issue.	Not applicable to IIT Gandhinagar	
11	IIT Bhubaneswar	Not Applicable	Not Applicable	Not Applicable	Not Applicable
12	IIT Hyderabad	Not Applicable	Not Applicable	Not Applicable	Not Applicable
13	IIT Jodhpur	IIT Jodhpur was established as an Institute of National Importance under the Institutes of Technology (Amendment) Act, 2012 (An Act of Parliament) by the Govt. of India	IIT Jodhpur is not facing any major issues	No	Not Applicable
14	IIT Ropar	Not Applicable	IIT Ropar is in a remote area due to which it faces problems in attracting good faculty	Not Applicable	Not Applicable
15	IIT Patna	Not Applicable	Not Applicable	Not Applicable	Nil

16	IIT Indore	IIT Indore established by the Ministry of Education, Government of India in 2009. As on today IIT Indore has established academic collaborations with 100+ well known foreign universities. Which includes: USA – 12 UK – 4 Germany – 17 The Soviet Union – 5 (Slovakia – 1, Russia- 3, Czechia-1)	No	No	No
17	IIT Mandi	Not Applicable	Not Applicable	Not Applicable	Not Applicable
18	IIT Palakkad	Not Applicable	Not Applicable	Not Applicable	Not Applicable
19	IIT Tirupati	Not Applicable	Not Applicable	Not Applicable	Not Applicable
20	IIT Jammu	Not Applicable	Not Applicable	Not Applicable	Not Applicable
21	IIT Bhilai	Not Applicable	Not Applicable	Not Applicable	Not Applicable
22	IIT Goa	Not Applicable	While IIT Goa is not established in collaboration with a foreign university, the unavailability of land for permanent campus and a few proposed locations far away from capital can potentially impact the hiring of world class faculty members.	Yes, top professors are often unwilling to work in isolated places and so are the students. As a result, IIT Goa has seen poor response for its MTech and PhD programs.	This is related to the governments at the center/state.
23	IIT Dharwad	Not Applicable	No	Not Applicable	Not Applicable

Restoring India as a Global Hub of Education

Will the Minister of EDUCATION

(a) whether the Government is committed for restoring the place of India as a global hub of Education, if so, what are the concrete steps undertaken by the Government for realizing the vision of making India, a preferred destination of Education; (b) for the successful attainment of the aforementioned goal, whether the Government has taken any measure to facilitate the foreign students in getting comprehensive information about the Indian Higher Education Institutions (HEIs); and (c) if so, what is the necessary criteria for higher educational institutes to qualify for enrolling foreign students?

Fwd: PARLIAMENT QUESTION: Lok Sabha D.No. 158 for 22.07.2024 regarding "Restoring India as Global Hub of Education"

Asst. Registrar(Academics) <aracademic@iitdh.ac.in>   Thu, Jul 18, 2024 at 3:45 PM
To: harish.1@gov.in
Cc: Registrar IIT Dharwad <registrar@iitdh.ac.in>

Dear Sir
The reply from IIT Dharwad on the Lok Sabha Questions asked in D.No. 158 is as under:

(a)   Whether the Government is committed for restoring the place of India as a global hub of Education, if so what are the concrete steps undertaken by the Government for realizing the vision of making India, a preferred destination of Education

To become a preferred destination of Education, the IIT Dharwad is focusing on infrastructure development, faculty recruitment drives, and collaborations with industry and other academic institutions to enhance the attractiveness and capabilities of the institute. MOUs with foreign Universities and Institutes are being pursued.

(b)   For the successful attainment of the aforementioned goal, whether the Government has taken any measure to facilitate the foreign students in getting comprehensive information about the Indian Higher Education Institutions

To facilitate foreign students in accessing comprehensive information about Indian Higher Education Institutions (HEIs), the Ministry of Education (MoE) and other stakeholders have developed numerous web pages and platforms that provide detailed information on all Indian HEIs.

(c)   If so what is the necessary criteria for higher educational institutes to qualify for enrolling foreign students

The criteria for enrolling foreign students are on par with those for Indian students.

Thanks & regards,

Inderpal

Sir,

I am directed to forward herewith trailing mail on the subject cited above. It is requested to provide inputs in r/o your institute to the question below in google sheet below, urgently.

BI-ANNUAL ADMISSION PROCESS
1003. SHRI LAVU SRI KRISHNA DEVARAYALU:

Will the Minister of EDUCATION be pleased to state:
(a) whether the Government has conducted any research/survey/study for allowing educational institutions to implement a bi-annual admission process as seen in foreign institutions;
(b) If so, the details thereof indicating the commencement of such bi-annual admission processes in educational institutions across the country;
(c) the details of the educational institutions that have been authorised to carry out bi annual admissions, State-wise especially from Andhra Pradesh;
(d) whether the Government has carried out any promotional/awareness campaign for this purpose, if so, the details thereof including the funds allocated and utilised for the same; and
(e) whether the Government has considered setting up any mechanism to overview institutions allowed to take students via bi-annual admissions, if so, the details thereof?

(e) whether the Government has considered setting up any mechanism to overview institutions allowed to take students via bi-annual admissions, if so, the details thereof?

With Regards,

U1A Section,
Ministry of Education,
Department of Higher Education,
Shastri Bhawan
New Delhi

	Name of the IITs	(a) whether the Government has conducted any research/survey/study for allowing educational institutions to implement a bi-annual admission process as seen in foreign institutions;	(b) If so, the details thereof indicating the commencement of such bi-annual admission processes in educational institutions across the country;	(c) the details of the educational institutions that have been authorised to carry out bi annual admissions, State-wise especially from Andhra Pradesh;	(d) whether the Government has carried out any promotional/awareness campaign for this purpose, if so, the details thereof including the funds allocated and utilised for the same; and	(e) whether the Government has considered setting up any mechanism to overview institutions allowed to take students via bi-annual admissions, if so, the details thereof?
1	IIT Kharagpur	Bi-Annual admissions in PhD programs	Continuing for atleast the last 25 years	Not applicable	Advertisements through various platforms. Expenses are borne by the institute	Not applicable
2	IIT Bombay	Bi-Annual admissions in Ph.D programs	Continuing for atleast the last 15 years	IIT Bombay	Advertisements are uploaded through Institute websites.	The MoE may like to comment.
3	IIT Madras	The UG/PG courses admissions are only once a year. Ph.D and MS(by Research) programmes are Bi-Annual admissions"	Continuing for more than three decades	Not applicable	Advertisements are uploaded through Institute websites and leading news papers and expenses are borne by the Institute	Ministry of Education may reply
4	IIT Kanpur	Bi-Annual admissions in M. Tech and Ph.D programs	Continuing for atleast the last 25 years	IIT Kanpur in UP	Advertisements through various platforms. Expenses are borne by the institute	The MoE may like to comment.
5	IIT Delhi	...	Continuing for more than 30 years. However, at present admission in these 02 programmes remains open around the year	IIT, Delhi	Advertisement through news papers and the Insitutute's website.	The MOE may like to reply.
6	IIT Guwahati	Bi-Annual admissions in Ph.]	Continuing for more than	IIT Guwahati, Assam	Advertisements are uploaded through Institute websites and leading news papers and expenses are borne by the Institute	The MoE may like to comment.
7	IIT Roorkee	NA	Bi-annual admissions in PhD at IITR are continuing for the past 17 years	IIT Roorkee	Advertisements are uploaded on the website as well as published on social media platforms	NA
8	IIT (BHU) Varanasi	Bi-Annual admissions are done in Ph.D programs	Continuing since the establishment of this Institute in 2012	Not applicable	Advertisements are uploaded through Institute websites.	The MoE may like to comment.

9	**IIT (ISM) Dhanbad**	MoE Office may please reply to this	MoE Office may please reply to this	MoE Office may please reply to this	MoE Office may please reply to this	MoE Office may please reply to this
10	**IIT Gandhinagar**	IITGN has bi-annual admissions in its PhD programmme	Since 2009	IIT Gandhinagar is in Gujarat	IITGN announces admission through its own website, print media and on some social media platforms	Not applicable to IITGN
11	**IIT Bhubaneswar**	MoE may please reply	Bi-Annual admissions in Ph.D since last 13 years and 'MS by Research' programs since last 6 months	IIT Bhubaneswar is in Odisha	Advertisements are uploaded through Institute websites.	
12	**IIT Hyderabad**	MoE may please reply	Bi-Annual admissions in Ph.D programs. Also rolling admissions in Ph. D. MTech (RA) based on requirement of project can be admitted bi-annually	MoE may please reply	IITH uploads in the website.	MoE may please reply
13	**IIT Jodhpur**	IIT Jodhpur has implemented a bi-annual admission process, similar to the system used by many foreign institutions. This allows the institution to offer admissions twice a year, typically for the July and December Session. This approach increases flexibility for students and help manage the flow of admissions more effectively.	IIT Jodhpur has implemented a bi-annual admission process for Ph.D. and M.S. (by Research) programs.	As per IIT Act 1961, the Senate of an Institute shall have the control and general regulation, and be responsible for the maintenance, of standards of instruction, education and examination in the Institute and shall exercise such other powers and perform such other duties as may be conferred or imposed upon it by the Statutes.	IIT Jodhpur initiated concerted efforts for bi-annual admission, with quality of students at focus, by advertising the admission process to different programs on diverse social media platforms and Employment News. Further, the Institute also conducts Open House activities to attract quality students.	IIT Jodhpur uses a rolling admissions process for Ph.D. admissions, allowing candidates to apply at any time and the Cut-off date for Semester-I (July session) is 20 April and Semester-II (December session) is 20 October of every year. For MS (by Research) program, the Institute floats the separate advertisements for both the sessions.
14	**IIT Ropar**	Implemented Bi-annual admission in PhD program	Since 2010	NA	Advertisements are uploaded through Institute websites.	
15	**IIT Patna**	Implemented Bi-annual admission in PhD program	Since 2009	NA	Advertisements are uploaded through Institute websites and various social media platforms	
16	**IIT Indore**	IIT Indore has Bi-Annual admission in Ph.D programs	Since 2010	NA	Advertisements are uploaded through Institute websites.	MoE may please reply
17	**IIT Mandi**	IIT Mandi does Bi-Annual Admisisons in Ph.D./M. Tech (Resaerch)/DUal Degree programmes	Since 2010	NA	Advertisements are uploaded through Institute websites.	Does not pertain to Institute
18	**IIT Palakkad**	Office of the MoE to provide the reply please	Bi-Annual admissions in research programmes (MS and PhD) is being done.	Office of the MoE to provide the reply please	With regard to IIT Palakkad, the advertisements are through the social media and the institute website	Office of the MoE to provide the reply please

19	IIT Tirupati	Office of the MoE to provide the reply please	Bi-Annual admissions in research programmes (MS and PhD) are being done Jan-July & July-Dec admissions every year	Office of the MoE to provide the reply please	The advertisements are through the social media, institute website, leading All India & regional news papers and sending details of admission process to all higher educational institutes and universities.	Office of the MoE to provide the reply please
20	IIT Jammu	IIT Jammu has Bi-Annual admission in Ph.D programs	Since 2018	NA	Advertisements are uploaded through Institute websites.	Office of the MoE to provide the reply please
21	IIT Bhilai	Admissions to PhD program at IIT Bhilai is being conducted twice in a year.	Since 2017 (discontinued for 2020 and 2021 because of COVID pandemic)	IIT Bhilai, Bhilai, Durg	Advertisements through various platforms. Expenses are borne by the institute	NA
22	IIT Goa	Bi-annual admissions are conducted for PhD program.	Since 2018	IIT Goa, Goa	The advertisements are through the social media, institute website, leading all India & regional news papers.	MoE may please reply
23	IIT Dharwad	MoE may please reply	Bi-Annual admissions in Ph.D & M.S. programs.	IIT Dharwad, Karnataka	Advertisements through various platforms. Expenses are borne by the institute	MoE may please reply

9.   Department of Science & Technology – National Mission on Interdisci**plinary Cyber-Physical Sy**stems (NM-ICPS)
10.   Seed Fund Support in Equity & Equity-linked instruments funded by Financial Institutions, Venture Capitalists, Angel Investors etc.

C. Infrastructure Support
1.   Fully furnished Co-working space for Office & Manufacturing Facility for Startups
2.   **Access to State-of**-the-art Labs of IIT Kanpur
3.   IIT Kanpur Tinkering and Imagineering Lab access
4.   IIT Kanpur Central Library access
5.   Access to Wind tunnel & Air Strip facility of IIT Kanpur

D. Mentoring Support
1.   More than 75 renowned mentors/ Industry experts are on board to help the startups in various stages and do**mains.**
2.   IIT Kanpur Professors extend their support to the startups in their area of expertise.
3.   Expert team of professionals to support the startups for financial and legal compliances
4.   Monthly webinars by the experts.

E. IPR Support
1.   A dedicated office of Intellectual property rights to support startups in filing the patents and guidance for IP projection. |

#	Institute	Notes	Count	Details
5	**IIT Delhi**		135	Startup Open-House: Biweekly founder meet-ups facilitating networking and idea exchange among budding entrepreneurs. International Delegation Visits: Hosted over 70+ international delegations, providing startups with global exposure and opportunities for international collaboration. Delhi Innovation Summit: A flagship event featuring more than 150+ startups, 65+ investors, and 100+ mentors, fostering vital connections and offering essential resources and guidance. Investment Showcases: Organized more than 40 investment showcases for follow-on funding needs where startups can pitch their ideas to potential investors, securing the necessary financial backing. Masterclasses: Conducting over 50 masterclasses to provide in-depth knowledge and skills in various aspects of entrepreneurship and business management. Bootcamps: Offering more than 7 intensive training and mentorship bootcamps tailored for early-stage startups. Demo Day and Expo: Hosted events over 15 focused on showcasing innovations in e-mobility, defence, health and biotech sectors, facilitating industry connections and increasing visibility. Outreach: outreach events are regularly conducted to engage with a broader audience, fostering a supportive environment for young entrepreneurs and encouraging the development of groundbreaking technologies.
6	**IIT Guwahati**	As on this date, Assam has a total of 879 DPIIT registered startups		Govt. is assisting innovators, students and aspiring entrepreneurs through Govt. funded Incubation centres like AICs (Atal Incubations Centre), BioNESTs (Funded by BIRAC, Govt. Of India), State Startup Initiatives by DPIIT, Biotech parks, Innovation centres at the Universities/Institutions etc. The above listed organizations are established in every State of India mostly associated with Academic Institutions. These incubators provide 3600 support to students/entrepreneurs from ideation to incorporation of the company and handholding the Founders from product development to market entry. Most incubators also provide initial grants from various Govt. schemes (like Startup India SEED Fund, BIRAC-BIG, TIDE, DST-NIDHI, EIR, SEED etc.) to the starups and help them raise funds in form of equity investments from Venture Capital or Angel Funding. d. The role of startups in economic development and employment generation in the country • Indigenous technology development epitomizing Govt. of India initiatives; Make in India, Unnat Bharat Abhiyan, Atmanirbhar Bharat, Ayushman Bharat etc. • Employment generation • Contribution to the development of manufacturing units • Contribution towards GDP
7	**IIT Roorkee**		126	Beneficiary Support: Over 20,000 individuals have benefited from the institute's startup programs, indicating a wide reach and impact. Capacity Building: Regular events such as bootcamps, workshops, startup days, masterclasses, and the E-summit enhance the skills and knowledge of budding entrepreneurs. Financial Assistance: 13 funding programs are running from 5 different ministries, with a total disbursement of Rs. 15 crore to startups, providing crucial financial support. Infrastructure: Lab support, workspace, and subsidized testing facilities offer the necessary resources for startups to operate efficiently. Mentorship and Networking: Access to industry experts, alumni mentorship, and IPR support provide invaluable guidance and connections. Technical and Business Support: Workshops and mentorship programs address the technical, legal, and business challenges faced by startups.
8	**IIT (BHU) Varanasi**		71	• **Orientation Program – attended by more than 150+ startups, covering business, legal and technical aspects.** • **Bootcamps/Sensitization Program – Organized from time to time for awareness creation and building startup ecosystem in the region.** • **Pre-Incubation Support – Early incubation support is provided to students for grooming their ideas to POC.** • **Funding Support – More than Rs. 500 Lakhs disbursed to startups. (DST, Ministry of Agriculture, NCL Singrauli, IOCL, HDFC Bank, UP IT Policy etc.)** • **Infrastructure Support - Lab support, Work Space, Subsidized testing facilities** • **Industry Connect – Access to industry experts for mentorship and funding is provided to startups** • **Alumni Mentorship – Round the year the alumni visit the campus and share their entrepreneurship/industrial journey with the students of IIT (BHU).** • **IPR support- IPR support provided by Institute IPR cell and other empaneled government approved IPR facilitator.** • **Technical/Legal/Business Mentorship- Time to time workshops are organized for early-stage startups, students and matured startups, if required** • **E-Summit – The event is organized annually for students to promote startup ecosystem.** • **Demo Day/ Showcasing – Access to showcase their product/service on various platform resulting in investor/customer connect.**
9	**IIT (ISM) Dhanbad**		117	IIT (ISM) Dhanbad has made significant achievements in supporting dynamic startup ideas through its comprehensive incubation ecosystem. By providing substantial funding assistance, intellectual property rights support, expert mentoring, and access to advanced laboratories, the institute has empowered numerous startups. The Centre of Innovation, Incubation and Entrepreneurship, TexMin Foundation, Atal Community Innovation Centre, and the Centre for Tinkering and Innovation have been pivotal in fostering innovation and development. These centers not only offer financial and resource support but also conduct skill development workshops to ensure startups are market-ready. Through these initiatives, IIT (ISM) Dhanbad has successfully mentored and supported startups, enabling them to achieve significant growth and market success.

#	Institute		Count	Support Details
10	**IIT Gandhinagar**		**66**	**Programs** -Pre-Incubation -Incubation - Industry Supported Programs **Financial Support** - Nidhi Prayas - Nidhi Seed Support - Government of Gujarat - Funding from Angel and Institutional Investors **Infrastructure Support** - Lab support for prototype development - Fully furnished space (including furniture, AC, Internet, housekeeping, and security) for work - Access to meeting rooms, IITGN Library - Access to Maker Bhawan and Tinkerer's Labs **Mentoring Support** - Guidance from experienced experts and mentors for technical and market validation **Regulatory / Compliance Support** - Assistance from Chartered Accountants (CA) and Company Secretaries (CS) for startup regulations and compliance **IPR Support** - Guidance and assistance in filing patents **Support in Market Access**

13	**IIT Jodhpur**		**16**	-Entrepreneurship Assistance -Capacity Building -Seed Funding -Fellowship -Access to Grants -External Funding Assistance -Mentorship -Community Engagement -Human Resource sourcing support -Market Assistance -PR Support -Infrastructure Support : Coworking space & labs
14	**IIT Ropar**	**137**		Preincubation and incubation support, acceleration, access to funding from central & state government, VCs, angel investors, MSME schemes, PSU funds, CSR funds etc. access to technical and business mentorship, access to industry academia joint projects, forward area tours, access to institute's resources,etc

#	Institute	Incubator/Startups	Details
15	IIT Patna	**FIST IIT Patna (NIDHI-TBI)** **31 (Incubated)** **Incubation Centre IIT Patna -** **112 startups incubated at IC IITP**	FIST-TBI, IIT Patna offers state-of-the-art co-working spaces and comprehensive business support, including: **Workspace Facilities**: Modern, fully-equipped co-working spaces designed for productivity and collaboration. **Financial Support for Prototyping**: Access to funding to assist with the development of prototypes. **Mentorship**: Guidance from experienced mentors across various sectors. **Need-based Sectoral Training**: Specialized training programs tailored to the specific needs of sustainable business. **Bootcamps for Early-stage Startups**: Intensive programs to accelerate the growth of startups in their initial stages. **Internship Programs**: Opportunities for startups to engage interns for additional support and growth. **Business Connections**: Networking opportunities with other businesses and industry leaders. **Events and Workshops**: Regular events to foster learning, networking, and collaboration. **Funding Opportunities**: Assistance in identifying and securing funding from various sources. **Investor Connect**: Access to potential investors for funding and strategic advice. **IPR Support**: Help with intellectual property rights to protect innovations i.e patent filing. **Industry Meet-ups**: Regular interactions with industry professionals and experts. **Access to Industry/Financial Experts**: Consultations with experts for strategic and financial advice. **Comprehensive Ecosystem**: A supportive environment with access to various resources and networks. Additionally, we provide state-of-the-art lab facilities for product development, which include: **Machining and Fabrication**: Advanced tools and equipment for machining and fabrication. **Design Development and Simulation**: Facilities for creating and testing product designs using simulation software. **Testing Facilities**: Comprehensive testing setups to ensure product quality and performance. **Dedicated Manpower**: Skilled personnel to assist with product development and other technical needs. **Incubation Centre IIT Patna** Facilities Provided • IC has set up dedicated 30,000 sq. ft facility • Seating capacity for 110+ people (incubatees and staff) • Meeting and conference facility, cafeteria, library, recreation facility and a 4-room guest house • IC has set up the following labs: - Electronic System Design and Prototype Lab with design software, electronic components, micro controller based rapid prototyping kits and electronic work bench set up for design and initial prototyping. - PCB Design and Manufacturing Lab helps the incubated companies to implement their hardware at board level with the help of sophisticated machines for milling, drilling, routing, rubout, through hole plating, component pick and place, soldering, masking and lithography. PCBs up to 8 layers can be fabricated. - Testing and Calibration Lab enables the characterization of PCB prototypes using advanced oscilloscopes, Function Generator, RSA, Logic Analyser, source meter and the like. - Mechanical Packaging and Product Prototype Lab enables the prototyping of form factor, enclosure designs and parts using 3D multi-material 3D printers and software. - RF DC Sputtering and Thermal ebeam evaporation unit was installed as part of micro nano fabrication facility, for those companies who would like to work on sensors and mems level fabrication.
16	IIT Indore	73	**IITI Advanced Centre for Entrepreneurship (ACE) Foundation is an umbrella setup at IIT Indore. The IITI ACE Foundation Incubation Centre offers a multifaceted support system designed to help young entrepreneurs successfully launch and grow their startups. From expert mentorship and state-of-the-art infrastructure to crucial funding opportunities and extensive networking events, the centre equips startups with the resources needed to navigate the challenges of entrepreneurship. By fostering a collaborative environment and providing essential business development services, the centre plays a pivotal role in nurturing the next generation of innovators and leaders.** **1. Mentorship and guidance: Expert advice is provided to them according to their sectors with the help of empanelled mentors of IITI ACE Foundation.** **2. Workshops and Seminars: Connect them with the range of educational events designed to enhance entrepreneurial skills, covering topics such as business planning, market research, and financial management.** **3. Office Space: Provide them office space and facilities that startups can use, which helps them to operate efficiently** **4. Technical Resources: state-of-the-art technology, labs, and equipment that are crucial for tech-oriented startups.** **5. Seed Funding: grants provided to early-stage startups to help them get off the ground.** **6. Investor Networking: connect them with potential investors and venture capitalists through networking events and pitch sessions.** **7. Events and Competitions: Conduct events, hackathons, Boot camps that provide exposure and feedback for startups.** **8. Funding and Financial Opportunities: Signed Memorandums of Understanding (MoUs) with multiple banks, venture capitalists, and companies to offer additional funding and financial opportunities.** **9. Major Funding Schemes of IITI ACE Foundations are:** **a. Startup India Seed Fund Scheme** **b. MSME Idea Hackathon** **c. MSME Design Scheme** **d. Yukti Portal, Innovation cell, Ministry of Education**
17	IIT Mandi	464	IIT Mandi Catalyst (Incubator) provides comprehensive value-added support to startups a few of them are listed below: **Financial Support -** Seed/Grant support provided to startups **Technical Mentorship -** IIT Mandi Faculty continuously mentor startups in developing and validating their technology **Business Mentorship -** 32 Business Mentors from the industry who guide and support startups business-wise. **Legal, IPR, Financial** Mentorship - All these services are provided along with any other similar service. **Coworking Support -** The Coworking center inside the campus is available for startups to work from. **IIT Mandi Laboratories -** Startups get access to all laboratories inside IIT Mandi at a bare minimum cost. **Himalayan Startup Trek -** The biggest startup event in the Himalayas has completed 7 successful editions and has been extremely successful in supporting startups. **Startup Practicum -** Minor course curriculum designed for IIT Mandi students where they are given hands-on learning on how to make a startup starting right from the 1st year. **Networking Opportunities -** Based on every startup's unique need, startups are being connected to relevant people/organizations who help startups grow. **Pilot Opportunities -** Startups are being connected to relevant pilot opportunities on successful completion of prototypes **Investors/VC/Angel Connects -** Whenever the startups become investment-ready, startups are being connected to relevant connections for further raising funds through various events and programs like the Investment readiness program, Investor Den, Himalayan Startup Trek, and Catalyst Convene. **Demo Days/Networking Events:** Upon completion of Pre-Incubation, startups attend demo days where they present their products in front of relevant audiences to receive further support and funding. **Nodal Agency for Himachal -** IIT Mandi Catalyst acts as a nodal agency for the state of Himachal Pradesh and Startup Himachal to support entrepreneurship initiatives in the state. **Knowledge Sessions -** Regular workshops and knowledge sessions by experts are being organized to disseminate the right education. **Entrepreneurship Courses -** IIT Mandi is running various different courses related to entrepreneurship in the regular curriculum for students of IIT Mandi.

18	IIT Palakkad	3 (founders from IIT Palakkad faculty, students, alumni) 40 (founders from outside IIT Palakkad)	**Pre-Incubation :** Csquare Innovation Center is a makerspace and Fablab **Incubation Support :** Two section-8 companies -- TECHIN and IPTIF providing - Startup Incorporation support - Entrepreneurship Development Program - Technical and Business Mentoring involving experts & Review of Progress - Access to laboratory, Maker space, Seating Space and testing facilities at subsidized rates - CS, Legal and IPR support - Startup Training and Knowledge sharing Workshops - Showcase Platforms and events, Customer connect & Connect to Angel Investors and VCs - Internship support for young interns in Startups for 6 months - Entrepreneurship in Residence Program with monthly fellowships - Grant in Aid Support - Seed Fund Support Main thrust areas include -- Water Sanitation & Hygiene, Energy, Safety
19	IIT Tirupati	2	
20	IIT Jammu	2(Incubated)+3(Approved for incubation)	
21	IIT Bhilai		
22	IIT Goa		
23	IIT Dharwad	2	dhaRti Foundation, IIT Dharwad offers -Incubation Support, Infrastructure Support - Lab support for prototype development - Fully furnished space (including furniture, AC, Internet, housekeeping, and security) for work - Guidance from experienced experts and mentors for technical and Regulatory / Compliance and assistance in filing patents. BioNEST (Funded by BIRAC, Govt. Of India) Incubation centre is established in IIT Dharwad to innovators, students and aspiring entrepreneurs. This incubator provides 10,000Sqft facility support to students/entrepreneurs from ideation to incorporation of the company and handholding the Founders from product development to market entry. Support to receive initial grants from DBT schemes (like BIRAC-BIG,etc.) to the starups is also provided.

Implementation of reservation in PhD courses

1839 Shri S Venkatesan:

Will the Minister of TRIBAL AFFAIRS

be pleased to state:

(a) the number of ST students admitted in PhD programmes of IITs during the last two academic years, institution-wise; and
(b) the measures taken by the Government to ensure strict implementation of reservation in PhD courses of IITs, if any?

LSUSQ No. 1839 for 01.07.2024.png
31K

Sl. No.	Name of the IIT	No. of ST Student Admitted in Ph.D Programme			Mesaures taken by the institute to enhance enrollment of ST students
		2021-22	2022-23	2023-24	
1	IIT Kharagpur	6	9	6	IIT Kharagpur follows the GoI Reservation policy. Relaxation in eligibility criteria and application fee is given to ST candidates at the time of admission. The ST students are exempted from paying the Tuition Fee.
2	IIT Bombay	13	11	21	IIT Bombay follows the GoI Reservation policy. Relaxation in eligibility criteria and application fee is given to ST candidates at the time of admission. The ST students are exempted from paying the Tuition Fee. IIT Bombay Tirupati conducts Ph.D. admissions in two sessions (July and January) every year.
3	IIT Madras	20	13	8	Reservation is being strictly followed as per the Government of India norms. Relaxation of standards is provided from the application screening stage to the final selection in the Ph.D. admission process. The unfilled vacancies in ST categories are not filled with candidates from other categories In addition, there is a 100% tuition fee waiver for ST candidates
4	IIT Kanpur	14	6	9	IIT Kanpur strictly follows all GOI rules w.r.t. reservation of seats for the ST category. The unfilled ST seats are not filled with any other category. Relaxations of standards (percentage of marks), are provided to ST category candidates. During Interview process, ST category students are not compared with other category students. Tution Fee waiver (100%) for ST category students is available at IIT Kanpur

Admitted Lok Sabha Unstarred Question No. 1839 to be answered on 01/08/2024 regarding "Implementation of reservation in PhD courses".

5	IIT Delhi	9	10	11	Reservation is being strictly followed as per the Government of India norms. Relaxation of standards is provided from the application screening stage to the final selection in the Ph.D. admission process. The unfilled vacancies in ST categories are not filled with candidates from other categories In addition, there is a 100% tuition fee waiver for ST candidates
6	IIT Guwahati	20	20	24	Reservation is being strictly followed as per the Government of India norms. Relaxation in percentage of marks/CPI in the qualifying degree and also in the selection criteria is provided for the final selection for admission into Ph.D. programme at IITGuwahati. The unfilled vacancies in ST categories are not filled with candidates from other categories. In addition, there is a 100% tuition fee waiver for ST candidates at IIT Guwahati.
7	IIT Roorkee	16	12	12	IIT Roorkee follows the GoI Reservation policy.
8	IIT (BHU) Varanasi	7	7	6	IIT BHU follows the Govt. of India Reservation Policy. The ST students are exempted from paying the Tuition Fee and Hostel Seat Rent.
9	IIT (ISM) Dhanbad	18	15	10	We are following the Govt. of India Reservation policy. Moreover, ST candidates qualified under merit list of unreserved categories offered under UR, so that more ST candidates take advantage of ST reserved seats.
10	IIT Gandhinagar	2	0	8	IITGN conducts special drives for ST students and conducts admission twice in a year, and puts in its best efforts for wider publicity of our admission process. IITGN follows the reservation policy. There is a relaxation in eligibility criteria for the ST students in the application and selection process.

11	IIT Bhubaneswar	1	2	2	IIT BHUBANESWAR follows the GoI Reservation policy and relaxation is given in eligibility criteria. No application fee is charged to ST candidates at the time of application. During Interview process, ST category students are not compared with other category students. Cut-off marks relaxation is given as per GoI norms. The ST students are exempted from paying the Tuition Fee.
12	IIT Hyderabad	7	11	8	IIT Hyderabad strictly follows the GoI reservation policy. ST candidates are exempted from Tuition Fees. If the seats are NOT accepted by the selected candidate, waitlisting of the same category operated if suitable candidate shortlisted based on the roaster.
13	IIT Jodhpur	1	1	6	IIT Jodhpur uses a rolling admissions process for Ph.D. admissions, allowing candidates to apply at any time. Institute provides the relaxation in eligibility criteria and application fee to ST candidates at the time of admission. The ST students are exempted from paying the Tuition Fee. Further, the Institue follows the GoI reservation norms for admission.
14	IIT Ropar	3	2	2	Initiative for Special Drives Admission have been started to enhance the enrolment of ST students in Ph.D. Admissions at IIT Ropar
15	IIT Patna	4	1	0	IIT Roorkee follows the GoI Reservation policy.
16	IIT Indore	3	2	3	IIT Indore follows the reservation policies as per Govt. of India Policy.
17	IIT Mandi	0	8	8	Initiative for Special Drives Admission have been started to enhance the enrolment of ST students in Ph.D. Admissions at IIT Mandi
18	IIT Palakkad	2	6	5	Institute has conducted Special Admission Drives to enhance the enrollment of ST students in PhD programme. IIT Palakkad follows the GoI's reservation policy. A relaxation in eligibility criteria and application fee is given to ST candidates at the time of admission. The ST candidates are exempted from paying the Tuition Fee. IIT Palakkad conducts PhD admissions in two sessions (July and January) every year.

19	IIT Tirupati	1	0	2	We are following the Govt of India Reservation policy. Institute provides the relaxation in eligibility criteria and application fee to ST candidates at the time of admission. The ST students are exempted from paying the Tuition Fee. IIT Tirupati conducts Ph.D. admissions in December & July sessions every year. Wider coverage has been given to the admission notification through social media platforms, Leading News papers and admisson notification to all colleges, central universities, autonomous instituttions and univerities across India
20	IIT Jammu	4	0	8	IIT Jammu follows the GOI reservation policy. IIT Jammu also conduct special drive time to time to encourage the ST students for admission in PhD programme. Such candidates are exempted from paying tution fee. Institute provides them relaxation as per Govt. norms.
21	IIT Bhilai	0	0	1	Reservation as per the GoI norms is extended to all ST candidates in PhD program. Relaxation in eligibility criteria and application fee is being extended to ST candidates at the time of admission. Also, ST students are exempted from paying the Tuition Fee.
22	IIT Goa	0	1	1	Institute provides the relaxation in eligibility criteria and application fee to ST candidates at the time of admission. The ST students are exempted from paying the Tuition Fee.
23	IIT Dharwad	3	0	2	Institute has conducted Special Admission Drives to enhance the enrollment of ST students in PhD program and to improve visibilty of the program, the same has been advertised in all conventional media as well as all the popular social media platforms

PARLIAMENT MATTER

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Provisionally Admitted Lok Sabha Unstarred Question No. 4610 to be answered on 05/08/2024 regarding "SC/ST Cell in IITs".** The text of the Question reads as under :

(a) whether it is true that out of the 19 Indian Institutes of Technology (IITs) that have SC/ST cells, 16 are non-functional and have not conducted any recent events;
(b) if so, the steps taken by the Government in this regard;
(c) the steps taken by the Government to ensure that the existing 4 IITs which currently do not have any SC/ST cells comply as per the UGC guidelines;
(d) whether it is also true that there is a lack of funds for the existing SC/ST cells;
(e) if so, the steps taken by the Government to ensure timely allocation and disbursal of funds to these cells;and
(f) whether it is also true that many of the cells do not have any room allotted for meetings and discussions and do not have information regarding reservation or a mechanism to check the quota implementation?

2. It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in **Google-Sheet**) by **29.07.2024 (Evening), positively.**

PARLIAMENT MATTER

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Admitted Lok Sabha Unstarred Question No. 2204 to be answered on 05/08/2024 regarding " Delay in Establishment of IIT in Hassan, Karnataka".**   The text of the Question reads as under :

(a) whether the Government is aware of the delay in establishing an Indian Institute of Technology (IIT) in Hassan, Karnataka, despite that State Government has reserved 1,100 acres of land for the project;
(b) if so, the details thereof and the reasons for the delay;
(c) the number of students who are being deprived of quality education due to this delay;
(d) the steps taken by the Government to expedite the establishment of the said IIT, and the timeline for completion of the project;
(e) the action taken by the Government to complete the project without further delay;
(f) whether the Government has any proposal to start temporary operations in any existing institution to prevent further delay; and
(g) the action taken against officials responsible for the delay?

2. In this regard, it is requested that **inputs along-with brief** may be furnished to this Section **latest by today evening** so as to prepare reply to the Question.

3. This may kindly be treated as **Most Urgent.**

Delay in Establishment of IIT in Hassan, Karnataka

2204   Shri Shreyas M Patel:

Will the Minister of EDUCATION

शिक्षा मंत्री

be pleased to state:

(a) whether the Government is aware of the delay in establishing an Indian Institute of Technology (IIT) in Hassan, Karnataka, despite that State Government has reserved 1,120 acres of land for the project;

(b) if so, the details thereof and the reasons for the delay;

(c) the number of students who are being deprived of quality education due to this delay;

(d) the steps taken by the Government to expedite the establishment of the said IIT, and the timeline for completion of the project;

(e) the action taken by the Government to complete the project without further delay;

(f) whether the Government has any proposal to start temporary operations in any existing institution to prevent further delay; and

(g) the action taken against officials responsible for the delay?

Indian Institute of Technology dhArwAD (IITdh) is one of the third Generation (3-G) IITs, which were established by the Ministry of Education (MoE), Government of India (GoI). It was started in August 2016 under the mentorship of IIT Bombay. Our academic journey began in the Academic Year (AY) 2016-17, with the establishment of four-year Bachelor of Technology (B. Tech.) programs – in Mechanical Engineering (ME), Electrical Engineering (EE) and Computer Science & Engineering (CSE).

Currently our Institute offers four other B. Tech. programs - Engineering Physics (EP), Mathematics & Computing (M&C), Civil & Infrastructure Engineering (C&IE), Chemical & Biochemical Engineering (C&BE) as well as a five-year Bachelor of Science-Master of Science (BS-MS) program, a two-year Master of Technology (M. Tech.) Program and a Master of Science (MS) Program offered by the three oldest Departments of Mechanical, Materials & Aerospace Engineering (MMAE); Electrical, Electronics & Communication Engineering (EECE) and CSE. Our Ph.D. program is offered by all the ten Departments [which also include the other seven Departments of Bio Science & Bio Engineering (BSBE), Chemical Engineering (ChE), Chemistry, C&IE, Humanities, Economics, Arts and Rural Technologies (HEART), Mathematics and Physics].

Presently, IIT dhArwAD accommodates around 1,335 students, with around 20% being women. This diverse student body hails from 20 states/ Union territories (UTs) out of the 36 states/ UTs across the country. Among them, around 20% are pursuing Masters and Doctoral degrees. Our academic community with a strength of 92 regular and 12 other faculty members has been successful in securing significant research and development projects, executing sponsored consultancy projects, and publishing hundreds of scientific manuscripts in reputed journals and conference proceedings. Our current administrative and technical Staff has a regular strength of around 73 and an outsourced staff strength of around 40, working in various domains of the institute.

Our Permanent Campus (Phase 1A) was inaugurated by the Hon'ble Prime minister of India Shri Narendra Modi ji on March 12, 2023. The Institute has carefully planned and built a world-class infrastructure in a sprawling area of 470 acres [encompassing 67 acres of natural forest], which is mandated to be net zero in terms of water, energy, and waste. Our recent Meeting of the Board of Governors (BoG) has decided on a very ambitious timeline of achieving this objective by the year 2030.

Over the past eight years, IIT dhArwAD has strategically brought on board a faculty with a global exposure, emphasizing on high-quality research and interdisciplinary programs. With a holistic approach to research, the institute collaborates in thrust areas like net zero (i.e., sustainable) physical infrastructure, Cyber-Physical Systems, Green Mobility, Precision Agri-Tech, 3-D Printing for Additive/Subtractive Manufacturing, Thin Films, Renewable Energy etc. For more details on research areas please visit (https://www.iitdh.ac.in/research-areas). Noteworthy initiatives include a Space Data Science Lab (SDSL) and two Global Centres of Excellence [GCoE] in Affordable and Clean Energy (ACE) and Indian Knowledge Systems (IKS). The Institute's commitment to innovation and sustainable development is evident through partnerships, sponsored projects, and support from entities like dhaRti (dhArwAD Research Technology and Incubation) and the Institute Innovation Council (IIC).

In December 2022, IIT DHARWAD was awarded 5-star Rating under Green Rating for Integrated Habitat Assessment (GRIHA), Large Development (LD) Master Plan.

OFFICE MEMORANDUM
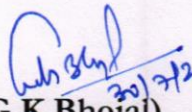

Subject: - Inputs for Admitted Lok Sabha Unstarred Question 2240 for 05.08.2024 regarding 'Discrimination against Reserved Categories in Central Institutions' – reg.

This is regarding Admitted Lok Sabha Unstarred Question 2240 for answer on 05.08.2024 regarding **'Discrimination against Reserved Categories in Central Institutions'.** The text of the question is as under-

a) the Government's initiatives to reduce discrimination against Scheduled Castes, Scheduled Tribes and Other Backward Classes in Central Institutions;

b) whether the Government has evaluated the reported instances of caste discrimination in school campuses; and

c) the number of students belonging to SCs, STs, and OBCs who dropped out of central institutions between 2019-2024?

2.   It is therefore requested to furnish inputs in respect of the above question immediately for preparing the reply. The requisite inputs (both PDF and MS Word file) may be mailed at gk.bhojal@nic.in and gourav.edu@gov.in.

This may be treated as **TOP PRIORITY**.

शिक्षा मंत्री

be pleased to state:

(a) the Government's initiatives to reduce discrimination against Scheduled Castes, Scheduled Tribes and Other Backward Classes in Central Institutions;

(b) Whether the Government has evaluated the reported instances of caste discrimination in school campuses; and

(c) the number of students belonging to SCs, STs and OBCs who dropped out of central institutions between 2019-24?

S.No.	Institute	the steps taken by the IITs to prevent suicide in IITs; and	the number of mental health professional are available at each IITs?
colspan header		**Admitted Lok Sabha Unstarred Question No. 60 (Diary No. 229) to be answered on 25/11/2024 regarding " Suicide Cases of SC/ST and OBC Students in IITs".**	
1	**IIT Kharagpur**	1. Providing Counselling services through well established Counselling Centre. 2. Making Counselling Services robust by increasing the number of Counsellors. 3. Getting all the existing staff Counsellors certified with QPR Gatekeeper Instructor Training for Suicide Prevention. 4. Getting different stakeholders (student volunteers, Residential Hall staff and managers etc.) trained by Institute Counsellors with Gatekeeper Training for Suicide Prevention. 5. 24x7 Mental Health support coverage ensured through On-Call service/ Psychological First Aid (PFA) by the Institute staff Counsellors 6. 24x7 anonymous confidential chat, audio and video (if required) consultation services ensured by initiating an MoU with private reputed national e-platform (yourDOST) 7. Screening for Counselling seekers and need-based resource allocation 8. Each hall is represented by various Wing Representatives who work in close co-ordination with Hall Council Members, Wardens and Dean SA Office. 9. The Dean SA Office comprises of four members who are available 24x7 to attend distress calls from students. A lady faculty in the team provides exclusive support to girl students, whenever needed. 10. IIT KGP has established a mechanism to closely monitor mental-health related cases of serious nature. Each such student is regularly monitored by a team which includes Faculty Advisor, Hall Warden, Counsellor, G.Sec Welfare of the Hall and a Faculty Member of the Dean SA Council.	IIT Kharagpur has currently 10 Counsellors and 2 Psychriatists

2	**IIT Bombay**	IIT Bombay has a well-established Student Wellness Centre (SWC) dedicated to the mental well-being of our students. Students can schedule appointments via:
		
		    * On-Campus Counselling: Students may avail in-person, face-to-face counselling on campus by scheduling an appointment via email or by visiting the SWC office.
		    * Online Counselling: For flexibility, students may access audio or video counselling sessions remotely, from their personal space on or off-campus.
		    * Off-Campus Counselling: Counselling is also available through empanelled centres around campus for those who prefer an external but in person setting.
		
		You can find more information about the SWC here: SWC Website https://www.iitb.ac.in/swc/ [1]
		
		Please find below a list of work and initiatives undertaken by the SWC for suicide prevention and stress management:
		
		* The Student Wellness Centre and hospital are available 24/7.
		
		* Orientation Programs: Both undergraduate and postgraduate students are sensitized separately on mental health issues with stress management as a key focus, providing them with tools to access support structures available on campus.
		* Orientation Programs: Parents of undergraduate and postgraduate students are sensitized separately on mental health issues, providing them with tools to access support structures available on campus.
		* Online counseling service- IITB introduced an online counseling service in collaboration with an external vendor, TalktoAngel, ensuring 24/7 availability of counseling via voice/video call.
		* Bandhu Self-Help Website: This online platform offers resources on mental health, relationships, LGBTQ issues, and stress management.
		* SWC YouTube Channel: Launched in June 2021, it features short, informative videos on common psychological issues and coping strategies.
		* Vartalap Talk Series: This series of talks and discussions has invited experts to share insights, foster mental health literacy and discuss various mental health topics.
		* Harmony Hangouts: Informal discussions and talks in hostels to encourage conversation and reduce inhibitions around mental wellness, seeking support, learning life skills for students, and building better relationships in hostel settings. "Harmony Hangout" involves weekly informal discussions led by SWC counselors on mental health topics, held within hostel premises to foster awareness and skill-building among students.
		* Life@IITB Program: "Life@IITB" is an annual program for first-year students designed to help them transition smoothly into college life by introducing them to campus resources and support systems.
		
		*Fun Fest: Peer-bonding sessions for first year students highlighting physical activities, such as rope climbing and zorbing, support stress relief and life skill development.
		* Suicide Prevention Events: A street play is organized for the entire IIT Bombay community during Suicide Prevention Week in September to raise awareness, promote early detection and intervention, and provide resources and support to prevent suicide.
		* Mental Health Week is celebrated in October to raise awareness, promote well-being, reduce stigma, and provide resources to help students manage stress and maintain a healthy mental state.
		
		*This year a week-long exposure to various modalities of therapy that can be used for mental wellness were included as a part of the celebration, examples include Art therapy, Animal Assisted Therapy, Drum Circle, Dance Movement Therapy.
		* Recharge Zone: Recognizing the unique challenges faced during the intense placement season, SWC introduced the "Recharge Zone - an initiative that goes beyond traditional counselling, offering stress-relief options like foot spa sessions, art therapy, asanas and mudra sessions, and pet therapy. The "Recharge Zone" is set up during the placement season to offer stress-relief activities and relaxation techniques, helping students maintain balance and well-being during job searches and interviews, thereby enhancing their overall performance and confidence.
		* Mentor Training Programs: The SWC runs a well-designed mentorship program at the beginning of each academic year; for UG, PG, and PhD students, with the objective of continuously honing student mentors' skills in providing peer support,
		* The Wellbeing Questionnaire (WBQ) is administered to first- and second-year students to help in the early detection and intervention of emotional challenges by identifying signs of distress and providing timely support.
		* Gatekeeper Training - Faculty/ Staff (Early intervention and prevention of suicide) Gatekeeper Training (GKT) is provided to Wardens, Associate Wardens, and Hostel Managers at the start of each academic year to equip them with the skills to recognize warning signs of mental health issues, particularly suicide, and intervene early.
		
		* Psychological first Aid training: Skill building Training provided to Mentors on preventing crisis situations and also providing psychological first aid to students in crisis, when needed.
		* Department Training Programs for integrating mental health education into departmental onboarding processes. Sessions on Mental Health Awareness are conducted for faculty from various departments at least twice a year (once each semester) to sensitize and equip them to support mental health, focusing on awareness, prevention, intervention, and skill-building.
		
		* Dr. Vivek Murthy, U.S. Surgeon General, addressed the importance of mental health, focusing on combatting loneliness among students on the occasion of World Mental Health Day 10 October 2024.
			IIT Bombay currently has 10 counsellors, 1 psychometrician and 1 officer on special duty along with 3 psychiatrists working with IIT B Hospital.

| 3 | IIT Madras | 1. IIT Madras is continuously striving to ensure that our campus provides every student an environment filled with harmony and peace. For this the Institute has launched an initiative called "Kushal" (https://behappy.iitm.ac.in/) This Kushal environment is an endeavour to support and enable each student in achieving their goals and marching towards their aspiration.
2. An important ingredient to maintain this is the timely and regular interaction between the student and his/ her assigned Faculty Advisor through 'Kushal meetings'. The 'Kushal Meetings' strengthen the bond between a student and his/her faculty advisor and help them develop a positive attitude that is very essential to progress in this competitive world.
3. The Institute provides both in-person and online counselling to the students. The online counselling is provided 24*7 apart from the in-person counselling throughout the week, ensuring a support system available at all given times. There is a strict protocol to maintain confidentiality, which encourages students to come forward and seek help.
4. Implemented a proactive outreach initiative by deploying a team of six counselors to engage with students directly in departments and hostels at scheduled times, promoting accessibility and convenience.
5. Students can easily reach out to the counsellors, psychiatrists, student and faculty volunteers in-person, telephonically or online. The contact details of counsellors are displayed at prominent locations on Campus.
6. The contact details of counsellors are displayed not only at predominant locations at campus, periodic circulation by emails to all IIT Madras students, staff, faculty and residents. A hard copy of all the details was also provided to all departments.
7. We have two structured teams of faculty and student volunteers namely SAATHI & MITR who work in alignment with each other towards a common goal of Holistic Health improvement.
8. Volunteers engagement programs are regularly conducted to sensitize & ensure mental well-being of all.
9. Gatekeeper Training is provided to interested faculty and students, to identify and support peers under stress or at risk of suicide.
10. Established a set of listeners to provide therapeutic support. Alumni mentors were also involved in this initiative to gauge and improve student well-being.
11. Students can raise grievances with mentors, department heads, deans, or the director. An anonymous grievance box is also available. Most grievances are addressed within 48 hours.
12. Parents are contacted via WhatsApp to provide feedback on their children's well-being.
13. Student Ombudsman is appointed to handle student issues impartially. The complete details regarding the feedback mechanism, and grievance redressal mechanism can be seen in the behappy website (https://behappy.iitm.ac.in/)
14. IIT Madras has been conducting wellness screening session for all fresher's from last year. This session aims to ensure the well-being of our students and to address any health-related concerns before the commencement of their academic journey.
15. A variety of courses like Leisure Time Activity Program (L-TAP), Life skills, Happiness, Augmented Induction program, Outbound Training programs etc. have been introduced for the students.

Addressing Academic Stress

IIT Madras has implemented several measures to mitigate academic stress among students:

1. IIT Madras gives academic flexibility for students.
2. Curriculum task force of IIT Madras reduced the credit requirement for 2024 batch onwards with introducing of 4 credit recreational courses which will reduce the stress levels of students.
3. Reduced the total number of credits required for graduation. The revised curriculum emphasizes understanding through reading, assignments, and a balanced workload, particularly easing first-year courses to help students to settle to the new environment.
4. Introduced to allow students to explore interests outside their core studies through the recreational courses, which is now part of the curriculum.
5. Enabled students to enroll in online courses, especially NPTEL, providing flexibility in learning.
6. Made compulsory for all students to develop practical skills through skill-based courses.
7. Examination Structure is now proposed to have two sections: a compulsory part covering basic definitions and a second part assessing analytical abilities.
8. Fixed times for students to review evaluated answer sheets and address concerns are now made compulsory.
9. Established fixed schedules for supplementary exams to ensure timely assessments.
10. Faculty now provides courses to backlog students on certain subjects in winter.
11. AI-Based Communication Skill Platform provided to enhance students' communication skills.

Strengthening Faculty Advisor and Mentee Engagement

1. Faculty-to-Student mentoring Ratio is maintained as 1:10
2. Faculty advisors meet mentees monthly and dine with them. Faculty can report on messy food quality, resulting in improved student satisfaction and reduced grievances about food quality.
3. Faculty report on mentees' academic stress and other issues via the BeHappy website (https://behappy.iitm.ac.in/). Non-responsive students for two consecutive months are contacted by the wellness counselor team.

Recent Initiatives

1. DOST-ROPE Program: Orientation for new MS and PhD scholars, including interactive sessions and opportunities for networking. Over 300 scholars participated.
2. Outbound Training (OBT) Program: Engaged new MS/PhD scholars in team-building and recreational activities.
3. Four days Freshers' Immersion Program: Included campus tours, art events, open mic sessions, Zumba, visits to the Center for Innovation, sports activities, classical arts performances, and a DJ night. | Psychological Counsellors: 13
Clinical Psychologists: 7
Institute Psychiatrist: 2

The online counselling is provided 24 * 7 apart from the in-person counselling |
| 4 | IIT Kanpur | Institute Counselling Service has been organizing multiple measures as per the National Suicide Prevention Strategy. Below are some of the initiatives taken so far:
• Gatekeeper Training Program has been started for suicide prevention, its latest conducted on 10-sep-2024, by experts from Suicide Prevention of India Foundation (SPIF) for students, faculty, and other institute units. Hostel committee that participated in the training include- hall office staff, HEC member and mess in-charges.
• Psychiatry and De-addiction clinic is facilitated at the IITK Health Center in collaboration with psychiatrist. Another institute empanelled psychiatrist visits the health center each week. • Provision of Institute counsellors in hostels during exam periods for students encountering stress, offering walk-in consultations. Counsellors also visit the first-year hostels for wing visit before their first mid semester exams.
• Different sessions on mental health such as dealing with addiction, negative thoughts, procrastination and mindfulness are conducted by institute counsellors and practicing psychiatrist at regular time intervals.
• Institute counsellors conducts training sessions for ICS student team members, including Core Team members and student guides, to identify and empathetically respond to peers facing mental health challenges, with referrals to professional counselors if needed.
• Various team activities are being conducted by ICS students' team, such as, Hakuna Matata, Run-fest, Food-fest, hostel-room cleaning drive etc. to facilitate interaction among the students through healthy and friendly participation.
• For any kind of emergency on-call counselor is available 24x7. Students can reach via call or email.
• Conducting one-to-one sessions with students on a regular basis.
• Conducting Tele-psychotherapeutic sessions for students who hesitate to visit CS office due to stigma.
• A session with parents, by heads of Institutions (Director, DOAA, DOSA , Head CS and Mental Health Professionals) is also taken during orientation to sensitize the parents.
• Other events such as open sessions on mental health, academic improvement, sleep quality, time management, internet addiction, relationships, social anxiety and mental health related movie screenings are organised on regular intervals. | The Institute Counselling Service at IIT Kanpur has currently NINE full time clinical counsellors (pay level 10) and 3 consultant psychiatrists. |

| 5 | IIT Delhi | To improve the mental health of students, the undergraduate freshers are guided by a proctorial team of 8 to 10 faculty members in each hostel, whom they can approach any time- day/night, over and above the Institute's regular counselling services. Additionally, there is a fresher's course with objectives to understand the concept of right and wrong, happiness, success, competition versus cooperation, parental expectations, respecting diversity in society, judicious use of environmental resources, and gender sensitization.

IIT Delhi also has a National Resource Centre for Value Education in Engineering (NRCVEE), which has more than 30 faculty members including Padma Bhushan Sri M. NRCVEE focuses on imparting value-based education to bring about a change in individuals' thinking process and improve overall mental and physical health.

A digital wellness course has been introduced for students to help them understand the professional ethics & social responsibility.

There is also weekly i-meditate session for those students, faculty and staff members interested and open to learning and practicing mediation as a tool for better mental and physical health.

Recently, we conducted a workshop on 'Mental Health & Stress Management' under the supervision of Ministry of Education. Participants were invited from various institutions across the country from IITs, IISCs, IISERs, BITS, AIIMS, XLRIs, NIITs, NGOs, IIMs. This workshop was executed with the idea to find practical tools and techniques to manage stress in educational Institutes/ workplace to improve mental wellbeing and to know about the various mechanisms being utilized by other institutions to handle the mental well-being of students.

Emergency situations: To deal with situations related to student wellness and/or mental health, the Office of Dean Student Affairs, IIT Delhi has at least one faculty member and one counsellor available for any emergency situation 24x7 - normally, the response time is within 15-30 minutes of any emergency at any time.

In general, the Board of Student Welfare (BSW) spearheads all efforts aimed at assisting student wellness and addressing mental health issues.

In addition to being led by an elected student General Secretary, the board is mentored by several faculty members, with the Associate Dean Student Welfare (ADSW) serving as the President of the Board.

Below are some measures, along with plans:-
1.   We currently have a total of 10 counsellors in the campus available 24x7.
2.   Hostel counsellors including Night counsellors are also made available for the students which has given students a choice to avail of counselling services within the hostels and in the nights as well.
3.   External firm has been engaged by IIT Delhi for tele/online counselling services for students.
4.   A psychiatrist is available in IIT Delhi hospital for students to avail of any kind of psychiatric support. We are also exploring the possibility of having a permanent psychiatrist available in the IIT Delhi hospital.
5.   Students who are uncomfortable in availing counselling services within campus are given appointments through our centre to listed hospitals for accessing psychiatric and psychological help and support with the first session being reimbursed for the students. Tie-up is done with private hospitals such as Max, Fortis, Vimhans to facilitate and assist students.
6.   We have student mental health coordinator. We plan to create a team of student mental health mentors who would directly work with and report to counsellors and ADSW.
7.   Talk show and workshops on mental health, self discovery, stress management, time management etc. are held regularly.
8.   We run general and academic mentorship programs operated by BSW.
9.   We have language assistance and language services, at UG and PG levels, which are both curricular (co- and extra-) in nature and independent of curricula. Proposals for expansion/modification of these from simply linguistic to STEM (Science Technology Engineering and Mathematics) communication are in preparation.
10.   We regularly organise co- and extra- curricular activities like Yoga and Meditation sessions for the wellness of IIT Delhi students and community.
11.   We support in enhancing outside the classroom interactions amongst students and faculty through increased frequency of dinners/gatherings under the aegis of Student Teacher Interaction Council operating under BSW.
12.   Outreach to, and collaboration with, parents/families of students identified with serious mental health challenges requiring assistance from parents/families is done. We inform them timely in this reference for immediate action/support.
13.   We also plan to create a student wellness centre where regular meditation, yoga and breathing exercise workshops would take place and students can take part anytime.
14.   Over and above, the ADSW office works one to one with large number of students to cater for their anxiety and stress through one-to-one discussion and occasional classes on stress management if sponsored by AICTE or any other funding body.

In addition to the above the following are also operational at the Institute level:

    1. ICC (Internal Complaints Committee)
    2. Grievance Redressal Committee
    3. Student Grievance web portal
    4. IGES (Initiative for Gender Equity and Sensitisation)
    5. Office of Diversity & Inclusion
    6. SC/ST Cell | The number of mental health professional counsellors are 10 at IIT Delhi and 24x7 continuity of mental health support through an online platform "YourDost". |
|---|---|---|---|
| 6 | IIT Guwahati | The Center for Holistic well-being, IITG organizes suicide postvention activities on the campus. Debriefing sessions are held at all the hostels wherein the counsellors present addressed the queries and concerns and provided resources to help them cope with the incident. Grief counselling sessions are scheduled with those who were observed to be more affected.

Information on the mental health resources available on campus and online were circulated amongst the student body. Friends and lobby mates of the student were met with to help them deal with their grief. Additionally the counsellors have been reaching out to the students with low CPI and backlogs checking in on them periodically

Over the years several activities have been initiated by the Center to promote the overall well-being of the students on campus and help mitigate the gap between the stigma attached to counselling and accessing mental health care. Apart from individual counselling sessions, the Center had initiated the "one on one interactive session" which is held for the undergraduate fresher's, to familiarize the newcomers to the counselling set up and create awareness about the counselling process.

The Peer Mentorship programme is a robust activity which takes help of the student body who volunteer as peer mentors to help freshers' adjust to the academics or everyday life difficulties that they may encounter. The peers have been provided with the necessary tools required to handle and be sensitive to their mentees.

 Ice breaking sessions are organized at the onset of an academic year to help ease the transition into college life and academia. Other activities such as the open house sessions, life skills workshops and talks by experts are held periodically to assist and equip students with the right coping skills.

The 'Declutter' series which includes a compilation queries/ issues faced by students. These are posted on a safe online platform anonymously. The counsellors then attend to them by providing inputs and encouraging them for sessions should the need arise.

A suicide death can affect those beyond the immediate loss survivors and ripple outward, impacting others and even an entire community. The center is keen to adopt comprehensive approach to address the risk and protective factors that will impact the students on campus in collaboration with the various stakeholders such as the hostel caretakers & wardens, faculty, administration and health care center. | There are 4 nos of students' counsellors in IIT Guwahati |
| 7 | IIT Roorkee | 1.Incident of Suicide:
In the past five years, IIT Roorkee has witnessed one unfortunate suicide incident involving a student enrolled in the B.Tech. (BSBE) 3rd Year program. The student belonged to the OBC (Non-Creamy Layer) category.
2.Wellness and Support Services at IIT Roorkee:
To prevent such incidents and promote overall student well-being, the institute has implemented a comprehensive wellness framework comprising various initiatives and services:
a. Wellness Centre Facilities and Counselling Services:
oThe institute operates a robust Wellness Centre with a team of 11 professional counsellors offering support to students in every possible way.
o24x7 mental health support is available through on-call services or Psychological First Aid (PFA) provided by counsellors.
oThe Wellness Centre is open for extended hours, ensuring students have access to services for more than 12 hours daily.
oBoth in-person and online counselling services are provided, ensuring round-the-clock support, confidentiality, and accessibility for all students.
oOnline counselling is facilitated in collaboration with YourDost, allowing voice/video call consultations anytime.
b. Wellness Wardens and Hostel Support:
oEach hostel is equipped with a Wellness Warden/Assistant Warden/Wellness Secretary, who remains available for students in any situation.
oDuring exam periods, counsellors are stationed in hostels to assist students encountering stress and facilitate walk-in consultations.
oCounsellors also conduct wing visits in first-year hostels before their first mid-semester examinations to ensure support for students adapting to the institute environment.
c. Mental Health Initiatives and Training:
oRegular sessions on mental health topics such as managing addiction, negative thoughts, procrastination, mindfulness, and stress management are organized.
oOpen sessions and workshops on academic improvement, sleep quality, time management, internet addiction, relationships, and social anxiety are conducted periodically.
oTraining sessions for students by professional counsellors and practicing psychiatrists are also held to enhance resilience and coping mechanisms.
d. Proactive Measures for Mental Health Awareness:
oDuring the orientation program, sessions are conducted by institute leaders (Director, Dean of Academic Affairs, Dean of Students' Welfare, Associate Dean of Students' Welfare for Wellness, and mental health professionals) to sensitize students about mental health and available support systems.
oAn undergraduate Fresher's Course is offered, focusing on values such as happiness, cooperation, gender sensitization, and environmental consciousness.
e. Accessibility of Counsellors:
oContact details of counsellors are prominently displayed in hostels, messes, departments, and on the institute website. Periodic email notifications are sent to all students, staff, and faculty to increase awareness of the services.
f. Emergency Support:
oFor emergencies, a counsellor and a faculty member from the Students' Welfare Office are available 24x7. Emergency response time is typically within 15-30 minutes.
g. Inclusivity Measures for Students with Disabilities:
oThe Wellness Centre provides specialized support, including wheelchairs, hearing aids, and cycles for students with disabilities and financial constraints.
oTailored support, such as speech therapy and sign language interpretation, ensures inclusivity for students with hearing impairments.
oEquipment and services are provided after thorough assessment by trained professionals, fostering a more inclusive environment.
3.Management Structure for Wellness Activities:
oThe Dean of Students' Welfare oversees the Wellness Centre and its activities.
oThree Associate Deans (ADoSW) ensure effective management of distinct domains:
1.ADoSW (Bhawan & Mess) – Focuses on hostel and mess-related issues.
2.ADoSW (Students' Wellness) – Addresses student mental health and wellness concerns.
3.ADoSW (Students' Activities) – Manages all student activities, including sports, cultural events, and recreational programs.
IIT Roorkee is committed to providing a safe, inclusive, and supportive environment for all students. The above measures demonstrate the institute's proactive approach to addressing mental health challenges and fostering holistic student well-being. | At IIT Roorkee there are 11 numbers of counsellors and 24x7 mental health support through an online platform i.e. "YourDost". |

8	IIT (BHU) Varanasi	The Student Counselling Services, IIT(BHU), is an institute-level faculty-student body dedicated to the holistic development of students. It comprises a team of 10 faculty members and 140+ students who act as SAKHA. The Student Counselling Services is also known as SAKHA, "Your Friend in Campus", the acronym for "Seek, Aspire, Know Holistic Advancement". The services focus on wellness, academics, career, skills, and research through guest talks, activities, and counselling sessions. Best Practices for Counselling Support System 1. Interaction with Counsellor: Our on-campus counsellor conducts interactive sessions for new entrants, creating a safe and supportive space to discuss personal challenges, whether academic or emotional. These sessions introduce students to the mental health resources available at the institute, emphasising the importance of seeking help when feeling overwhelmed, stressed, or struggling with the transition to college life. The counsellor's approachable presence helps normalise conversations around mental health and ensures that students are aware of support options from the start of their journey. 2. Induction Mentorship Programme: It is an initiative for new entrants to help them transition smoothly into campus life. Each new entrant is paired with mentors (student & faculty) who serve as their initial friends on campus, which is in line with the vision of SAKHA. In addition to helping them navigate academics, extracurriculars, and the college structure, the mentors are trained to identify early signs of emotional or mental distress. By serving as initial friends on campus, mentors create a peer support system, easing feelings of loneliness or anxiety and ensuring that new students feel connected and cared for from day one. 3. Mental Wellness Week: Celebrated during World Mental Health Day, this week-long event is dedicated to promoting student well-being through educational sessions, mindfulness workshops, and open discussions about mental health. The focus is on holistic development, helping students build resilience, manage stress, and maintain emotional balance. The activities are designed to destigmatise mental health challenges and equip students with the tools they need to maintain mental wellness throughout their college experience. 4. Life's Tiny Wins: A WhatsApp community of students, faculty and staff members that's designed to infuse mornings with motivation, inspiration, and positivity by sharing insightful content every day. Each message is crafted to foster mental well-being by encouraging small, achievable "wins" that boost self-esteem and promote a positive mindset. By starting the day with encouraging content, the community helps reinforce the value of mindfulness and self-care in daily life, contributing to a healthier, more connected campus environment. It also serves as a platform to remind students about available mental health resources, such as counselling services, providing weekly updates on how they can seek support. 5. Remedial Classes: These remedial classes provide targeted support to new students preparing for their first college exams, focusing on enhancing conceptual clarity and problem-solving skills. Sophomore Academic Mentors, who excel in these courses, lead the sessions, simplifying complex topics and guiding students through challenging problems. With support from research scholars and guidance from professors, the classes ensure a thorough understanding of the subject matter. By addressing academic concerns and reducing exam-related stress, these sessions alleviate a major contributor to mental health struggles. Academic mentors are also trained to offer emotional support, fostering a welcoming environment where students feel comfortable seeking help without fear of judgment. 6. Acing Placement and Acing Internships: Preparing for internships and placements can be a source of considerable stress for final-year and pre-final-year students. This series of guidance sessions is structured to ease that pressure by offering tailored advice on critical areas such as Software Development Engineering (SDE), Data Analytics (DA), Data Science (DS), Core Engineering fields, and Product Management. By addressing the mental strain accompanying this pivotal time, the program ensures students are well-prepared, technically and mentally equipped to handle the pressure and uncertainties of the recruitment process. 1. 21-Day Habit Challenge: A program designed to help students adopt new habits and create positive and lasting change like Digital Detox, Book Reading, Yoga and Meditation, Physical Activity: Gym, Jogging, Morning Walks etc., Maintaining a proper morning routine and consistent sleep schedule before the beginning of every New Year. 2. HeartOut: The one-stop platform to share feelings, emotions, and experiences! We also conduct activities like Thank You Day, Forgiveness Day, etc., where students can express their emotions and treasured moments with the community. 3. Open Elective / Language Management Courses Repository: A comprehensive data repository designed to assist students in selecting OE and LM courses, offering valuable insights, learnings, and experiences from seniors who have already experienced these courses. 4. Placement and Internship Diary: A compilation of students' experiences containing details about the tests and interviews conducted by various companies. It serves as a valuable resource, providing students with insights and strategies to help them succeed in their placement and internship journeys. 5. Career Compass: An initiative designed to guide new entrants in exploring diverse career paths and equipping them with the tools to make informed decisions about their professional futures. 6. Speak Up! By SCS: "Speak up!" by SCS is a community platform where like-minded individuals engage in group activities, including mock group discussions, to enhance and develop their soft skills. It improves collaborative learning and personal growth. 7. Exhort Series: A series of workshops designed to help students master the essential soft skills required to succeed in today's world. Guided by industry experts and professionals, these sessions focus on developing communication, leadership, interpersonal skills, financial literacy and many more soft skills. 8. Commando Talks: A series of talks by Special Forces veterans of the Indian Armed Forces, where students will learn essential skills from the battlefield that are valuable for excelling in life. These sessions cover various skills, including leadership, teamwork, resilience, strategic thinking, decision-making under pressure, and effective communication. 9. Skills Winter Bootcamp: An array of 101-level workshops and sessions on diverse skills aimed to expose students to different skills and help them get acquainted with them. It offers a hands-on learning experience, allowing participants to explore new interests and build foundational knowledge in various skill areas. 10. Foreign & Indian Internship Database: A database that compiles comprehensive information for applying to research internship opportunities at national and international levels. It serves as a valuable resource for streamlining the application process and connecting with potential opportunities at national and international levels. 11. Branch-wise Research Areas: It provides detailed documentation on specific research areas across various fields, helping students easily identify projects that align with their academic interests and career aspirations. Additionally, it includes the names of professors working in each area, allowing students to connect with experts in their desired fields. 12. Tech Symposium: It is a series that showcases expert talks and panel discussions on emerging fields such as AI/ML, Robotics, and Electric Vehicles. The series aims to equip students with valuable insights, introductions, and guidance as they navigate and explore these dynamic domains.	and 24x7 continuity of mental health support through an online platform

16	IIT Indore	The steps taken by IIT Indore for students well-being and to prevent suicide are as follows: 1.
		 Lifeskills Initiative and Value Education Committee (LIVE Committee):
		  It comprises heads of various stakeholders. This committee addresses mental health and student safety issues from multiple perspectives. They regularly discuss red flag cases and develop Standard Operating Procedures (SOPs) to ensure student safety.
		
		 2. Mental Health First Aid Training Program:
		   This program trains first responders at the institute to identify at-risk students and provide support during emergencies. The training is extended to Student Counselling Coordinators (SCC), Faculty Counselling Coordinators (FCC), hostel staff members, and health center staff.
		
		 3. SCC and FCC Programs:
		   - Student Counselling Coordinators (SCC): They provide peer support and act as a bridge between students and the counselling services, helping to identify students who may need assistance and ensuring prompt action during emergencies.
		   - Faculty Counselling Coordinators (FCC): Professors from all departments serve as FCCs, acting as contact points for students in need. They also help identify students who are missing classes or whose grades have dropped significantly, signaling potential issues.
		
		 4. Student Mentorship Program:
		   First-year students are assigned mentors to help them transition smoothly into campus life and adjust to the new environment.
		
		 5. Round-the-clock availability of counselors on campus.
		
		 6. Faculty Advisors:
		 Faculty advisors are assigned to each student, and the student can take support from the faculty advisors in academic and campus life matters. The faculty advisors' role is to keep a check on the students.
		
		 These comprehensive measures are designed to address mental health issues and prevent suicides among students, ensuring a supportive environment at IIT Indore.
			3 Student Counsellors and 2 Visiting Consultant Pshychiatrists are available including one external professional for Lifeskills available for online counselling

Starred Query Dy. No: 2252

1. Please find enclosed a copy of LOK SABHA Provisionally Admitted STARRED Question Dy. No. 2252 for 02/12/2024 regarding "Faculty Positions in CUs and HEIs", which reads as under:

   (a) The total number of faculty positions sanctioned, filled, and vacant in central universities, IITs, IIITs, NITs, IIMs, and IISER as on 31 October 2024;

   Reply:
   The total number of faculty positions sanctioned is 93. As of 31.10.2024, the total number of filled faculty positions is 91, and 2 faculty positions are vacant.

   (b) Whether a large number of vacancies in faculty positions across centrally funded Higher Education Institution along with the reasons therefor; and

   Reply: Currently, 2 faculty positions are vacant. Recently, we issued 2 offer letters to appoint faculty members. We are expecting these new faculty members to join IIT Dharwad by the end of January 2025.

   (c) The steps taken/proposed to be taken by the Government to fill up such vacancies, including vacancies reserved for SC, ST, OBCs and persons with Disabilities?
   Reply: A special recruitment drive with rolling advertisement for SC/ST/OBC-NCL & persons with disabilities categories is announced to fill the vacant faculty positions under these categories.

2. It is requested to kindly furnish the point-wise inputs/ information on the above Parliament Question, along with material for Note for Supplementary and Probable Question and their answers.
   Reply: Responded above.

3. As regards part (a) of the above question, the information may be provided for Faculty as well as Non-Faculty positions as on 31.10.2024, in the following proforma for the purpose of Note for Supplementary:
   Reply:

Name of the Institutions	Position sanctioned		Position filled		Position vacant	
	Faculty	Non-Faculty	Faculty	Non-Faculty	Faculty	Non-Faculty
IIT Dharwad	93	102	91	72	2	30*

* Out of 30 vacant Non-Faculty positions, 14 are earmarked to be filled through promotion.

JS/Adami,

I believe you had made a portal in this regard, and sent a DO letter also to all BHs, in July 2024, A question has been handled in the past a question Recruitment has NI data of Bal Mission In case you want me to have this question, pls send me the data extract from that portal.

LOK SABHA

Ministry: **CIVIL AVIATION**

Sitting on: **28/11/2024**

Question Type: **UNSTARRED**

D.No : 1022

Shortage of trained personnel

Will the Minister of CIVIL AVIATION

(a) whether it is true that across all major Indian airlines there is a shortage of trained personnel;
(b) if so, the reasons therefor;
(c) whether it is true that on the fundamental level of education, there is a lack of interest in aero related fields such as aero-space engineering etc.; and
(d) if so, the details of the number of students enrolled in aero related studies across the country in 2024?

SD IT

	Shortage of trained personnel		
S.No.	Name of the Institute	(c) whether it is true that on the fundamental level of education, there is a lack of interest in aero related fields such as aero-space engineering etc.; and	(d) if so, the details of the number of students enrolled in aero related studies across the country in 2024?
1	IIT Kharagpur	IIT Kharagpur has an Aerospace Departm	B.Tech. - 70; M.Tech: 11; PhD: 3
2	IIT Bombay	IIT Bombay offers Aerospace Engineering at BTech, MTech, Dual-degree (BTech+MTech) and PhD levels. Based on JEE-Adv ranks of students who opt for BTech in Aerospace Engineering, this seems to be a sought after discipline at IIT Bombay.	B.Tech. - 80 M.Tech. - 65 Ph.D. - 5 (Aut. Sem.)
3	IIT Madras	IIT Madras has a dedicated Department for Aerospace Engineering offering B.Tech, Dual Degree, M.Tech, MS (By Research) & Ph.D. The admission numbers denote no lack of interest in the field of aerospace engineering	While question no. (c) is not found to be true, the numbers enrolled are as follows: 194 students enrolled in various programmes offered by the Department of Aerospace Engineering, IIT Madras in 2024. The programme-wise enrollment is B.Tech - 54, Dual Degree -10, M.Tech - 98, MS (By Research) - 13 Ph.D - 19
4	IIT Kanpur	IIT Kanpur has a Department of Aerospace Engineering. The department is offering BTech, MTech and PhD programmes in Aerospace Engineering. Additionally, the department is offering MTech programme in Unmanned Aerial Sytems (UAS) also.	BTech: 67 MTech (AE):79 MTech (UAS): 11 PhD: 12
5	IIT Delhi	IIT Delhi does not offer any programme in aero-related fields such as Aero-space Engg.	NA
6	IIT Guwahati	IIT Guwahati doesnot have any course in aero related fields	
7	IIT Roorkee	IIT Roorkee does not offer any programme in Aero-space Engg. or associated area	
8	IIT BHU, Varanasi	IIT (BHU), Varanasi does not offer any programme in aero-space engineering.	NA
9	IIT(ISM) Dhanbad	At IIT (ISM) Dhanbad, there is no dedicated academic program offered in aerospace engineering. The Institute has also not received any request from the existing/prospective students to introduce it in the near future.	NA
10	IIT Gandhinagar	IITGN does not have any academic program in aerospace engineering.	Not applicable in light of (c).
11	IIT Bhubaneswar	IIT Bhubaneswar does not have any academic program in aerospace engineering.	NA
12	IIT Hyderabad	IIT Hyderabad is having dedicated department named 'Mechanical & Areospace Engineering' where around 159 Mtech students are presently pursuing their MTech that includes 1st & 2nd year students and Currently, we have 238 UG students enrolled in the 4-year BTech program in Mechanical & Aerospace Engineering.	There are 81 PG students enrolled in 2024 that includes RA & TA (There are 19 students with specialization in Aerospace). Additionally, we have 12 UG students, who have enrolled for Minor program in Aerospace Engineering.
13	IIT Jodhpur	IIT Jodhpur does not have any academic program in Aerospace Engineering. However, IIT Jodhpur has an Inter-disciplinary research division in space science and technology (SST). The division is offering only PhD program.	There are 8 PhD students enrolled under SST Inter-disciplinary research division
14	IIT Ropar	IIT Ropar does not have any academic program in aerospace engineering	Not Applicable
15	IIT Patna	IIT Patna does not offer any academic program in Aerospance Engineering.	NA

16	IIT Indore	IIT Indore does not offer any programme in Aero-space Engg. However, IIT Indore is offering several programme in Astronomy, Astrophysics and Space Engineering department i.e. B.Tech. in Space Science and Engineering, M.Sc. in Astronomy, M.Tech. in Space Engineering, MS (Research) in Space Science and Engineering and Ph.D. in Astronomy, Astrophysics and Space Engineering	1. B.Tech. [Space Science and Engineering]: 38 2. M.Sc. [Astronomy]: 27 3. M.Tech. [Space Engineering]: 13 4. MS (Research) [Space Science and Engineering]: 7 5. Ph.D. [Astronomy, Astrophysics and Space Engineering]: 39
17	IIT Mandi	AT IIT Mandi, there is no aerospace Department and also there is no specific academic programme in aerospace engineering	NA
18	IIT Palakkad	AT IIT Palakkad, there is no aerospace department and no specific academic program offered in aerospace engineering	NA
19	IIT Tirupati	AT IIT Tirupati, there is no aerospace department and no specific academic program offered in aerospace engineering	NA
20	IIT Jammu	AT IIT Jammu, there is no Aerospace department	NA
21	IIT Bhilai	IIT Bhilai does not offer any program in the field of Aerospace engineering.	NA
22	IIT Goa	IIT Goa does not have any academic program in aerospace engineering.	NA
23	IIT Dharwad	In IIT Dharwad, there is a department named 'Mechanical Materials & **Areospace** Engineering'.	B.Tech. -176 M.Tech.-18 M.S.- 10 PhD-36

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of Provisionally Admitted Lok Sabha Starred Question No. 2804 to be answered on 02/12/2024 regarding " Contractual/Guest Teachers/Assistant Professors Employed in Educational Institutions.".   The text of the Question reads as under :

(a)   the total number of contractual and guest teachers and assistant professors currently employed in educational institutions including universities and colleges across the country, along with the break-up of these figures, and the proportion of each staff compared to permanent faculty member, State-wise;
(b)   the measures taken/being taken by the Government to stop the exploitation of contractual and guest assistant professors and teachers, particularly in terms of equal work equal pay, and providing them with benefits on par with their permanent counterparts, such as health insurance, retirement benefits, and job security,
(c)   the figures showing the ratio of permanent to contractual faculty members in both public and private institutions; and
(d)   whether the Government plans to establish a national framework for the standardisation of contracts and wages for contractual/guest teachers, ensuring that they are compensated equitably for the work they perform?

2.   It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in Google-Sheet) by tomorrow before 12:00 PM (27.11.2024) , positively.

Google   Sheet: https://docs.google.com/spreadsheets/d/1E9S3cfieL3LfONKbaxqmbu_brEAoPs9RHZ0H7XZNJR8/edit?usp=sharing

3. This may kindly be treated as Most Urgent.

5	IIT Delhi	1673	75	4.48		Only Full Time students for 1st Semester 2024-25. Admission to Ph.D. and MS(R) programmes for the 2nd semester is under progress
6	IIT Guwahati	1280	95	7.42	4	Admission to Ph.D program for spring 2024-25 is under process
7	IIT Roorkee	1213	76	6.26	1	Excluding Sponsered, International students; and Ph.D. Spring 2024-25 is under process.
8	IIT (BHU) Varanasi	743	35	4.71	0	Admission to PhD program for the Even semester is under progress.
9	IIT (ISM) Dhanbad	1177	68	5.78	0	Ph.D admitted data included up to November 2024
10	IIT Gandhinagar	587	36	6.13	0	
11	IIT Bhubaneswar	481	26	5.4	0	Admission to Ph.D program for spring 2024-25 is under process
12	IIT Hyderabad	534	31	5.8	0	Phd admission for Jan'25 is going on & 9 ST seats are yet to be filled
13	IIT Jodhpur	580	14	2.41	0	PhD admission for AY 2024-25 Semester-II is currently under process. Seats in the corresponding category remained unfilled due to a lack of qualified applicants.
14	IIT Ropar	403	19	4.71	0	PhD admission for AY 2024-25 Semester-II is currently under process.
15	IIT Patna	451	12	2.66	0	PhD admission for Jan 2025 is under process
16	IIT Indore	422	26	6.16	0	PhD admissions for the Spring semester
17	IIT Mandi	539	25	4.64	0	
18	IIT Palakkad	185	10	5.41	0	The data is pertaining to the admissions till July 2024 for the AY 2024-25. The admissions for January 2025 is yet to happen. A spcial drive for admission to the PhD programmes for the ST candidates was conducted during September-October 2024.
19	IIT Tirupati	252	13	5.16	0	M.S.(Res) and Ph.D. Admissions for January 2025 semester are under process.
20	IIT Jammu	204	8	3.92	2	Admission to PhD program for the Spring semester is under progress.
21	IIT Bhilai	180	11	6.11	2	Admission to PhD program for the winter semester is under progress.
22	IIT Goa	39	2	5.13	0	Student from Spring 2024-25 semester is yet to be admitted, admissions under process
23	IIT Dharwad	125	4	3.2	0	PhD and MS admission for Jan 25 is still underway

Senction Strength of Faculties in IITs

Will the Minister of EDUCATION

(a) the details of Recruitment and Back log vacancies in faculty of IITs;
(b) the details of total sanctioned strength of Professors, Associate Professors and Assistant Professors in IITs, institute-wise data;
(c) the details of total number of Professors, Associate Professors and Assistant Professors in IITs as on date and SC/ST/OBCs among them, institute-wise; and
(d) the number of SC/ST/OBC backlog vacancies as on date in the cadres of Professors, Associate Professors and Assistant Professors in IITs, institute-wise?

Dir(UIT)

US(IIT)

SO
Shin Aslum, ASO

S. No.	Name of the Institute	Designation	Details of Recruitment and Backlog Vacancies in Faculty in IITs			
			Backlog Vacancies of Faculty			
			SC	ST	OBC	Total
			As on 31.12.2024			
1	IIT Kharagpur	Professor	Since IIT Kharagpur follows flexible cadre structure for faculty posts, the category wise backlog vacancy could not be calculated. However, as on 31.12.2024, 827 posts are lying vacant including the reserved posts considering 1600 sanctioned posts.			0
		Associate Professor				0
		Assistant Professor				0
2	IIT Bombay	Professor	22	16	60	98
		Associate Professor				
		Assistant Professor				
3	IIT Madras	Professor	0	0	0	0
		Associate Professor	0	0	0	0
		Assistant Professor	3	4	10	17
4	IIT Kanpur	Professor	11	8	16	35
		Associate Professor				
		Assistant Professor				
5	IIT Delhi	Professor	50	24	80	154
		Associate Professor				0
		Assistant Professor				0
6	IIT Guwahati	Professor	Similar to all older IITs, IIT Guwahati is following a flexible cadre structure for the appointment of faculty (i.e. Professor, Assoc. Professor & Asst. Professor) with faculty/student ratio of 1:10. As such, the Institute is unable to fix vacancy position-wise (cadre-wise). As such, the Institute is unable to identify backlog vacancy. However, the Institute is trying to fill the vacant posts under reserved category as much as possible through all the recruitments. However, following are the category-wise break-up of vacant positions as on date. SC =57, ST =28, OBC-NCL=103			0
		Associate Professor				0
		Assistant Professor				0
7	IIT Roorkee	Professor	38	21	48	107
		Associate Professor				0
		Assistant Professor				0
8	IIT BHU, Varanasi	Professor	Since IIT (BHU) follows flexible cadre structure for faculty posts, the category wise backlog vacancy could not be calculated. However, as on 31.12.2024, 122 posts (38 (SC), 18 (ST), 66 (OBC)) out of 608 sanctioned post are lying vacant.			0
		Associate Professor				0
		Assistant Professor				0
9	IIT (ISM) Dhanbad	Professor	30	18	50	98
		Associate Professor				
		Assistant Professor				
10	IIT Gandhinagar	Professor	10	5	29	44
		Associate Professor

6

Will the Minister of EDUCATION

be pleased to state:

(a) the post-wise and university-wise number of appointments made on reserved and unreserved posts in the Central Universities including IIMs and IITs across the country from the year 2014 to 2024 along with the details thereof;

(b) whether any of the reserved posts in Central Universities have been de-reserved;

(c) if so, the university-wise and post-wise details thereof along with the reasons therefor;

(d) the time by which the said posts are likely to be restored to reserved category;

(e) the various steps taken by the Government to fill up the reserved posts without any delay;

(f) the details of faculty and student vacancies in respect of OBCs, SCs and STs during the last five years;

(g) whether the Government is aware of the fact that the reservation rules in faculty appointment are not being implemented properly in Central Universities including IITs and IIMs;

(h) if so, the details thereof; and

(i) whether any Committee has been constituted to study the issue and steps taken by the Government, if any?

(v) Fakir Mohan University, Balasore
(vi) Utkal University of Culture, Bhubaneswar
(vii) Shri Jagannath Sanskrit Vishwavidyalaya, Puri

•IIT Bhubaneswar is Mentoring the following Institutions in Odisha under the Margdarshan Scheme 2023-24 approved by AICTE:

(i)International Institute of Information Technology (IIIT) Bhubaneswar
(ii)Trident Academy of Technology, Bhubaneswar
(iii)NIST Institute of Science and Technology, Brahmapur
(iv)DRIEMS, Tangi, Cuttack |

12	**IIT Hyderabad**	IIT Hyderabad has been assigned the responsibility of collaborating with the following three State Government institutions to foster innovation, knowledge sharing, and strategic development. The key objectives of this collaboration include:
		Innovation & Collaboration – Facilitating cutting-edge research, technology adoption, and process improvements.
		Knowledge Sharing – Exchanging expertise and best practices to enhance institutional capabilities.
		Strategy Development – Identifying areas of improvement and formulating strategic interventions.
		Development of Interventions – Implementing actionable solutions to address key challenges and drive sustainable progress.
		The three State Government institutions involved in this initiative are: 1.Rajiv Gandhi University of Knowledge Technologies, Basara 2.Telangana University, Nizamabad 3. Kaloji Narayana Rao University of Health Sciences

13	**IIT Jodhpur**	Unnat Bharat Abhiyan is flagship programme of the Ministry of Education (MOE) that aims to bring transformational changes in rural development process in India. The scheme aims to link higher education institutions who contribute to social and economic betterment of the village communities using their knowledge and expertise. IIT Jodhpur is the Regional Coordinating Institution for western Rajasthan. Till date IIT Jodhpur is mentoring and collaborating 50 regional collages/institutes in 14 districts of western Rajasthan who are conducting and providing different workshops, solutions for clean water and conservation, women empowerment, community issues, gender sensitivity, child care, hygiene practices. The List of collages are: S.B.D.Govt.College, Sardarshahar, Churu Vinodini Pg Mahavidyalya, Jhunjhunun, Mata Keshri Devi Kanya Pg Mahavi., Jhunjhunun College of Agriculture, Nagaur I.G.M.College, Pilibanga, Hanumangarh Birla Technical Training Institute, Pilani, Jhunjhunu Eklavya Vidhyapith Mahavidyalya, Bhadra, Hanumangarh B.R.Mirdha Government College, Nagaur Rnb Global University, Bikaner Peepar Teachers Training College, Peepar City, Jodhpur Gokul Babu Degree College, Jodhpur K.K.C.College, Sardarshahar, Churu Shri Khushal Das University, Pilibanaga, Hanumangarh Government Polytechnic College, Bikaner Shridhar University, Pilani, Jhunjhunu Shri Aatam Ballabh Jain Kanya Mahavidyalaya, Shri Ganganagar, Ganganagar Seth Gyaniram Bansidhar Gb Podar Tt College, Nawalgarh, Jhunjhunu Shri Jagdish Prasad Jhabarmal Tibrewala University, Jhunjhunu Kaswan Kanya College, Tibbi, Hanumangarh Jodhpur Institute of Engineering and Technology, Jodhpur Sri Atam Vallabh Jain Girls College, Ganganagar Madhav University, Sirohi Mahesh Institute of Professional Studies, Barmer Jecrc University, Ganganagar Smt.Seeta Devi Chunni Lal Baradia Government Girls College, Pipar ,Jodhpur Jain Institute of Skills, Ganganagar Marudhar Engineering College, Bikaner Government College, Barmer Clg Pharmacy College, Pali Clg Institute of Engg.and Technology, Sumerpur, Pali Clg Degree College, Pali Aishwarya College of Education, Jodhpur Choudhary B.R.G.Govt.Girls College, Ganganagar Chartered Institute of Technology, Sirohi Birla Institute of Technology and Sciences, Pilani, Jhunjhunu Basic College Bikaner All India Institute of Medical Sciences, Jodhpur Govt.Girls College, Sirohi Govt.Lohia College, Churu Gramin Kanya Mahavidyalaya , Bhadra, Hanumangarh Surendera College , Ganganagar Surendera Group of Institutions, Sri Ganganagar Global Pharmacy College, Nagaur Luv Kush Adarsh T.T.Mahavidhyalaya Gudamalani, Barmer Jiet College of Nursing ,Jodhpur Govt.College, Sirohi Swargiya Shree Gurusharan Chhabra Government College, Suratgarh, Ganganagar Government College, Sojat City, Pali Government College, Merta City, Nagaur Additionally, as a part of NEP Implementation and Outreach, seven state-funded universities of Rajasthan have been mapped to IIT Jodhpur by the Department of Higher Education. Discussions between the nodal officers about potential collaboration, knowledge transfer, and outreach activities have already begun.

14	**IIT Ropar**	1. The Institute has signed Consortium with 5 Higher Educational Institutions of North India (which includes Central University of Jammu, Central University of Haryana, Central University of Himachal Pradesh, Central University of Punjab, Central University of Rajasthan).
		2. IIT Ropar enrolled in Joint degree program in M.Sc. (Master of Science) in Data Science and Management with IIM Amritsar.
		3. MS Programme in Data Science under Collaboration with IIT Madras and this programme provide an exceptional opportunity for students of the IIT Madras BS (Data Science) programme to pursue an MS degree at IIT Ropar.
		4. Apart from the above, IIT Ropar has signed MoU with the following State institutions/degree colleges to provide handholding/mentorship/guidance/research collaboration and knowledge sharing:
		i NIT Warangal, NIT Delhi, NIT Mandi, NIT Jalandhar, NIT Srinagar
		ii) National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh
		iii) National Institute of Technology, Uttarakhand (NITUK)
		iv) Research and Development Centre Unit- Dayanand Medical College and hospital managing Society, Ludhiana
		v) Institute of Infrastructure, Technology, Research and Management, Ahmedabad.
		vi) Chandigarh Region Innovative Knowledge Cluster (CRIKC)
		vii) National Institute Pharmaceutical Education and Research, Mohali (NIPER)
		viii) MoU with PGIMER
		ix) IKG Punjab Technical University Jalandhar
		x) Sri Guru Teg Bahadur Khalsa College Sri Anandpur Sahib, District-Rupnagar (Punjab)
		xi) Shaheed Bhagat Singh Technical Campus, Ferozepur
		xii) Beant College of Engineering and Technology, Gurdaspur
		xiii) Electronic Sector Skills council of India, New Delhi
15	**IIT Patna**	
16	**IIT Indore**	
17	**IIT Mandi**	IIT Mandi has been assigned the responsibility of collaboration with following 05 State Government institution for innovation, collaboration, knowledge sharing etc.:
		1. Atal Medical and Research University
		2. Sardar Patel University
		3. Dr. Y.S. Parmar University of Horticulture and Forestry, Solan
		4. Himachal Pradesh University Shimla
		5. Himachal Pradesh National Law University Shimla
		There is a provision of reservation in admission. Innovation, collaboration, knowledge sharing with these institution is under process.
18	**IIT Palakkad**	IIT Palakkad has entered into Memorandum of Understanding (MoUs) with the following state government institutions and nearby degree colleges for research and academic collaborations, knowledge sharing, and innovation:
		- Kerala Highway Research Institute (KHRI)
		- Kerala Forest Research Institute (KFRI)
		- Rajiv Gandhi Institute of Technology (RIT), Kottayam
		- Government Engineering College Wayanad
		- NSS College of Engineering - Palakkad, Kerala
		- Kerala Agricultural University (KAU)
		- PSG Institute of Technology & Applied Research, Coimbatore
		- National Transportation Planning Research Centre (NATPAC), Thiruvananthapuram
		- Mar Athanasius College of Engineering Kothamangalam
		- Karpagam Academy of Higher Education, Coimbatore
		- Sahrdaya College of Engineering & Technology, Kodakara
		These MoUs aim to facilitate research collaborations, academic exchanges, knowledge sharing, and innovation between IIT Palakkad and these institutions, ultimately promoting mutual growth and development.

19	IIT Tirupati	IIT Tirupati has been assigned the responsibility of academic collaboration with the following Institutions of Andhra Pradesh State for knowledge sharing: 1. Dr. N.T.R. University of Health Sciences,Vijaywada 2. Rayalaseema, University Kurnool 3. Cluster University 4. Dr.B.R.Ambedkar University, Etcherla 5. Damodaram Sanjivayya National Law University 6. Dr Y S R Horticulture University IIT Tirupati has also guided the following Institutes of the Andhra Pradesh State for Academics related matters: 1. Sri Padmavathi Mahila Visvavidyalayam 2. Siddhartha Engineering College, Puttur 3. Rajiv Gandhi University of Knowledge Technologies
20	IIT Jammu	IIT Jammu has been assigned the responsibility of collaboration with the following institutions: 1. CLUSTER University of Jammu 2. University of Jammu, Jammu Tawi 3. Sher-E-Kashmir University of Agricultural Science & Technology of Jammu, Jammu 4. Baba Ghulam Shah Badshah University, Jammu 5. Shri Mata Vaishno Devi University, Jammu
21	IIT Bhilai	IIT Bhilai has entered into MoU(s) with the following state universities for various collaboration activities. 1. Pt Ravi Shankar University, Raipur 2. CSVTU, Raipur

Subject: Provisionally Unstarred D.No. 10332 to be answered on 24/03/2025 regarding " SC/ST Cells in IITs".

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Provisionally Unstarred D.No. 10332 to be answered on 24/03/2025 regarding " SC/ST Cells in IITs".** The text of the Question reads as under :

(a)   whether it is true that out of the 19 Indian Institute of Technology (IITs) that have SC/ST cells, 16 are non-functional and have not conducted any recent events;
(b)   if so, the steps taken by the Government in this regard;
(c)   the details of the steps taken by the Government to ensure that the existing 4 IITs which currently do not have and SC/ST cells comply as per the University Grants Commission's (UGC) guidelines;
(d)   whether it is also true that there is a lack of funds for the existing SC/ST cells;
(e)   if so, the steps taken by the Government to ensure timely allocation and disbursal of funds to these cells; and
(f)   whether it is also true that many of the cells do not have any room allotted for meetings and discussions and do not have information regarding reservation or a mechanism to check the quota implementation?

2.   It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in **Google-Sheet**) **by (17.03.2025), 3.OO PM**, **positively.**

Google   Sheet: https://docs.google.com/spreadsheets/d/1a0KFBE4rk6c-VJ84rlfQY_ G1JC4pdnEcKq99IB37ZXk/edit?usp=sharing

3. This may kindly be treated as **Most Urgent**

Regards

Provisionally Unstarred D.No. 10332 to be answered on 24/03/2025 regarding " SC/ST Cells in IITs".

Sl. No.	Name of the IIT	Whether SC/ST cell exists	SC/ST Cell is Functional	Events are conducted by SC/ST Cell	Details of last events conducted	Remarks
		Yes/No	Yes/No	Yes/No		
1	IIT Kharagpur	YES	YES	YES	Janjatiya Gaurav Diwas 2024 was conducted on 15th Nov 2024. A program was arranged for the Ambedkar Jayanthi.	We have SC/ST cell using which we address several issues related to SC/ST students and solve them. Orientation programs at the institute and department levels are conducted after their admission. Students counselling center is available in the campus. Preparatory courses are conducted with experienced teachers. SC/ST students receive the financial assistances for the reimbursement of messing charges on basic menu, exemption from paying tuition fee and seat rent for full academic year and payment of a pocket allowance every month.
2	IIT Bombay	YES	YES	YES	Events from July 2024 to March 2025 1. PG Orientation Program 2024: 28th July 2024 2. UG Orientation Program 2024: 31st July 2024 3. "Multidimensionality and Contemporary Relevance in Anna Bhau Sathe's Writings", Prof. Baliram N. Gaikwad, I/C Registrar, University of Mumbai, 4th September 2024. 4. "Affirmative Action Policies in India: Past, Present and Future", Prof. Malish. C.M, ADCPS, IIT Bombay, 16th October, 2024. 5. "Thinking about discrimination: Some preliminaries", Prof. Ramesh Bairy, Prof. Rocky Zipao; HSS dept. IIT Bombay, 23rd October, 2024. 6. "Exploring the golden opportunities while addressing the difficulties in the college time", Prof. Hemant Kumar Meena, Malaviya National Institute of Technology Jaipur, 20th January 2025. 7. "How to Achieve Excellence Against Odds", Mr. Dheeraj Singh, 21st January 2025. 8. "Placement strategies, industry expectations, and available support systems", Mr. B.V. Ravi Shankar, Training & Placement Officer (TPO), IIT Bombay, 12th March 2025.	1. The cell has 3 convenors to address academic and non-academic issues and complaints received from students belonging to the SC and ST communities. 2. We have two project staff members who are designing and developing the course under the supervision of the cell and other faculty members. 3. We have a dedicated fund head for carrying out all cell activities. 4. We have 2 "Overall UG coordinators" and 1 "Overall PG coordinator" to overview the student's cells' activities. 5. We have 6-member event management group to organise the events. 6. We have the "Student Companionship Program" (45 student mentors), which is over and above the existing mentorship program of the IIT Bombay and acts as an additional provider of help to needy students. 7. We have an office space demarcated well for the SC/ST students' cell from other cells' offices. 8. Each department has a SCST Departmental Faculty Adviser to help the students belonging to the SC and ST communities. 9. We have a website (https://www.scstcell.iitb.ac.in) to disseminate information about Cells activities, events, members, and scholarships. 10. IIT Bombay is developing a SC/ST cell course, which will be introductory and compulsory for all students and faculty.
3	IIT Madras	YES	YES	YES	Ambedkar Jayanthi was celebrated in a grand manner on 7-5-2024 at Central Lecture Theatre, IIT Madras. During the event, Ambedkar Memorial Awards were presented to the wards of the SC/ST employees who topped in the Board examinations held in 2023-24. Dr. B. R Ambedkar Memorial Endowment fund for an amount of Rs.10.00 lakhs was created to support the SC/ST Cell welfare measures.	
4	IIT Kanpur	YES	YES	YES	Celebrations on 14-4-2024. Mahaparinirvan Diwas	Workshop on Reservation and functions of the Cell is being planned for this year apart from celebrations of 14-4-25

Provisionally Unstarred D.No. 10332 to be answered on 24/03/2025 regarding " SC/ST Cells in IITs".

Sl. No.	Name of the IIT	Whether SC/ST cell exists	SC/ST Cell is Functional	Events are conducted by SC/ST Cell	Details of last events conducted	Remarks
		Yes/No	Yes/No	Yes/No		
5	IIT Delhi	YES	YES	YES	The last event conducted was "Transformative Leadership in STEMM (TLS)", designed for SC/ST PhD scholars those who are in their third year (or later) at IITs, NITs, and other higher education institutions (HEIs). Retraction of research papers by IITs

PROVISIONALY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- S479
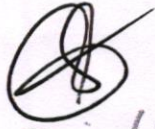

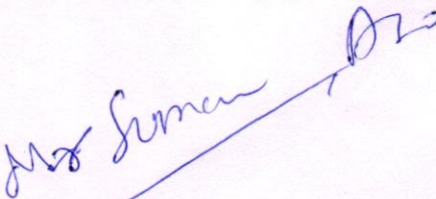

The Question Will be put down for -- 24/07/2024

Answer on the Ministry Department -- Education(EDU)

Retraction of research papers by IITs

a) Whether Indian Institutes of Technology at many places in the country had to retract several research papers in the last few years; b) If so the reasons thereof; c) Whether this action on the part of IITs had affected the scientific reputation of the country; d) What are the corrective measures taken in this regard; and e) Whether any advisory has been issued to the authors of the research papers;

Dir (IIT)

Provisionaly Admitted Question for the Rajya Sabha Starred/Unstarred Diary No. S479 for 24/07/2024
Regarding : Retractiion of Research Papers by IITs

S.No.	Name of the IITs	(a) Whether Indian Institutes of Technology at many places in the country had to retract several research papers in the last few years;	(b) If so the reasons thereof	(c) Whether this action on the part of IITs had affected the scientific reputation of hte country;	(d) What are the corrective measures taken in this regard;and	(e) Whether any advisory has been issued to the authors of the research papers;
1	IIT Kharagpur					
2	IIT Bombay	No retractions of research papers since last 3 years.	NA	NA	NA	NA
3	IIT Madras	As per the retraction watch database,there are 5 documents retracted from 2019-2023.	Most of these are wrongful use of IIT Madras affiliation by authors of the retracted papers	No. As the number is very less.	The authors are not reachable and do not actually appear to be associated with IIT Madras	All students are sensitized to the importance of following ethical research and publication practices.
4	IIT Kanpur	IIT Kanpur doesn't maintain such record.	NA	NA	NA	NA
5	IIT Delhi	No, IIT Delhi has not retracted any paper. However, the total number of retracted papers by authors with IIT Delhi affiliation is 22, from the year 2001 to 2024 (till now), over which period the total number of publications is 46527 Reasons for retraction include discrepancies in the description of the research reported, lack of confidence in the results and conclusions of the article, concerns about the validity of the data, and incorporating text and figures of a similar nature and no citation to earlier work.	-	No	The authors are sensitized	No
6	IIT Guwahati	IIT Guwahati doesnot maintain such record.	NA	NA	NA	NA
7	IIT Roorkee	(4) Nos. Retractions have been made in past several years.	There have been several reasons to retractions: a) Overlap between a conference proceeding publication and a journal publication by the same authors. b) Overlooking of the references and due acknowledgement in some cases. c) Intentional Plagiarism by one of the authors.	As intentional cases may be counted on fingers and none of the cases is related to the conivance of all the authors hence scientific reputation of the institution is not affected. Further academic fraternity understands the reasons of such cases as those a transparently published on the relevant data bases. Other reason is that IIT Roorkee holds a strong legacy and standards which are known to the academic world.	a) A pledge appears on the academic portal everytime a faculty logs in and one has to pledge before one may proceed. This keeps on reminding everyone on the level of standards one has to follow. b) Only and only the faculty members may be the corresponding author in any paper presented or published from the institute in any guided research, which makes the faculty member responsble for any lapses and therefore the incidents have dropped to almost zero accept for some neglignece cases. c) There is an institute policy which is circulated every now and then amongst all the stakeholders. d) Continuous orientation programmes for the students and the faculty by eminent speakers and panelists are organized with regular frequency on specific ocassions starting from student induction program and research days etc.	Continuous advisories are issued in general as well as in specific cases. Specific committees are constituted for every reported case. These fact finding committees deliberate on every aspect and file reports, which are considered for specific actions for the competent authority.
8	IIT (BHU) Varanasi	The Institute has not retracted any publications. Moreover, the Institute has not received any information/complaint about retraction of Research Papers in last few years	NA	NA	NA	NA
9	IIT (ISM) Dhanbad	Yes. 23 papers out of 17000 (approx.) research papers published by IIT(ISM) Dhanbad in the last 20 years. However, no retraction in the last 3 years	The retractions were mainly because of the self-plagiarism and wrong data interpretation.	No	Immediately departmental proceedings were initiated as per CCS(CCA) rules and based on the recommendation, the action was taken.	Yes
10	IIT Gandhinagar	No research paper has been retracted till date with respect to IIT Gandhinagar.		Not applicable in light of (a) above.	As proactive measures, awareness is created amongst the research community about the research publication ethics and misconduct.	
11	IIT Bhubaneswar	Yes (One paper)	The retractions were mainly because of issues about data	No	The concerned faculty was called and made cautions about the same. Advisory was given to him to perform reaserch with greater diligence and avoid similar incidences in future	Yes

12	**IIT Hyderabad**	A total of 4 papers are either retracted or withdrawn till date.	1. Irregularities w.r.t submission and authorship; 2. Irrelevant references or not being in the scope of the journal; 3. As per the publisher's policy on non-presented papers	No. The number of such cases is miniscule.	Authors are sensitized.	No
13	**IIT Jodhpur**	Yes (One Paper)	The paper was retracted as per the publisher's policy on non-presented papers.	As voluntarily retracted, there was no such impact.	The Institute is vigilant to avoid any such cases.	The Authors were sensitized.
14	**IIT Ropar**	There is no retraction of Research Paper in IIT Ropar. The information may be treated as NIL.	NA	NA	NA	NA
15	**IIT Patna**	The total number of retracted papers by authors with IIT Patna affiliation is 02 till now.	The reason for retraction is the p	NA	NA	NA
16	**IIT Indore**	Yes (One Paper)	One case of retraction of a Research paper in 2023 is reported. Incomplete acknowledgment about the contribution of the fellow Researcher in the part of the research work.	The researcher has forwarded a request for retraction and the same is in process. Being a specialized research area, it would not affect the scientific reputation of the nation as such.	At the Institute level, awareness sessions are organized to sensitize Research scholars for proper research protocol, acknowledgement to avoid any case of plagiarism in publication.	Yes
17	**IIT Mandi**	Four	The reasons are various such as data misrepresentation by externally registered student, and publication of paper without the consent of the IIT mandi faculty	As the number of such instances are very meagre, impact on the reputation on the IIT or the country has not been adversely affected.	Even though the number of retractions are very few, IIT Mandi has taken pro-active steps so that such instances are not repeated. (i) The faculty concerned have always reported the matter to the Institute promptly. IIT Mandi has constituted empowered committees under senior researchers to look into the matter closely and their suggestions have been implemented. (ii) Students, researchers and faculty members are made aware about the ethics in publications. Ph.D. students have to compulsorily undergo a course on 'Research Methodology' where ethics and integrity of research is taught at length. Workshops by experts from journal publishing houses, Journal Editors and ethical experts are being organised periodically. (iii) Students and researchers are provided with adequate resources to check plagiarism. Plagiarism checks are routinely performed on reports, assignments, thesis, project proposals etc.	IIT Mandi has constituted empowered committees under senior researchers to look into the matter closely and their suggestions have been implemented
18	**IIT Palakkad**	There is no retraction of Research Paper in IIT Palakkad. The information may be treated as NIL.	NA	NA	NA	
19	**IIT Tirupati**	There is no retracted document cases found in IIT Tirupati, the information may be treated as NIL	NA	NA	NA	NA
20	**IIT Jammu**	Nil. There is no retracted document case found in IIT Jammu.	NA	NA	NA	NA
21	**IIT Bhilai**	NO request received	NA	NA	NA	NA
22	**IIT Goa**	There is no retracted document case found in IIT Goa. The information may be treated as NIL	NA	NA	NA	NA
23	**IIT Dharwad**	There is no retraction of Research Paper in IIT Dharwad.	NA	NA	NA	NA

UNSTARRED QUESTION
DATED-24.07.2024

Courses on Vedic Mathematics

176 **Shri Sandeep Kumar Pathak:**

Will the Minister of *Education* be pleased to state:

(a) the list of Colleges/Universities along with name where the courses on Vedic Mathematics and ancient Indian Astronomical Sciences are imparted, State-wise and UT-wise;

(b) the name of the Universities run by Government where such courses have been introduced in the last five years. the list of sanctioned and actual number of faculties and the actual number of students enrolled in these Universities for these courses; and

(c) the details of funds released by Union Government in the last five years for research on these subjects research Institute/ College/ University-wise, year-wise, State-wise/UT-wise?

Admitted Question for the Rajya Sabha Unstarred No. 176 for 24/07/2024
Regarding : Courses on Vedic Mathematics

S.No.	Name of the IITs	(a) the list of Colleges/Universities along with name where the courses on Vedic Mathematics and ancient Indian Astronomical Sciences are imparted, State-wise and UT-wise;	(b) the name of the Universities run by Government where such courses have been introduced in the last five years, the list of sanctioned and actual number of faculties and the actual number of students enrolled in these Universities for these courses;and	(c) the details of funds released by Union Government in the last five years for research on these subjects research Institute/Colleges/Universities-wise, State-wise/UT-wise?
1	IIT Kharagpur			
2	IIT Bombay	No such courses are being offered by IIT Bombay	Not Applicable	Not Applicable
3	IIT Madras	IIT Madras is not offering Vedic Mathematics and ancient Indian Astronomical Sciences. However, the Department of Humanities & Social Sciences of IIT Madras offers HS4860: Mathematics in India and HS4850: Astronomy in India. Both these courses are about Ancient Indian Systems	Not Applicable	Not Applicable
4	IIT Kanpur	No such courses are being run	Not Applicable	
5	IIT Delhi	No such courses are available	Not Applicable	Not applicable

6	IIT Guwahati	Not Applicable	Not Applicable	Not Applicable
7	IIT Roorkee	No course on VM and AIAS is imparted	Not Applicable	Not Applicable
8	IIT (BHU) Varanasi	No such courses are being run	Not Applicable	Not applicable
9	IIT (ISM) Dhanbad	No such courses are being offered	Not Applicable	Not Applicable
10	IIT Gandhinagar	IIT Gandhinagar does not run any such course	Not applicable	Not applicable
11	IIT Bhubaneswar	No such courses are being run	Not Applicabale	Not applicable
12	IIT Hyderabad	No such courses are being run	Not applicable	Not applicable
13	IIT Jodhpur	Nil	Nil	
14	IIT Ropar	No such courses are being run at IIT Ropar	Not Applicable	Not Applicable
15	IIT Patna			
16	IIT Indore	NIL	NIL	NIL
17	IIT Mandi	IK 593_1 Selected Topics in Indian Astronomy and Mathematics (3 credits)	his course was instructed by visiting faculty member Dr.Venketeswara Pai R., and total 15 number of students were enrolled in it.	Not Applicable
18	IIT Palakkad	Not Applicable	Not Applicable	Not Applicable
19	IIT Tirupati	Not Applicable	Not Applicable	Not Applicable
20	IIT Jammu	NIL	NIL	NIL
21	IIT Bhilai	NIL	NIL	NIL
22	IIT Goa	NIL	NIL	Not Applicable
23	IIT Dharwad	No such course are being run	Not applicable	Not applicable

RAJYA SABHA
UNSTARRED QUESTION
DATED-24.07.2024

New Higher Education institutions

211 Shri Sanjay Seth:

Will the Minister of **Education** be pleased to state:

(a) the data on the number of new higher education institutions established in the last five years and their contribution to enrollment growth;

(b) the information on partnerships with international Universities and institutions to enhance the quality and accessibility of higher education in the country; and

(c) the impact of increased higher education enrollment on the quality of education and employment outcomes, supported by relevant statistics?

S.No.	Name of the IITs	the information on partnerships with international Universities and instituttions to enhance the qality and accessibility of higher education in the country; and	the impact of increased higher education enrollment on the quality of education and employment outcomes, supported by relevant statistics

In the academic year 2022-2023, 1104 internships were offered to IIT Bombay students. For students in their pre-final year, pre-placement offers can be given at the end of their internship period. In the year 2022-2023, 300 offers were received, with 194 accepted by students.
The placement cell also aids with job placement. In the academic year 2022-2023, 2174 students registered with the placement cell, with 1845 students actively engaging with it. Out of these, 1788 job placement offers were received, with 1516 offers accepted. This represents the highest number of placements ever. During that period, there was a 5.6% increase in student registrations for placement. Overall, IIT Bombay achieved a placement percentage of 82.16% in the academic year 2022-2023.
Additionally, 65 of these offers were from international companies based in the USA, Japan, United Kingdom, the Netherlands, Hong Kong, and Taiwan. |

| 3 | **IIT Madras** | IIT Madras collaborates with foreign institutions and signs MoUs and agreements to facilitate partnerships, student exchanges, and joint degree programs at the master's and PhD levels.

Please find the details below:
1. MoUs signed with 100 institutions,
2. Student exchange agreements with 212 institutions
3. Joint Masters program with 4 institutions
4. Joint supervision program with 8 institutions
5. Joint doctoral program with 20 institutions

67.   VSB - Technical University of Ostrava, Czech Republic | IIT Roorkee has proactively addressed the challenges of increased higher education enrollment by continuously enhancing the quality of education and employment outcomes. In the academic year 2022-2023, IIT Roorkee's placement cell successfully facilitated around 2000 Placements and Internship offers. The institute has also introduced programs like B.Tech. and M.Tech. in Data Science and Artificial Intelligence to keep pace with industry trends. This approach ensures that our students are well-prepared for higher studies and industry roles, maintaining high education standards and securing impressive employment opportunities. |

| 8 | IIT (BHU) Varanasi | The list of Mou'S in the field of Academic and Research cooperation and student exchange is as under:
1. Graduate School of Life Science and Systems Engineering, Kyushu Institute of Technology, Kitakyushu, Japan
2. Univesiti Malaysia Pahang, Malaysia
3. Nagoya Institute of Technology, Japan
4. Vrije Universiteit Amsterdam, Netherlands
5. University of Genoa, Genoa, Italy
6. Stiftung Universitat Hildesheim, Germany
7. University at Buffalo, New York
8. University of Porto, Purtugal
9. The Ecole Normale Superieure De Lyon (ENSL), France
10. Consortium of Finnish Universities, Finland
11. Raytheon Intelligence and Space Company, USA
12. University of West Bohemia (UWB), Europe
13. National Cheng Kung University, Taiwan
14. National Institute of Material Science, Japan
15. Nigata University, Japan
16. University of Siegen, Germany
17. University at Buffalo (UB), The State University of New York, IIT-Delhi, IIT-Kanpur, IIT-Bombay, IIT-Jodhpur, Ashoka University, Sonipat
18. Umbrella MoU- French Network of Engineering Schools members of the Federation Gay Lussac
19. Virginia Commonwealth University, Virginia
20. University of Electro-Communications, Japan
21. University of Buffalo (UB) The State University of New York
22. Deutscher Akademischer Austauschdienst German Academic Exchange Service (DAAD)
23. Australian and the Indian Partners in the Australia India Water Centre
24. Faculty of Engineering, Niigata University, Japan
25. University of Hildesheim, Germany | The Training and Placement Cell, IIT (BHU) is having 1499 registered students for the placement in the academic year 2023-24 out of which 1288 students got offers with highest CTC of 1.68Cr. |

| 9 | IIT (ISM) Dhanbad | We have Mou'S in the field of Academic and Research cooperation and student exchange as well the details of the same are given below:
1 University of Tunis & National High Engineering School of Tunis (ENSIT)(Tunis)
2 Josip Juraj Strossmayer University of Osijek Mechanical Engineering Faculty in Slavonski Brod Crotia)
3 Institute of Geonics (Czech Republic)
4 Jashore University of Science and Technology, Jashore (Bangladesh)
5 Ecole Centrale de Nantes,(France)
6 University of Sydney (UTS) , (Sydney)
7 UiT The Arctic University of (Norway)
8 The Australasian Institute of Mining Metallurgy (AusIMM) (Australia)
9 National United University Miaoli, (Taiwan)
10 Boise State University (USA)
11 Kazimierz Pulaski University of Technology and Humanities in Radom, (Poland)
12 The AGH University of Science and Technology, Krakow (Poland)
13 Consortium of Finnish Universities (Finland)
14 Indo-French Network (23 Universities are members) (France)
15 Curtin University, Perth, Western Australia (renew) for Collaborative Doctoral Program (Curtin, Australia)
16 University of Slavonski Brod (Crotia)
17 Curtin University, Perth, Western Australia for Academic & Research Collaboration (Curtin, Australia)

IIT Palakkad aims to become a multi-disciplinary institution with 5000 students by its 10th year. The Institute recognises collective growth, in collaboration with industry and other academic institutions, as the need of the time and emphasises blue-sky research and directed research as two essential pillars of technology development. The Institute embraces a vision to be a leader in cross-disciplinary inquiries, and to contribute to the potential that India's demographic dividend represents for the country and the world, which is embodied in the motto of the institute "Nurturing minds for a better world". In the academic year 2020-21, a total of 110 companies participated in the campus recruitment program across various sectors, resulting in 120 offers being made and there were four international offers from Marimba Auto. In the 2021-22 batch placement, 211 companies participated in the campus recruitment program, resulting in 207 offers for the academic year 2021-22. Moving to the season of 2022-23, IIT Palakkad witnessed strong participation from 158 companies in the recruitment program, offering 213 profiles across various sectors. The season concluded with 206 offers being made for the academic year 2022-23. Additionally, a significant number of our graduates have opted to pursue higher studies at prestigious institutions such as the University of California, University of Minnesota, Georgia Institute of Technology, Columbia University, various IITs, and IIMs. These achievements highlight the skills developed through our quality curriculum. International companies such as Accenture Japan and Webstaff also participated in this successful placement season.
19	IIT Tirupati	1. Dalhousie University, Canada 2. University of Agder, Norway 3. DAAD (Germany) for KOSPIE MTech student exchange program 4. DAAD (Germany) for Bi-lateral faculty exchange 5. Collaboration with 20 French Engineering Schools of FGL 6. Heritage Network	IIT Tirupati started in the year 2015 with 103 B.Tech students . IIT Tirupati has a student strenth of 1530 as on date over 05 disciplines such as B.TEch, M.Tech, M.sc, M.PP & MS/Ph.D. programs started between 2015-16 to 2023-23. Over the last 08 years the student's strength has increased to more than 1530 across 09 departments under various streams/programs which is an indicator of gradual students enrolment. IIT Tirupati has also introduced B.Tech in Engineering physics in the Academic Year 2024-25 and curricula are designed in line with NEP with early exit options. IIT Tirupati continues to attract high quality students and faculty, and receives necessary support from the government for providing high quality education

20	IIT Jammu	"Taiwan (1) National Chung Cheng University, Norway (2) University of Bergen US (3) The University of Alabama Canada (4) University of Saskatchewan Taiwan (5) Chanh Gung University Italy (6) Dept of Mech Engg University of Genova Germany (7) TU9 German Universities of Technology Norway (8)Norwegian University of Science and Technology France(9) Bordeaux Institute of Technology Germany (10) Freiberg University of Mining and Technology Germany (11) German Academic Exchange Service (Deutscher Akademischer Austauschdienst) Norway (12) UiT The Arctic University Norway USA (13)Shraman Foundation	Academic and research collaboration, Coorporation and Mutual research collaboration, Promotion and development of research collaboration, Exchange and internship of student/faculty and satff, Student internship and dual degree program, Exchange of matereial, publication and information
21	IIT Bhilai	1National Chin -Yi University, Taiwan 2Wonkwang University, Korea 3M I Platov South-Russian State Polytechnic University (SRSPU) 4Chemnitz University of Technology	IIT Bhilai in its aspiration to develop international linkages with instiutes/ universities of repute to provide international exposure not only to its students, but also to the faculty members. Institutes in its shortest span of time has engaged in collaborative research activities as well as student exchange, faculty exchange etc
22	IIT Goa	We have MoUs with the following academic, corporate and public institutions in France for faculty and student exchanges for internships and joint research projects: 1. Ecole Navale 2. ENSTA Bretagne 3. Universite Bretagne de Occidentale (UBO) 4. National Engineering School of Brest (ENIB) 5. Campus Mondial de la Mer 6. NAVAL Group 7. French Naval Hydrographic Survey (SHOM) 8. France Energy Marines 9. Pole Mer Bretagne Atlantique (PMBA) We will soon launch a "Double Degree" Master program with ENIB.	The increased higher education enrollment has not had any detrimental impact on the quality of education and outcomes. IIT Goa continues to attract high quality students and faculty, and receives necessary support from the government for providing high quality education. Our student placement record has been over 95% since the first graduating batch (graduated in 2020) itself. The only major challenge with respect to student enrollment is our inability to increase student strength due to non-availability of land for permanent caampus.
23	IIT Dharwad	1.Consortium of Finnish Universities, Finland 2.National Cheng Kung University, Taiwan, Dept of EE 3.The University of New Brunswick, Canada 4.University of Saskatchewan, Canada 5.TU9 German Universities of Technology e. V. 6.Carleton University, Canada 7.ETS, Canada 8.ROMA, TRE, Rome, Italy 9.Centre national de la recherche scientifique (CNRS), France	IIT Dharwad follows to the standards of an ideal teacher-student ratio and, therefore, has not experienced any unfavorable impact on the quality of education.

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Admitted Rajya Sabha Unstarred Question No. 196 to be answered on 24/07/2024 regarding " Retraction of Research Papers by IITs".** The text of the Question reads as under :

(a) whether Indian Institutes of Technology at many places in the country had to retract several research papers in the last few years;
(b) If so the reasons thereof
(c) whether this action on the part of IITs had affected the scientific reputation of the country;
(d) if so, the corrective measures being taken in this regard;and
(e) whether any advisory has been issued to the authors of the research papers;

2.   It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in **Google-Sheet**) by **today (03:00 PM)**, positively.

Retraction of research papers by IITs

196 Shri A. D. Singh:

Will the Minister of *Education* be pleased to state:

(a) whether Indian Institutes of Technology at many places in the country had to retract several research papers in the last few years;

(b) if so, the reasons therefor;

(c) whether this action on the part of IITs had affected the scientific reputation of the country;

(d) if so, the corrective measures being taken in this regard; and

(e) whether any advisory has been issued to the authors of the research papers?

RAJYA SABHA UNSTARRED QUESTION NO. 196 ANSWERED ON-24/07/2024 regarding "Retraction of research papers by IITs"

Sl.	Name of the IITs	Total publications that can be attributed to your institute in the last three years (2021-2024)	No. of retractions (of these publications) in the last three years, which can be attributed to your institute (2021-2024)	Reasons alongwith respective numbers of these retractions (as mentioned in Column 'D')	No of retractions happened due to unacceptable reasons like plagiarism/ other unfair practices etc., (Please clarify whether the students/faculty responsible for retraction was with your institute at the time of submission or not).	In case of retractions due to plagiarism/ other unfair practices etc., whether any advisory has been issued to the authors of the research papers
1	IIT Kharagpur	12750	No reported case from IIT Kharagpur	NA	NA	NA
2	IIT Bombay	10140	No retractions of research papers since last 3 years.	NA	NA	NA
3	IIT Madras	9922	Not Applicable (as per scopus database during 2021-24, no papers retracted attributable to IIT Madras. The papers flagged by the database pertain to wrongful use of IIT Madras affiliation)	NA	NA	NA
4	IIT Kanpur	4171	NIL	NA	NA	NA
5	IIT Delhi	14023	4	Multiple reasons	NA	NA
6	IIT Guwahati	9781	There is no record of retracted papers.	NA	NA	NA
7	IIT Roorkee	10589	1	Overlap between a conference publication and a journal publication by the same author.	Not Applicable	Not Applicable
8	IIT (BHU) Varanasi	5191	Not Applicable (as per scopus database during 2021-24, No papers retracted)	Not Applicable	Not Applicable	Not Applicable
9	IIT (ISM) Dhanbad	4119	2	1: Verification of finding; 2: Editor did not agree to the proposed model.	Not Applicable	Not Applicable
10	IIT Gandhinagar	2479	Nil	Not Applicable	Not Applicable	Not Applicable
11	IIT Bhubaneswar	2001	3	Lack of approval from third party, plagiarism of data, copy right claims	2 (Yes, Both publications were from one faculty)	The concerned faculty was called and made cautioned and warned about the same. Advisory was given to him to perform research with greater diligence and avoid similar incidences in future.
12	IIT Hyderabad	4090	Nil	Not Applicable	Not Applicable	Not Applicable
13	IIT Jodhpur	2713	None	Not Applicable	Not Applicable	Not Applicable
14	IIT Ropar	3076	None	Not Applicable	Not Applicable	Not Applicable
15	IIT Patna	3330	None	Not Applicable	Not Applicable	Not Applicable

16	IIT Indore	4029	1	One case of retraction of a Research paper in 2023 is reported. Incomplete acknowledgment about the contribution of the fellow Researcher in the part of the research work.	Not Applicable	Not Applicable
17	IIT Mandi	2331	3	Data misrepresentation	3 (Only one paper where the student responsible was affiliated to IIT Mandi. In another case, the student was from another organisation and in yet another case, IIT Mandi faculty's name was included without consent)	Thorough investigation was conducted by committees consisting of senior academics and necessary steps were taken, including advisories to the concerned.

Subject: Rajya Sabha Starred Question No. 94 for 31.07.2024 regarding Professor of Practice.

<u>URGENT</u>
<u>PARLIAMENT STARRED QUESTION</u>

Sir/Madam,

Please refer to admitted Starred Rajya Sabha Q.No. 94 for 31.07.2024 asked by Dr. John Brittas regarding "Professor of Practice" in higher educational institutes, text of the question is as given below:-

(a) whether reservation policy is applicable for engagements as "Professors of Practice" in the higher educational institutions recently introduced by UGC as per National Education Policy 2020;
(b) if not, the reasons therefor;
(c) the number of persons belonging to SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged in various higher educational institutions; and
(d) the State-wise details thereof?

2. In this connection,It is requested to furnish available inputs in respect of the above question **along with material for Note for Supplementary and likely questions by 26.07.2024 positively** for preparing the reply.

With regards,
U-II Section,
Department of Higher Education,
MHRD, Shastri Bhawan,
New Delhi.

"Professors of Practice" in higher educational institutions
94 Dr. John Brittas:
Will the Minister of Education be pleased to state:

11

11

(a) whether reservation policy is applicable for engagements as "Professors of Practice" in the higher educational institutions recently introduced by UGC as per National Education Policy 2020;
(b) if not, the reasons therefor;
(c) the number of persons belonging to SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged in various higher educational institutions; and
(d) the State-wise details thereof?

RSSQ No. 94 for 31.07.2024.png
90K

		(a)	(b)		(c)				Remarks
Rajya Sabha Starred Question No. 94 for 31.07.2024 **Regarding ""Professors of Practice" in higher educational institutions"**									
Sl.	Name of the IITs	Whether reservation policy is applicable for engagements as "Professors of Practice" in your institute recently introduced	if not, the reasons therefor;	If the institute is not following UGC guidelines as mentioned in Col (a), please mention the guidelines being followed alongwith reservation norms,if any.	the number of persons belonging to GEN, SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged				Remarks
					GEN	SC	ST	OBC	
1	IIT Kharagpur	Without any compromise on qualification, experience & competence , reservation is applicable as per GoI norms.	not applicable	not applicable	0	0	0	0	
2	IIT Bombay	No	The Professor of Practice positions are not regular faculty positions. The hiring of a 'professor of practice' will not fill any of the sanctioned posts of the institutions. The scheme will not affect the number of sanctioned posts or the recruitment of regular faculty members. The National Education Policy 2020 recommends to transform higher education by focusing on skill- based education to meet needs of the industry and the economy. Further, the NEP also recommends integrating vocational education with general education and strengthening industry-academia collaboration in HEIs. The UGC has taken an initiative to bring the industry and other professional expertise into the academic institutions through the positions called "Professor of Practice". This will help to take real world practices and experiences into the class rooms and also augment the faculty resources in higher education institutions. In turn, the industry and society will benefit from trained graduates equipped with the relevant skills.	-	-	-	-	-	-
3	IIT Madras	No	Appointments are in line with the guidelines of MoE. As of date, IIT Madras has appointed 34 Professor of Practice (PoP) as per the requirement of domain expertise. However, the PoP does not occupy a sanctioned post of a Professor in IIT Madras. Professor of Practice are not part of teaching cadre as it is not mandatory for them to have Ph.D. qualification. The selection was purely based on the expertise required to strengthen Academia-Industry resources in the area of research.	Not applicable, in view of the reply given in column (a) & (b)	34	-	-	-	Category not known; hence it is shown against GE category.
4	IIT Kanpur	Regarding Professor of Practice at IIT Kanpur, we follow our Board approved norms which are in line with MoE guidelines and these are not regular positions. These are contractual positions for a limited period. Currently only 2 such contractual appointments as Professor of Practice have been made and reservation policy is not applied.	As stated in response to (a), appointments of Professor of Practice (PoP) at IIT Kanpur are in line with MoE guidelines. As of date, IIT Kanpur has appointed 02 Professor of Practice (PoP) as per the requirement of domain expertise. However, the PoPs do not occupy the sanctioned posts of regular faculty in IIT Kanpur as they are appointed on contract basis for a limited period.	Not applicable, in view of the reply given in column (a) & (b)	2	-	-	-	
5	IIT Delhi	The institute is in the process of formulating reservation policy in the recruitment of Professor of Practice.	Not applicable	-	9	1	0	0	The data provided is as on 30.06.2024.

Rajya Sabha **Starred** Question No. 94 for 31.07.2024
Regarding ""Professors of Practice" in higher educational institutions"

Sl.	Name of the IITs	(a) Whether reservation policy is applicable for engagements as "Professors of Practice" in your institute recently introduced	(b) if not, the reasons therefor;	If the institute is not following UGC guidelines as mentioned in Col (a), please mention the guidelines being followed alongwith reservation norms, if any.	(c) the number of persons belonging to GEN, SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged				Remarks
					GEN	SC	ST	OBC	
6	IIT Guwahati	No	At IIT Guwahati, the position of Professor of Practice is not a regular faculty position, unlike other regular faculty positions (Assistant Professors/Associate Professors/ Professors). Hence it does not change or affect the number of sanctioned positions for faculty members. The position of Professor of Practice was instituted for facilitating a strong and robust collaboration between the institute and industry or civil society, established with an aim to bring external perspective to regular teaching; in order to make classes more interesting and to further enrich existing knowledge of faculty members. This is in complete resonance with the National Education Policy aimed towards skill-based education. The domain knowledge of an expert nominated and selected for this position, is expected to add significant value to the academic division to which he/she is affiliated. As of today, a total of nine (9) offers have so far been made from IIT Guwahati, for Professor of Practice, across different disciplines. They have a minimum of 10 years of experience in their service area and showcase exceptional service/innovation in leading Industries or in civil society.	Not applicable, in view of the reply given in column (a) & (b).					Till date 9 offers for the Professor of Practice was made. In the entire process of nomination, selection and joining of Professors of Practice, we have not collected the caste/category of the person, as it was thought to be redundant to the position. This is not a regular position of the institution, rather it is a short-term honorary position, that does not come with any regular salary.
7	IIT Roorkee	No	Professors of Practice (PoP) are taken by the Institute mainly from Industries based on their expertise in specified areas. The PoP is a temporary position and contractual in nature. These are not counted towards the sanctioned posts of faculty. No UGC rules are applicable to these.	The institute follows guidelines duly approved by the Board of Governors.	12	-	-	-	
8	IIT (BHU) Varanasi	No	IIT(BHU) does not have the provisions for "Professors of Practice" as on date.	Not Applicable	0	0	0	0	-
9	IIT (ISM) Dhanbad	No	Professor of Practice (PoP) is a contractual position. As on date only one PoP is engaged at IIT (ISM), Dhanbad	-	1	0	0	0	
10	IIT Gandhinagar	IIT Gandhinagar is not governed by UGC	NA	IIT Gandhinagar follows the reservation guidelines issued by MoE	5	0	0	0	-
11	IIT Bhubaneswar	NO	ctice is not a Permanent /Regular position. This position is similar to Adjunct F	Not applicable in view of reply given in (a) and (b)	1	0	0	0	
12	IIT Hyderabad	No at IITH	As they are bringing industrial expertise and there are very few available	BoG approved guidelines being followed	Nil	Nil	Nil	Nil	
13	IIT Jodhpur	No	Professor of Practice is temporary position and contractual in nature for one year. Therefore, there is no reservation policy in place.	BoG approved guidelines being followed	3	-	-	-	
14	IIT Ropar	No	Professor of Practice are not counted towards the sanctioned strength	Not applicable in view of reply given in (a) and (b)	3	0	0	0	
15	IIT Patna	PoP positions are not against sanctioned strength (for regular faculty positions) as per norms approved by the Council of IITs. However, we try to maintain a representation from various categories.	No	Guideline framing is under progress	0	0	0	0	
16	IIT Indore	No	PoP positions are not counted towards the sanctioned strength of regular faculty	BoG approved guidelines being followed	0	0	0	0	

Rajya Sabha **Starred** Question No. 94 for 31.07.2024
Regarding ""Professors of Practice" in higher educational institutions"

Sl.	Name of the IITs	(a) Whether reservation policy is applicable for engagements as "Professors of Practice" in your institute recently introduced	(b) if not, the reasons therefor;	If the institute is not following UGC guidelines as mentioned in Col (a), please mention the guidelines being followed alongwith reservation norms,if any.	(c) the number of persons belonging to GEN, SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged GEN	SC	ST	OBC	Remarks
17	IIT Mandi	PoP is temporary position, therefore proper reservation policy is not in place however, Institute is putting efforts to ensure representation from various categories	No, considering the temporary nature of the position	BoG has approved the guidelines and the same are being followed	4	0	0	0	
18	IIT Palakkad	No	PoP postions are not counted towards sanctioned strength of regualr faculty	The instute follows guidelines duly approved by its BoG. These guidelines are dervied from the recommendations of 54th IIT Council on the subject.	0	0	0	0	
19	IIT Tirupati	At IIT Tirupati, the reservation policy is not being applied to Professor of Practice	Professor of Practice being practised at IIT Tirupati are not full They are expected to visit at least six times a year and particip They are very senior persons from Industry and Government, They are not paid regular salary and provided an honorarium	IIT Tirupati is following the BoG approved	3	0	0	0	
20	IIT Jammu	No	PoP postions are not counted towards sanctioned strength of regualr faculty	BoG has approved the guidelines and the same are being followed	1	0	0	0	
21	IIT Bhilai	NA	No such position exists as on date. Is being contemplated.	Policy is still to be approved.	0	0	0	0	
22	IIT Goa	IIT Goa has only one Professor of Practice. PoP positions are very limited and not against sanctioned strength (for regular faculty positions) as per norms approved by the Council of IITs. However, we try to maintain a representation from various categories.	No	BoG of IIT Goa has approved the guidelines of the Council of IITs as stated in item 54.10 of the 54th Meeting of the Council of IITs.	1	0	0	0	
23	IIT Dharwad	PoP is temporary position, therefore reservation policy is not in place.	PoP postions are not counted towards sanctioned strength of regualr faculty	BoG has approved the guidelines and the same are being followed.	2	0	0	0

PARLIAMENT MATTER
MOST URGENT

Respected Sir,

Greetings!

I am directed to attach and forward a copy of **Admitted Rajya Sabha Unstarred Question No. 1064 to be answered on 31/07/2024 regarding " Expanding Access to IIT Education".** The text of the Question reads as under :

(a) the specific criteria and eligibility norms for students from Tier-2 and Tier-3 colleges in Andhra Pradesh to opt for minor specialization, diploma, degree programs through IITs;
(b) whether there will be dedicated quotas or reservation policies for students from AndhraPradesh to ensure equitable access to these collaborative programs offered by IITs; and
(c) how Government and NSDC will address potential infrastructure and technological limitations in Tier-2 and Tier-3 colleges in Andhra Pradesh to ensure that students can effectively participate in online IIT courses?

2. It is requested that types of "**hand holding being provided by the institute to Tier-2 and Tier-3 Colleges" may kindly be provide in detail** and **the same** may kindly be furnished in Word format by **today (03:00 PM),** positively.

3. This may kindly be treated as **Most Urgent.**

Subject: Admitted Rajya Sabha Unstarred Question No. 1064 to be answered on 31/07/2024 regarding " Expanding Access to IIT Education" asked by Hon'ble Member of Shri Ayodhya Rami Reddy Alla-reg

Dear Sir

In reference to the subject cited above, the reply of Rajya Sabha Unstarred Question No. 1064 is as under:

(a) *the specific criteria and eligibility norms for students from Tier-2 and Tier-3 colleges in Andhra Pradesh to opt for minor specialization, diploma, degree programs through IITs;*
Reply: The IIT Dharwad, like other IITs, takes its intake through All India level exams such as JEE, GATE, etc. There are no special privileges or different criteria/eligibility norms for students from specific colleges or specific states, including Andhra Pradesh.

(b) whether there will be dedicated quotas or reservation policies for students from Andhra*Pradesh to ensure equitable access to these collaborative programs offered by IITs; and*
Reply: There is no special quota or reservation for students from any particular state, including Andhra Pradesh.

(c) how Government and NSDC will address potential infrastructure and technological limitations in Tier-2 and Tier-3 colleges in Andhra Pradesh to ensure that students can effectively participate in online IIT courses?
Reply: Not related to IIT Dharwad.

Thanking you and with warm regards…

Yours Sincerely

Respected Sir \ Madam,

In reference to this Division's appended email, it is informed that the said Question has been admitted as Rajya Sabha Unstarred Question No.981 to be replied on 31.07.2024. The text of the Question is reproduced as under:

Linking Educational Institutions with Research Institutions

981 Shri Sujeet Kumar:
Will the Minister of *Education* be pleased to state:
(a) whether the Institute has taken any steps to link educational institutions with industry and research institutions;
(b) if so, the details thereof and outline the steps taken by Institute in this regard; and
(c) if not, the reasons therefor?

All the Bureaus in the Department of Higher Education are requested to kindly provide point-wise reply for the aforesaid RSUQ No.981 **by 26.07.2024 (Friday) afternoon.**

AICTE and UGC Divisions are also requested to kindly furnish their point-wise inputs along-with specific inputs on internship portal, **by 26.07.2024 (Friday) afternoon.**

Further, TEL Division is also requested to provide their point-wise inputs along-with specific inputs on apprenticeship programmes, **by 26.07.2024 (Friday) afternoon.**

"Please acknowledge receipt and reply in-line"

Thanks & Regards,
Veena Dunga, Deputy Secretary (NITs)

Respected Sir \ Madam,

All the Bureaus in the Department of Higher Education are requested to kindly provide point-wise reply for the Provisionally Admitted Question Dy.No.U1910 to be replied on 31.07.2024. The text of the Question is as under:-

(a) Whether the Institute has taken any steps to link with the industry and research institutions;

(b) If so, provide the detail thereof and outline the steps taken by the Institute in this regard;

(c) If not, state the reasons for not undertaking such initiatives?

AICTE and UGC Divisions are also requested to kindly furnish their point-wise inputs alongwith specific inputs on internship portal.

Further, TEL Division is also requested to provide their point-wise inputs alongwith specific inputs on apprenticeship programmes.
"Please acknowledge receipt and reply in-line"

Thanks & Regards,

Veena Dunga, Deputy Secretary (NITs)

Sl. No.	Name of the IITs	(a) whether the Institute has taken any steps to link educational institutions with industry and research institutions;	(b) if so, the details thereof and outline the steps taken by Institute in this regard; and	(c) if not, the reasons therefor?

| 1 | **IIT Kharagpur** | Yes | Research & Development activities of IIT Kharagpur in collaboration with the Industries are as follows :
 1. Steps taken by the Institute for linking educational institutions with industry : <br> a) Investigation of industry supported research projects and industrial consultancy projects. At any time more than 1200 such projects are running at IIT Kharagpur.
 b) Signing Joint MoU and MoA with the industries and research institutions.
 c) Filing joint Intellectual properties with the industries.
 d) Setting up centre of excellence for collaborative work with the industries. Some of those are as follows: Defence Research and Development Organization (DRDO) industry-academia collaboration, Centre of Industrial Safety and Analytics, DHI Centre of Advanced Manufacturing Technology, Industrial Robotics etc.
 e) Participating in the National Mission Programmes in collaboration with industries (like Quantum Mission, Textile Mission, Supercomputer Mission, Semiconductor Mission etc.).
 f) The Ministry of Education, Government of India, has been financially supporting various flagship programmes to foster collaboration between academic institutions and external stakeholders, such as industry partners, government agencies, and non-profit organizations. IIT Kharagpur has been playing a key role in the successful dissemination of a plethora of such national-level mission-driven research initiatives. IIT Kharagpur has been actively involved in investigating the projects of all those schemes and is the National Coordinating Institution for three of the schemes, SPARC, GIAN and NDLI. Industries either participate directly or industrial professionals are getting benefitted through these programmes.
 g) The Sophisticated Analytical Technical Help Institute (SATHI) Center is being developed at IIT Kharagpur. SATHI, an initiative of the Department of Science and Technology, is a unique National Facility for promoting cutting-edge research aimed at catering to the needs of Industries (particularly the MSMEs), startups, R&D laboratories and Academia.
 h) IIT Kgp collaborates with a large number of Indian and International industries. Some of the international and national industries which provide high research funding to IIT Kharagpur are listed below: Intel, Cisco Research, Qualcomm, General Electric Company (GE), Google, SAMSUNG, Synopsys, Flipcart, CEAT, TCS, Chatterjee Group, ERICSSON, Eastern Coalfields Ltd., Tata Steel, JINDAL GROUP, LARSON & TOUBRO, GRSE, National Highways Authority of India, Reliance Industries Ltd., Educare International Foundation, SAIL, HAL, Uranium Corporation of India Ltd. Etc.
 i) IIT Kharagpur has a joint MoU with the Confederation of Indian Industry (CII) under which eminent industrial experts visit the institute to deliver guest lectures and industrial delegations visit the institute for collaborative activities.

 2. Organized several training programme for Industry associates :

 a) PROJECT SAKSHAM - LEADERSHIP COMPETENCIES FOR MID CAREER OFFICERS OF IOCL <br> b) Training Program for ESIC Officers – Multiple batches <br> c) Training of ULB Engineers on Road Safety and Road Engineering – Several batches <br> d) Railway RAMS for RITES <br> e) Management Development Prorgarmme on Fintech Applications of AI and ML in Finance for the Officers of Government of Odisha <br> f) Certificate Course on Logistics and Process Safety Engineering LPSE for the Officials of Adani Group <br> g) Advanced E-SDP of MSME Training Program on Precision Agriculture and Protected Cultivation <br> h) Robotics Training for Tata Metaliks Professionals <br> i) Electrical and Electronics Training for Avionics <br> j) Certificate course in Data Visualization and Analytics for Officers of HPCL <br> k) Certificate Course on Reliability Engineering for DIQA Officers <br> l) Electronic Packaging for Strategic Systems - Bharat Electronics

 In most of the cases, the Industry personnel have approached our Institute or the concerned faculty showing interest in having a training programme for their staff members. Depending on the requirement of the organization a tailor made course is designed by the faculty members of our Institute and after multiple iterations it is finalized upon the consent of both the parties. Once it is finalized the concerned faculty gets an in principle approval of the course from the competent authority and then it is further processed for applicants to register and undergo the training. Provisions are kept for both online and offline training for the programs. In future our Institute is planning to host more programs of this sort and continue with this endeavor. | Not Applicable |

| 2 | **IIT Bombay** | Yes | IIT Bombay has taken multiple steps to engage with industry and other research institutions, such as:

a. Carrying out industry relevant R&D
b. Consultancy and advisory role to upgrade industry's domain expertise
c. Transfer of IITB technology to industries for deployment and commercialization
d. Conducting executive training programs for skill enhancement of industry personnel
e. IITB-Research Park Foundation has been instrumental in bringing industries closer to IITB. This has greatly enhanced industry relevant research
f. Various Centres of Excellence provide industry internship to students – helping industry recruit trained manpower for cutting edge technologies like semiconductors etc.
g. IITB's TBI- SINE has provided fertile grounds to produce successful start-ups.
h. eMBA program (in collaboration with Washington University) has been running successfully to enhance skills of top industry leaders in enterprise leadership
i. Joint PhD program (IITB Monash Research Academy) with Monash University | Not Applicable |
| 3 | **IIT Madras** | Yes | 1. IIT Madras undertakes Sponsored and Consultancy research activities and provides manpower training to industry/ other research institutions like ISRO, IGCAR etc.

2. Provides technnology development and its transfer to industries to enhance its capabilities.

3.Conducts Academia Industry Meeting periodically to have an increased research interactions and collaborations. | - |

| 4 | IIT Kanpur | | IIT Kanpur has undertaken several initiatives to link educational institutes with industry and research institutes. Specific steps include:
Establishment of Research Facilities to Promote Collaboration:
• SIIC (Startup Incubation and Innovation Centre): Provides infrastructure, mentorship, and funding support to startups and entrepreneurs. To date, 1,080 IPRs have been filed, with 727 granted and 143 technologies licensed for commercialization. A total of 203 companies are currently incubated, and 182 have graduated.
• National Centre for Flexible Electronics: Focuses on R&D in flexible electronics, partnering with various industries and academic institutions. In 2023-24, 14 patents were filed, and 7 NDAs were signed with industry partners.
• C3i Hub: Addresses cybersecurity for cyber-physical systems by analyzing vulnerabilities, developing tools, supporting startups, and partnering with industries. Last year, it funded 17 new R&D projects and 10 startups, trained over 10,000 individuals, and commercialized over half of its startups' products.
• Technopark: Promotes collaboration between industry, IITK, and government to provide cutting-edge, cost-effective technologies. It currently has 28 member companies.
• Centres of Excellence (COEs): Established COEs such as COE-DIA (DRDO Industry Academia), COE-UAV (Unmanned Aerial Vehicle), COE-CDIS (Centre for Developing Intelligent Systems), and COE-ATMAN (Advanced Technologies for Monitoring Air-quality iNdicators) to harness the strengths of academia, students, researchers, and niche technology industries, promoting research and innovation in specific technology domains.
Strong Industry Collaboration:
• Faculty members undertake research projects funded by industries, leading to practical applications and technological advancements.
• In 2023-24, IIT Kanpur executed around 143 MoUs with various national and international universities, research institutes, and industries to facilitate joint research and collaborative projects.
Academic-Industry Interface Programs:
• eMasters Degree Program: Offers eMasters degrees for industry professionals keen to expand their horizons and lead innovation in their fields. Around 15 courses are offered in domains such as cybersecurity, data science, artificial intelligence, machine learning, economics and finance, and next-generation wireless technologies.
• Student Placement Office: Facilitates internships and job placements by partnering with leading companies and organizations.
• Centre for Continuing Education: Organizes events and workshops that bring together industry experts, researchers, and students to discuss current trends and future directions in various fields. In 2023-24 academic year, the institute organized around 118 short-term courses, workshops, and conferences.
• Virtual labs and National Program on Technology Enhanced learning (NPTEL): Virtual Labs project, funded by the Ministry of Education, has seen significant engagement with over 6.33 million users and 12 million page views in 2023-24. IIT Kanpur alone contributed 375,000 users and 871,000 page views. Through platforms like NPTEL, IIT Kanpur offers a variety of online courses accessible to various stake holders across the country, promoting widespread access to high-quality education. In the recently completed semester (January-April,2024), around 82 courses of which 18 were new. There are close to 6496+ local chapters today with identified expert faculty members of these institutions serving as local mentors for the students enrolled in NPTEL courses
In addition to this IIT Kanpur also on boards personnel's from industry with rich experience as Professor of Practice.
These steps demonstrate IIT Kanpur's commitment to fostering a strong connection between academia, industry, and research institutions, promoting innovation, and contributing to the socio-economic development of the country. | Not Applicable |
| | | Yes, IIT Kanpur has taken several steps to link our institute with industry and research institutes. | | |

| 5 | IIT Delhi | Yes, IIT Delhi has signed many MoUs with Industry and Research Institutes | **MoUs with Industry and Research Institutes**
1.   DRDO Industry Academia Centre of Excellence (CoE)
2.   Arun Duggal COE for Research on Clean Air (CERCA) (CoE)
3.   Wipro Limited (CoE)
4.   Yardi Software India Private Limited (CoE)
5.   NOKIA Solutions and Networks India Pvt. Ltd. (CoE)
6.   Daksh Society, Bengaluru (COE)

13.   TATA Steel Limited
14.   Troop Comforts Limited
15.   RITES Private Limited
16.   Ministry of Micro, Small and Medium Enterprises (MSME)
17.   Central Electricity Authority (CEA)
18.   Tehri Hydro Development Corporation India Limited (THDCIL)
19.   Bharat Petroleum Corporation Limited (BPCL)
20.   All India Institute of Ayurveda (AIIA), New Delhi
21.   Indian Council of Agricultural Research (ICAR), New Delhi, India
22.   All Indian Institute of Medical Science (AIIMS), New Delhi
23.   National Yang Ming Chiao Tung University, Taiwan (NYCU)
24.   National Institute of Immunology (NII)
25.   Indian Space Research Organisation (ISRO)
26.   Central Council for Research in Ayurvedic Sciences (CCRAS)
27.   Institute of Liver and Biliary Sciences (ILBS), Delhi
28.   Regional Centre for Biotechnology (RCB)
29.   Hebrew University of Jerusalem, Israel (HUJI)
30.   Indraprastha Institute of Information Technology Delhi (IIITD)
31.   University of Waterloo, Canada
32.   University at Buffalo, USA
33.   mPRAGATI (ICMR)
34.   Ministry of Education - IITD (UBA)
35.   Centre For Development Of Telematics (C-DOT)
36.   National Hydroelectric Power Corporation (NHPC Limited)
37.   Sree Chitra Tirunal Institute for Medical Sciences & Technology
38.   Tripartite MoA with ICMR and AIIMS
39.   World Intellectual Property Organization (WIPO), Department of Biotechnology (DBT) and IIT Bombay
40.   Armed Forces Medical Services (AFMS)
41.   CSIR - Central Salt & Marine Chemicals Research Institute (CSMCRI)
42.   CSIR - Central Food Technological Research Institute (CSTRI)
43.   London's Global University (UCL), UK | |

| 6 | **IIT Guwahati** | Yes | 1. Consultancy Services: IIT Guwahati Faculty members and researchers carry out consultancy & testing services for industries, offering expert advice and solutions to help industries and other Institutes meet their needs. IIT Guwahati has carried out more than 2000 consultancy projects over the years towards this end. 2. Technology Transfer and Licensing: IIT Guwahati is carrying out cutting edge research in various fields including inter disciplinary research and so far has executed 28 Technology transfers and licensing technologies. 3. MoU/MoA: The Institute has 110 existing MoUs/MoAs with different Academic Institutes and Industry. Besides the above, IIT Guwahati also acts as the nodal point to encourage research work in the Institutes in the North-eastern region. | Not Applicable |

| 7 | **IIT Roorkee** | IIT Roorkee has taken several steps to foster relationships with Industries and research institutions to build a robust innovation and entrepreneurship ecosystem which will contribute towards fulfilling the vision of Atmanirbhar India and realize the goal of Viksit Bharat@ 2047. | •   IIT Roorkee has been actively working to foster strong relationships between academia and industry to enhance research, innovation, and practical applications.
•   During the last 4 years the institute has entered into 350+ partnership agreements (MoUs/MoAs) to formalize its relations with the industry.
Here are some of the key steps and initiatives IITR has taken to promote industry-academia collaboration:
1. Techsarthi Scheme of IIT Roorkee to support industries: IIT Roorkee has launched the TechSarthi scheme to facilitate and manage collaborations between the institute and industries (MSME's) on completing its 175 years. IIT Roorkee has interacted with 1000+ MSMEs and faculty and students from the institute are working on solving their technological problems.
2. Research and Development (R&D) Projects: In the last 4 years, IIT Roorkee has engaged in 500 + collaborative R&D projects with various industries & research institutions. These projects often focus on solving real-world problems and contribute to technological advancements.
3. Consultancy Services: Faculty members and researchers provide consultancy & testing services to industries, offering expert advice and solutions tailored to industry needs. IITR has executed 3000+ consultancy projects to support the needs of its industrial partners.
4. Entrepreneurship ecosystem for Students and Faculty: IIT Roorkee students are given opportunities to visit industries and undertake top-up fellowships, B.Tech Projects & work studentships related to the live industrial problems. Technology transfer to the industry and/or granted patents may also be considered a fulfilment of requirement of Ph.D thesis submission.
These experiences provide practical exposure and foster connections with industry professionals. Industries such as TCS, Deloitte, Ansys, Shigan, and Novious are executing their CSR obligations through IITR which is also a CSR institute as per the registration with the Ministry of Corporate Affairs.
IIT Roorkee also has a Faculty Entrepreneurship Policy to enable faculty to incubate a scientific spinoff for the development of innovation and entrepreneurship ecosystem of the institute. Currently there are 37 FEPs in the institute.
IIT Roorkee supports startups and entrepreneurial ventures through incubation centers and innovation labs. IIT Roorkee currently has 2 incubators (iHUB Divyasampark and TIDES) on campus and has incubated 180+ deep tech startups across India. These startups are working on innovative solutions to some of the country's most pressing challenges. These incubators provide mentorship, funding, and resources, often in collaboration with industry partners.
5. Technology Transfer and Licensing: IIT Roorkee works on transferring technologies developed through research to industry partners. This involves licensing technologies or collaborating on commercialization efforts. Technology transfer helps in the practical application of research and promotes innovation in the industry.
During the last 4-year, 400+ patents were filed. However, 2023 was remarkable as 148 patents were granted including 2 International Patents, 8 designs, and copyrights were registered, and 8 technologies were transferred in this year.
This has contributed to the institute being awarded with the CII's Most Innovative Award for fourth consecutive time in the year 2023.
6. Joint Degree and Certification Programs: In some cases, IIT Roorkee collaborates with industries to offer specialized degree or certification programs that are tailored to industry needs. E.g. M.Tech. in VLSI & Ph.D. admission to industry professionals with extensive professional experience.
Skill Development: These programs aim to bridge the gap between academic knowledge and industry skills. IIT Roorkee is running multiple courses supported by the Ministry of MSME & Ministry of Education & industry-sponsored courses through CEC as per current industry requirements. The institution has launched initiatives such as the Advanced Entrepreneurship and Skill Development Programs (ESDP) under the Ministry of MSME and the Capacity Building for Design and Entrepreneurship (CBDE) program. These initiatives are crucial and transformative for promoting innovation and practical learning among students and faculty, and they are a testament to our potential for growth and progress, filling us all with optimism and hope for t**he future.**
7. Industry-Sponsored Research Chairs and Fellowships: Some industries sponsor research chairs or fellowships at IIT Roorkee to support specific research areas of mutual interest. E.g. Bharat Singh Chair Professor for Water Resources instituted by the Ministry of Jal Shakti, Department of Water Resources, River Development and Ganga Rejuvenation (Erstwhile Ministry of Water Resources), Govt. of India & BIS (Bureau of Indian Standards) Chair Professor by Ministry of Consumer Affairs Food and Public Distribution, Government of India.
8. Collaborative Research Centers and Labs: IIT Roorkee has established 16 centre of excellence in | Not Applicable |

8	IIT (BHU) Varanasi	Yes		The Institute has signed MoUs /agreements with Industries and Research Institutions partners like:

9	**IIT (ISM) Dhanbad**	Yes	IIT(ISM) Dhanbad is committed to develop a strong industry-academia and research institution collaborations. In this regard, several steps have been taken to develop and strengthen linkages with industry (such as CIL, ONGC, Tata Steel, SAIL, BHEL, etc.) and research intuitions (such as DRDO, CSIR-IIP Dehradun, CSIR-CIMFR, CSIR-NML, etc.). Some of the pertinent results of IIT(ISM) Dhanbad, industry and research institutions linkages are as follows: 1. IIT(ISM) Dhanbad Institute Research & Development Board mandatorily have members from industry to develop research & development policies of the institute. 2. IIT(ISM) Dhanbad is actively engaged in submission and execution of joint projects with industries and different government funding agencies. 3. IIT(ISM) Dhanbad has active collaboration with industries for use of industry CSR funds for betterment of the society. 4. IIT(ISM) Dhanbad is actively engaged in capacity building and manpower training of industries. 5. IIT (ISM) Dhanbad has established 06 Nos of Centre of Excellences (CoEs) sponsored by various industries and Ministries (such as Coal India Ltd., TATA STEEL Ltd., Naresh Vashissht Foundation, Ministry of Tribal Affairs, American India Foundation, etc.) to promote research and improve linkage with the industries and research institutions. 6. IIT (ISM) Dhanbad has taken up 495 Nos of R&D projects and 439 Nos of industry sponsored projects in last five years which helped linking the Institute with various industries and other research institutions. 7. 90 MoUs with various Industries and Research Institutions have been signed by IIT (ISM) to improve the linkages.	
10	**IIT Gandhinagar**	Yes	1.IITGN established a dedicated team towards forging new partnerships with the corporations, foundations, philanthropic organizations, and international institutions that have an interest in supporting research aligned with their goals. This is done through signing of MoUs, MoAs etc for joint working and co-operation. 2.We are constantly and actively promoting our research capabilities and successes to attract the attention of potential industries by conducting Industry open houses, conferences, seminars and leveraging the social media and traditional media channels. Recently, IITGN conducted CoLab2024 which gave opportunity to our faculty to interact with various industry people. 3.Further, IITGN has established Research Park to support industry –academia engagement and around 20 companies are working in it in addition to the start-ups. 4.IITGN has dedicated incubation center equipped with office space, mentorship programs, networking opportunities, and access to funding resources which provides a supportive environment for budding entrepreneurs to develop their ideas into viable businesses. As a result, we have supported over 75 startups in the last 5 years. In addition, a number of alumni have also started startup companies after spending a few years in the Industry. 5.We have a dedicated team which regularly monitors the performance and progress of startups incubated within the ecosystem. 6.IITGN has an advisory committee for Research Park and Incubation Centre that conducts regular meetings and engages with Industry leaders and takes advices and moves the agenda forward.	Not Applicable to IITGN

11	IIT Bhubaneswar	Yes	IIT Bhubaneswar has several Sponsored Research Projects to link educational institutes with industry and research institutes.	
			IIT Bhubaneswar has a dedicated section dealing with Sponsored Research and Consultancy Projects, which includes many projects sponsored from Industries.	
			The Institute has also signed MoUs /agreements with Industries and Research Institutions partners like:	
			Research Institution	
			1. MoU with Jahangirnagar University, Bangladesh	
			2. MoU with Bulgeria University	
			3. Cooperation Agreement with Vladimir State University, Russia	
			4. Washington State University, USA	
			5. TU German University of Technology	
			6. The Institute of Applied Mathematical Research, Karelian Research Centre of Russian Academy of Sciences (IAMR KarRC RAS), Russia	
			7. Nottingham Trent University, UK	
			8. Haptics Engineering of Technische Universitat Dresden, Germany	
			9. University of Agder, Norway	
			10. Deutscher Akademischer Austauschdienst (DAAD)	
			11. The State University of New York at Buffalo (University at Buffalo-UB)	
			12. MoU between Indian Council of Social Science Research (ICSSR), Indian knowledge system Division, Ministry of Education, IIM Sambalpur, IIT Kharagpur and IIT BBS	
			13. All India Institute of Medical Sciences, Bhubaneswar	
			14. CSIR-Institute of Minerals Technology, Bhubaneswar	
			15. Education and Research Network of India (ERNET)	
			16. National Institute of Technology Rourkela (NITR)	
			17. National Institute of Technology Warangal (NITW), Telangana	
			18. INUP-i2i Program with IIT Kharagpur	
			Industry MoUs	
			1. Paras Anti Drone Technology Pvt. Ltd.	
			2. Samsung PRISIM- Collaborative Research Program	
			3. Tata Consultancy Services Ltd.	
			4. Establishing chair professor in cyber security with Whizhack Technologies (P) Ltd	
			5. Coastal Carbon Dynamics (CCD) in the Bay of Bengal of Mahanadi River (MoU with NRSC-ISRO and IITBBS)	
			6. Coastal management Cell, State Pollution Control Board Odisha	
			7. Development of mixed layer model for air-sea gas exchange and biochemical elements in the North Indian Ocean (MoU with NRSC-ISRO and IITBBS)	
			8. Social Security & Empowerment of person with disabilities dept, Odisha, BBSR	
			9. Paras Anti Drone Technology Pvt. Ltd.	
			10. Samsung PRISIM- Collaborative Research Program	
			11. Marqueesemi India Pvt. Ltd.	
			12. Tata Consultancy Services Ltd.	
			13. Oil India Ltd.	
			14. Center for Development of Advanced Computing (C-DAC)	
			15. National Council for Cement and Building	
			16. Coastal Carbon Dynamics (CCD) in the Bay of Bengal of Mahanadi River	
			17. Establishing chair professor in cyber security with Whizhack Technologies (P) Ltd	
			The Institute has also established Centre of Exlences in partner with Industries namely;	
			1. Virtual and Augmented Reality Center of Excellence (VARCoE)	
			2. S. K. Dash Center Of Excellence Of Biosciences and Engineering & Technology	

| 12 | IIT Hyderabad | Yes. IIT Hyderabad signed several MOUs/Agreement for linking academic and industry collaborations. Further, IITH has taken several measures to conenct closely with Industry. 1. First IITs to unable semester long internship for UG students for exposure to the Industry, 2. M.Tech. Thesis project up to 1 year can be executed in an industry. 3. A mandatory course, Industry Lecture Series, for all 31 M.Tech. programs is introduced in which nearly 12-14 Industry personnal interact with M.Tech. students and deliver a talk about challenging problems in their Industry. Some of these problems are then taken as MTech. thesis projects. 4. Online M.Tech. programs for upskilling Industry professionals. 5. IITH waived off mandatory residnetial requirement for external Industry sponsored PhDs to enable more Industry personal joining the PhD program. 6. A number of interdisciplinary MTech programs focusing on the industry needs have been started in last 4-5 years. Some of them are jointly offered with Hospitals in the area of healthcare. In some of these programs, Industry personal take few lectures also. | 1. DRDO, Ministry of Defence, Govt. of India and IIT Bombay;
2. Siemens Limited, Goa;
3. Centre for Development of Advanced Computing, Thiruvananthapuram;
4. Vazirani Automotive Pvt. Ltd., Mumbai;
5. Johnson Matthey Chemicals India Pvt. Ltd., Raigad, Maharashtra;
6. Project Management Unit, Ozone Cell, Ministry of Environment, Forest and Climate Change, Govt. of IndiaBeyond Next Ventures India Pvt. Ltd., Bangalore
7. Space Applications Centre (SAC), Indian Space Research Organisation (ISRO), Ahmedabad and Wisig Networks Private Limited, Hyderabad
8. Bharat Heavy Electricals Limited, New Delhi acting through its R & D Centre at HyderabadHyderabad Eye Research Foundation (HERF), managing trust of LV Prasad E
9. Sony Research India Private Limited, Hyderabad
10. Professor Jayashankar Telangana State Agricultural university (PJTSAU)
11. Momentive Performance Materials (India) Pvt. Ltd., Bangalore
12. TATA STEEL LIMITED
13. Charge Zone Limited, Vadodara

Board of Radiation and Isotope Technology	NA

17	IIT Mandi	Yes	IIT Mandi faculty members undertake various Sponsored / Consultancy projects with industries. The Institute has signed MoUs /agreements with Industries : 1. Vehant Technologies Pvt. Ltd. Uttar Pradesh 2.Tata Consultancy Services Ltd. 3. Hitachi India Pvt. Ltd 4. 3Frames Software Labs Pvt Ltd, Bangalore 5. Smartivity Labs Pvt Ltd New Delhi 6. Brainwave Science, Boston MA, United State 7. Edfora Infotech Private Limited (EIPL), Delhi 8. GENSTRU Consultants Pvt Ltd, Pune 9. Innovante Water Solutions Pvt. Ltd., Noida, U.P. 10 AuditorDesk , Occse Professional Services Pvt Ltd., New Delhi 11. NEXT BIG Innovation Labs Private Limited Bengaluru 12. HiMedia Laboratories Private Limited situated Maharashtra The Institute has signed NDA with Industries : 1. Panacea Biotec Pharma Limited, New Delhi 2. Tata Motors Ltd., Mumbai 3. Crystalmorphix Technologies Pvt Ltd, Hyderabad, Telangana 4. Semi- Conductor Laboratory and Fox Mandal & Associates LLP, Bangalore 5. 3Frames Software Labs Pvt Ltd, Bangalore 6. Rockwell Collins India Private Limited , Bangalore 7. T- Works Foundation, Hyderabad 8. Himedia Laboratories Pvt Ltd., Thane (West) IIT Mandi has signed MoU for joint Degree Programmes with (1) Joint Degree Programme between IIT MANDI-IIT Ropar (2)Joint Degree Programme between IIT MANDI-SVNIT surat (3) Joint Degree Programme between IIT MANDI-IIT Jammu (4)Joint Degree Programme between IIT MANDI-PEC Chandigardh (5) Joint Degree Programme between IIT MANDI-NIT Goa (6)Joint Degree Programme between IIT MANDI and Gurugram University, Gurugram (7)Joint Research Degree programme between IIT MANDI- CPRI, Bangalore	NA

18	**IIT Palakkad**	Yes	1. IIT Palakkad organizes the Industry-Academia Conclave every year to connect with the industry. 2. IIT Palakkad faculty undertakes consultancy projects and works from the industry 3. IIT Palakkad allows and encourages students to undertake industry internships for up to 1 year (6 months for B. Tech students). 4. IIT Palakkad collaborates with various industries and research institutions through MoUs, NDAs, and MoAs. 5. IIT Palakkad organizes industry expert talks and appoints the industry experts as Adjunct faculty/guest faculty 6. IIT Palakkad allows and encourages faculty members to undertake industry externships for two months during their vacations to work with the industry. 7. IIT Palakkad encourages PhD, MS (by research), and M.Tech scholars to undertake industry-oriented research.	
19	**IIT Tirupati**	Yes. IIT Tirupati is keen in establishing Industry connections and conducting domain specific Industry Academia Conclaves (IAC) to bridge the Industry Academia gap to address the need of the hour Industry problem statements.	☐ IIT Tirupati created a dedicated Centre called "Centre for Sponsored Research and Consultancy (CSRC)" to focus on enabling Industry connections. IIT Tirupati conducts a series of domain specific Industry Academia Conclaves to strengthen the Industry collaborations. Please find below few notable domain specific IAC conducted at IIT Tirupati ☐ IAC – Manufacturing ☐ IAC – Electronics Manufacturing Cluster ☐ IAC – Chemical Engineering ☐ IAC – Battery technology ☐ IIT Tirupati created seven Centre of Excellence labs focusing on Advance Manufacturing, EV vehicle research etc. along with Siemens & Wipro at IIT Tirupati to enable Industry driven research ☐ CSRC executed more than 400 sponsored & consultancy projects with various Industries, PSU and Govt. agencies. ☐ IIT Tirupati inked around fifty MoUs with Industries, PSU and Govt. agencies to strengthen the collaborations.	NA

20	**IIT Jammu**	The institute has signed numerous MoUs and agreements with both academic and industry partners to strengthen the research collaborations. IIT Jammu is focused on fostering industry connections and hosting domain-specific Industry sessions to bridge the gap between academia and industry, addressing current industry challenges.	1. IIT Jammu faculty members undertakes consultancy projects and works from the industry. 2. IIT Jammu organizes industry sessions under the Expert/Leadership talk series "Pragamana". 3. We encourage students to go for industry internships upto 6 months. 4. IIT Jammu is focusing on industry collaborations for live projects on the technologies they use. 5. IIT Jammu collaborates with various industries and research institutions through MoUs, NDAs, and MoAs. Detailed list can be viewed here: https://www.iitjammu.ac.in/mous	
21	**IIT Bhilai**	Yes	Institute has taken several initiatives to collaborate with Industry to provide the technical solution to the problems faced by Industries. Few of initiatives are as under. 1. Conducting Industry-Institute-Interface from time to time. 2. Taking up the consultancy activities from various types of industries and providing the required solutions. 3. Developing the capsule courses as per the demand of the industries and preparing the technocrates accordingly. 4. A dedicated hub has been established in the form of IBITF to provide the required solutions, incubate various startups from across all corners of the country. 5. Encouraging various students of the institute to undertake industry-related projects 6. Several others steps are being taken to strengthen relation with Industries and research institutions towards creating a robust innovation and entrepreneurship ecosystem.	
22	**IIT Goa**	Yes, Institute has signed several MoUs and agreements with Research Institutions as well as industries.	IIT Goa has undertaken several initiatives to link educational institutes with industry and research institutes. Active collaboration with industries/partners and Centre of Excellences were established: 1. Siemens Digitalization Centre of Excellence 2. Entrepreneurship Cell 3. Centre for Industry Education Some of the MoU executed with Industry / Academia: 1. ARM India University Program 2. Express Analytics 3. ALCOLABS 4. C-DAC 5. MEGH Computing 6. Kineco Kaman& IIT GOA 7. Siemens Limited, Goa 8. MEFY CARE PVT LTD (NDA) 9. Siemens Industry S/W (India) Private Limited and Coreel Technologies (I) Private Limited 10. John Deere India Pvt Ltd	NA

23	IIT Dharwad	Yes, Institute has signed several MoUs and agreements with Research Institutions as well as industries.	1. IIT Dharwad organizes Entreprenuership summit (E-Summit) through Instiute Innovation Council, a Industry-Academia Conclave every year to connect with the industry.

2. IIT Dharwad faculty undertake consultancy projects and works for the industry on regular basis. To name a few of the sponsoring agency/industries with which we are collaborating
   (i) Hexero Innovations Pvt. Ltd.
   (ii) Ellora EPC Pvt. Ltd.
   (iii) Bharat Electronics Ltd.
   (iv) Brane Enterprises Pvt. Ltd.
   (v) South Western Railways
   (vi) NPCC
   (vii) CPRI
   (viii) Dvara Solutions Pvt. Ltd.
   (ix) Sannidhi technologies
   (x) MAN Energy Solutions Pvt. Ltd.
   (xi) MMRFIC Technology Pvt. Ltd.
   (xii) Colour Plus Poyurethanes Pvt. Ltd.
   (xiii) Indo-French Centre for Applied Mathematics (IFCAM)
   (xiv) Magic Lamp Technologies Pvt. Ltd.

3. IIT Dharwad encourages students to takeup industry internships for up to 1 year (6 months for B. Tech students).

4. IIT Dharwad collaborates with several domestic and international industries and research institutions through MoUs. IIT Dharwad has signed MOUs and agreements with following Industries and academic institutions
   (i) Altair Engineering
   (ii) Lekha Wireless
   (iii) JCB India
   (iv) Zeus Numerix Pvt Ltd, Pune
   (v) McAfee, Bengaluru
   (vi) Deshpande Startups
   (vii) Centre for Adivasi Research and Development, Odisha
   (viii) Antrix Corporation Limited
   (ix) ITI Limited (earlier known as Indian Telephone Industries Limited)
   (x) CSIR-CMERI, Durgapur
   (xi) CSIR-4PI, Bengaluru
   (xii) Aequs Pvt. Ltd.
   (xiii) Bharat Electronics Limited, Bengaluru
   (xiv) KIMS Hubballi
   (xv) Raja Ramanna Centre for Advanced Technology
   (xvi) Carleton University, Canada
   (xvii) University of Agricultural Sciences, Dharwad
   (xviii) CSIR-IIP, Dehradun
   (xix) ROMA TRE University, ROME
   (xx) Consortium of Finnish Universities, Finland
   (xxi) National Cheng Kung University, Taiwan, Dept of EE
   (xxii) University of Saskatchewan, Canada
   (xxiii) The University of New Brunswick, Canada

5. IIT Dharwad organizes industry expert talks and engages the industry experts as Professor of Practice
6. IIT Dharwad encourages PhD, PG students to undertake industry-oriented research.
7. IIT Dharwad organizes Industry-Academia Conclave with aim of bridging the gap between Industry and Academia
8. IIT Dharwad regularly organizes Industry visits for students as a part of selected theory and lab courses. For students, these industry visits serve as a platform to explore potential career paths.

[1] 288

Notes for Supplementary

(a) whether Government has taken adequate steps to fill up the vacancies falling under the Ministry's subordinate and Allied offices;

Reply: Yes

(b) if so, the details thereof;

Reply: Mission Mode Recruitment and Special Recruitment were conducted in order to fill the vacant positions at the IIT Dharwad.

(c) the details of the incumbency position as on 1.7.2024 in respect of all Aided Institutes, all Public sector Undertakings under the aegis of the Ministry; and

Reply: The details of the incumbency position as on 01.07.2024 at IIT Dharwad is as below:
1. **Faculty: 92**
2. **Non-Faculty: 74**

(d) Whether Government has initiated any special recruitment drive for filling up of vacancies in SC/ST/OBC and Minority categories and if so, the details thereof and if not, the reasons therefor?

Reply: A special Recruitment Drive with rolling advertisement for SC/ST/OBC-NCL & EWS categories is announced to fill the vacant faculty positions under these categories.

S.No.	Name of the Institute	Library Yes/No	If Yes, Number of Libraries	No. of vacancy of librarian and library professional
	Rajya Sabha Unstarred Question No. 1789 for 07.08.2024 regarding "Libraries in Central Educational institutions"			
1	IIT Kharagpur	Yes	Six	15
2	IIT Bombay	Yes	Four	12
3	IIT Madras	Yes	one	
4	IIT Kanpur	Yes	One	4
5	IIT Delhi	Yes	1	3
6	IIT Guwahati	Yes	One	3
7	IIT Roorkee	Yes	1	1
8	IIT (BHU) Varanasi	Yes	One Central Library. Besides this Departmental Libraries in different Departments are also there.	19
9	IIT (ISM) Dhanbad	Yes	One	7
10	IIT Gandhinagar	Yes	1 + 1 mini-library in hostel	4
11	IIT Bhubaneswar	Yes	One	1
12	IIT Hyderabad	Yes	One	1
13	IIT Jodhpur	Yes	1	3
14	IIT Ropar	Yes	1	4
15	IIT Patna	Yes	One	Two
16	IIT Indore	Yes	One	Two
17	IIT Mandi	Yes	Three	One

FTS No. 1498328

Placements of IIT graduates

JS(TE)

PROVISIONALY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- S1002, S1180

The Question Will be put down for -- 27/11/2024

Answer on the Ministry Department -- Education(EDU)

Placements of IIT graduates

a) whether 36 to 38% IIT graduate could not secure placements during 2024; b) if so, the details thereof, IIT-wise; C) the reasons for low placements of IIT-wise; d) the steps IITs would take to augment placements of their graduates during 2025?

S.No.	Institute	(a) whether 36 to 38% IIT Graduate could not secure placements during 2024;	(b) if so, the details thereof, IIT-wise;	(c) the reasons for low placements of IIT-wise;	(d) the steps IITs would take to augment placements of their graduates during 2025?
		Provisionally Admitted Rajya Sabha Starred/Unstarred Question Diary No. S1002, S1180 to be answered on 27/11/2024 regarding " Placement of IIT Graduates".			
1	IIT Kharagpur	No, at IIT Kharagpur, approx. 80% UG graduate was placed during 2023-24. Others have chosen other career path including higher studies.	Not applicable	Not applicable	CDC is approaching new companies including start-ups. Apart from this, following steps are also being taken: 1. Conducting Academia Industry Conclave to develop more connections with Industry/ companies. 2. Organised CV building workshop. 3. readiness programme. 4. Soft skill workshops. 5. Companies contacted through Alumni network.
2	IIT Bombay	No, overall placement of students registered with IIT Bombay placement office was 75% which includes (PhD Students). The B.Tech and M.Tech placements were ~83 % through the institute placement office. Several students have obtained placements by off-campus efforts. Also quite a few students have opted for higher studies. As per institute survey of graduating students, only 7.8 % students were looking for a job at the time of convocation.	Not applicable	Not applicable	1. Placement prepatory activities involving mock aptitude and coding tests as well as mock interviews. 2. Held a career fair of Japanese companies 3. Contacting and inviting several new companies 4. Waiving registration fees for companies that are unable to pay. 5. increased efforts for internship conversions into pre-placement offers.
3	IIT Madras	No, 81.3% of students have chosen their career paths at IIT Madras during 2023-24	Not applicable	Not applicable	1. More Internships for professional training 2. Allowing longer term internship (6 months) 3. Curriculum adjustments to enable learning of industry-relevant skills.
4	IIT Kanpur	No, 77.6% of the total students registered for placements have secured offers during the Placement Drive 2023-24. Many students went on to pursue higher education in India and abroad. Also, some of the students opted to start their own ventures in the form of startups. The remaining students obtained placements through off-campus offers.	Not Applicable	Not Applicable	1. Hosted the Academia-Industry Conclave 2. Focusing on preparation of students through mock tests and mock interviews. Conducted workshops across various topics for students to be Industry ready. 3. Focus on internships that would eventually increase the number of PPOs 4. Extended reach to a large pool of companies 5. Organized outreach events to engage with the Alumni Network
5	IIT Delhi	No, IIT Delhi has secured 73.88% placements during 2023-24 placement session	Not applicable	Not applicable	1. IITD has introduced a dedicated slot twice a week in the academic calender which is utilized specifically for OCS related learning and up-skilling activities, for all students. 2. IITD's international career fair Pravritti held in March every year, aims at inviting leaders from industry and academia to help our students better prepare for employability.
6	IIT Guwahati	No. The overall placement in IIT Guwahati during 2023-24 was 71%	Not applicable	Not applicable	1. We have organized Career Development Programs 2. We are sending students for Internship. 3. Organizing Soft Skill Programmes, Mock Interviews. 4. More Companies were invited for Placement and Internship 5. We have organized Leadership Summit in 2024 in which many industrialists, business leaders and industry experts were invited for interaction with the students.

7	**IIT Roorkee**	No, IIT Roorkee's UG graduate placement rate is approximately 80%. The remaining students, who showed comparatively less enthusiasm for the ongoing placement session, pursued higher studies, prepared for Civil Services, ventured into entrepreneurship, or secured off-campus opportunities. This data does not necessarily indicate an inability to secure placements but rather reflects the diverse career paths chosen by the students, some of which may not be officially recorded.	Not applicable	Not applicable	IT Roorkee collaborates with top international and domestic companies via the Alumni Network, LinkedIn, and other platforms to showcase the global appeal of its graduates. Partnering across diverse sectors and emphasizing core profiles ensures holistic placements that are aligned with students' goals and market demands.
8	**IIT (BHU) Varanasi**	No, IIT (BHU) Varanasi has secured 88% placement in 2024	Not applicable	Not applicable	1. We have organized Career Development Program 2. We are following One Student One Job Policy 3. Two months mandatory Internship. 4. Soft Skill Programmes, Mock Interviews. 5. More Companies were invited for Placement and Internship 6. Regular scheduling of Get-Back Meetings of Students with TPC Coordinator
9	**IIT (ISM) Dhanbad**	No,IIT (ISM) Dhanbad has secured 75.56% placement in 2024.	Not applicable	Not applicable	1. Increased engagement with the IIT (ISM) Dhanbad alumni Network for better industry interaction. 2. Outreached to the new companies in different sectors for Internship and FTE hiring perspective. 3. Take corrective majors to optimize the multiple offers to the signal student actions in the placement process to minimize the job loss due to multiple offers. 4. Process established to take the feedback mechanism from the company for the placement perspective so that we can bridge the gap between company's expectations and student's skill.
10	**IIT Gandhinagar**	IIT Gandhinagar UG placement percentage of 2024 is 82.39%	Not applicable	Not applicable	1. Introduced a semester long external exposure for UG students to give them industrial exposure and enhancing technical skills. 2.Inviting a wider range of companies from diverse domain for on-campus recruitment.
11	**IIT Bhubaneswar**	IIT Bhubaneswar has secured 86.07% placements in the 2024 recruitment season.	Not Applicable	Not Applicable	Despite having reasonably good placements IIT BBS is contemplating to commence 6 Months internships for UG students. Also focussing on dynamic outreach connecting with more companies and our own Alumni. Developing start up ecosystem more rigorously.

12	**IIT Hyderabad**	IIT Hyderabad has secured ~ 75% of BTech and ~70% of M.Tech students.. Also few students opted for Higher studies and start ups.	Not Applicable	Based on our analysis, the following factors were identified: *)Global economic slow down and Market uncertainty. *) With growing number of graduates from permieum institutions, competitions for limited roles intensified. *) Several students were selective, in choosing the job roles, like Sales, consulting, non core areas which may result in lower placement stats *) Several regular visiting companies have implemented hiring freezes.	To enhance the Placement outcomes: * Encouraging our students to participate in Industry events such as Codethaon, Hackathon, Workshop, Seminar,etc., in this way students have chance to get PPI. * Involving Faculty Placement Coordinators (department representatives) to engage with department students to collect their research and projects, and to coordinate with internal faculty members who have industry connections, to showcase student research and projects to recruiters for drawing interest in hiring those students. *Hosting various student engagement programs, such as resume building, mock interviews, career fairs,etc., * Connecting students with alumni mentors to gain insights into career paths, industry expectations, and networking opportunities. * Approaching diverse recruiters across all sectors, sch as finance, consulting, educational, emerging tech, etc.,
13	**IIT Jodhpur**	During placement season 2024, 92% of eligible UG students of IIT Jodhpur got placed	Not Applicable	Not Applicable	1) Conducting Career guidnace sessions by inviting experts from diverse area like manufacturing, IT, Banking, consultancy etc. 2. Conducting sessions on Mock interviews, mock test and resume writing 3. Counseling session with students
14	**IIT Ropar**	During 2024 placement season, 75.34 % of eligible students of IIT Ropar are placed.	CSE EE ME CEB 83.53% 76.92% 71.70% 57.69% CHB MMB MCB 76.47% 44.44% 89.29%	NA	1) Strengthening Industry-Academia partnerships. 2) Enhancing Skill Development Programs. 3) Aligning curriculum with industry requirement . 4) Tailored, sector-specific placement drives.
15	**IIT Patna**	IIT Patna has secured 90.03% placements in 2024.	Not Applicable	Not Applicable	The following initaitive taken by the IIT Patna to boost placements for graduates in 2025:- 1. IIT Patna is likely to focus on strengthening industry ties, expanding skill development programs in emerging technologies and enhancing internship opportunities. 2.We may increase industry collaborations, offer specialized certifications, and emphasize hands-on training to ensure graduates are job-ready. 3.Additionally, IIT Patna could support entrepreneurship through incubation centers, foster alumni mentorship networks, and organize global recruitment drives to provide international job opportunities. 4. By focusing on personalized career counseling and diversity, 5.IIT Patna aim to better align graduates with market needs and improve overall placement outcomes.

16	**IIT Indore**	IIT Indore has secured 78.27% (overall) placements in the 2023-24 placement season.	Not Applicable	Not Applicable	1. **Proactive Outreach:** IIT Indore is focusing on collaborating with more industries to create adequate internship and placement opportunities for the students. 2. **Targeting Core Sector Opportunities:** We're focusing on improving placement in core jobs by specifically inviting Public Sector Undertakings (PSUs) to recruit our students. 3. **Emphasis on Summer Internships:** By prioritizing summer internships, we're setting our students up for success with pre-placement offers. 4. **Project-Based Internships:** This year, IIT Indore introduced project-based industrial internships for postgraduate students. These provide invaluable hands-on experience, exposure to real-world applications, and opportunities to develop problem-solving, technical, and soft skills. Importantly, these internships are also being converted into full-time placements.
17	**IIT Mandi**	No. IIT Mandi placement percentage is 83.6 during 2023-24 drive.	Not applicable	Not Applicable	1. Provide targeted training in technical, soft, and professional skills to prepare students for industry demands. 2. Build strong company partnerships through regular engagement, networking events, and collaborative initiatives. 3. Foster connections with alumni to create mentorship opportunities and leverage their networks for placements. 4. Promote internships to offer students hands-on industry experience and enhance their employability.
18	**IIT Palakkad**	IIT Palakkad has secured 73.36% (Over all) placements in the 2024 placements.	Not Applicable	Not Applicable	We have been regularly inviting new companies to recruitment drives, participating in industry connect events to align with industry needs, and leveraging our alumni network to create more opportunities for mentorship, internships, and placements.
19	**IIT Tirupati**	IIT Tirupati has secured 79.34% (Over all) placements in the 2024 placements.	Not Applicable	Not Applicable	1. Building Strong Industry Connections 2. Enhancing Student Skillsets 3. Strengthening Career Guidance Activities 4. Providing 6 Months Internships
20	**IIT Jammu**	IIT Jammu has secured 70% placements in the 2024 placements.	Not Applicable	Not Applicable	inclusion of 6 months internship policy Alumni Research out Increase in student meetings
21	**IIT Bhilai**	IIT Bhilai has secured 72.22% placements in the 2024 placements.	Not Applicable	Not Applicable	6-month internship policy has been approved, Full time TPO hiring underway. Contractual Assistant TPO already hired. Placement preparedness activities being undertaken.
22	**IIT Goa**	NO, IIT Goa Placement percentage during 2024 - 92.72%	NA	NA	

| 23 | **IIT Dharwad** | No, IIT Dharwad overall (B.Tech+M.Tech+MS+PhD) Placement percentage during 2024 - 86.11% (Jobs+ higher Education) | Not Applicable | Not Applicable | 1. Mandatory Industry summer Internship for 3rd Year students has been approved by Senate
2. Full time Training and Placement Officer has been hired, We are also expanding CDC workforce by hiring more staff.
3. We are accelerating our outreach actvities to invite companies to participate in the ongoing placement season. Couple of Months back, we arranged HR connect Banglore chapter. We are also extensively reaching out to our alumini to establish strong connections, which will be very fruitful for CDC in the coming years.
4. We are focussing on sectors that have been previously unexplored, such as edtech companies and education sectors such as colleges, Pre-universities, Technical Institutes which are interested in hiring from IITs.
5. We are also working on our curriculum to make it more flexible for longer internships (as suggested by companies/industries). This will help students to get more internships, which can be converted to full time employment (PPOs).
6.Based on the feedback from the companies, we have arranged several training sessions, mock interviews, and group discussions to uplift the students' interpersonal skills.
7. In line with other IITs our "two job policy" has been replaced with "one job + one dream job policy". "One job + one dream job policy" will bring more certainty for companies about students joining their organization and it will also reduce the state of confusion for the students.
8. We are also making significant efforts in the direction of signing MoUs with several companies and core industries to tie up in the field of academics and research. We believe that eventually those companies will come for placements and help to improve our placement statistics. |

Respected Sir \ Madam,

In reference to this Division's appended email, it is informed that the said Question has been admitted as Rajya Sabha Unstarred Question No.981 to be replied on 31.07.2024. The text of the Question is reproduced as under:

Linking Educational Institutions with Research Institutions

981 Shri Sujeet Kumar:
Will the Minister of *Education* be pleased to state:
(a) whether the Institute has taken any steps to link educational institutions with industry and research institutions;
(b) if so, the details thereof and outline the steps taken by Institute in this regard; and
(c) if not, the reasons therefor?

All the Bureaus in the Department of Higher Education are requested to kindly provide point-wise reply for the aforesaid RSUQ No.981 **by 26.07.2024 (Friday) afternoon.**

AICTE and UGC Divisions are also requested to kindly furnish their point-wise inputs along-with specific inputs on internship portal, **by 26.07.2024 (Friday) afternoon.**

Further, TEL Division is also requested to provide their point-wise inputs along-with specific inputs on apprenticeship programmes, **by 26.07.2024 (Friday) afternoon.**

"Please acknowledge receipt and reply in-line"

1	IIT Kharagpur	1600	1760	778	710	21	2	43	2	0	943	543	145	47	192	16	0	822	333	123	62	222	82	0	817	611	63	43	41	59	0	
2	IIT Bombay	1225	1421	742	682	25	5	29	1	0	730	471	75	40	133	11	0	483	197	72	36	130	48	0	691	533	82	38	24	14	0	The institute approaches potential Faculty candidates across the World including leading Institutes and Universities in the country by conducting Alumni meetings in all major cities abroad. The institute leverages the help of Alumni through its Faculty Alumni Network to identify potential candidates. Recruitment is carried out throughout the year by posting rolling Advertisements on its Website and Newspapers. The Institute endeavors to maintain its quality of teaching by recruiting experienced and talented faculty within the country and abroad. Selection for faculty positions are merit based. If a faculty candidate from SC/ST/OBC category applies and is found suitable, such candidate is appointed. Institute has also conducted a special recruitment drive in the year 2021-22 to fill the backlog vacancies in the reserved category under which 32 offers were made to reserved category candidates. Another special recruitment drive was conducted in 2023-24, where 7 offers were made to reserved category candidates till date. In addition, candidates from reserved category can also apply against rolling advertisement which is available on Institute's website throughout the year.
3	IIT Madras	1100	1020	665	617	16	5	26	1	0	554	428	70	19	34	3	0	435	356	20	10	39	10	0	466	293	61	24	62	26	0	Advertisement for filling vacant positions are being released periodically. 140 faculty positions & 147 Non-faculty positions were filled since January 2022. 295 faculty positions are under merit-based selection. The faculty positions shown under the 'General' category include legacy posts prior to the CEI Act 2019.
4	IIT Kanpur	896	985	571	498	24	5	44	0	0	768	379	145	21	204	19	0	325	113	49	29	89	45	0	217	85	45	6	60	21	0	Faculty: The Institute is making continuous efforts to recruit deserving reserve category candidates through rolling advertisement which is open throughout the year. The Institute has also carried out Special Recruitment Drive for reserve category candidates in the year 2017, 2019, 2021 and 2022.
5	IIT Delhi	1093	854	659	580	20	8	50	1	0	478	220	81	25	138	14	0	434	61	95	46	163	69	0	376	163	46	38	58	71	0	The Faculty data comprises of 635 Teaching Staff, 7 Library Staff, 16 Programming Staff and 1 Sports Officer.
6	IIT Guwahati	743	644	455	416	22	5	11	1	0	562	263	59	69	162	9	0	288	116	43	22	78	29	0	82	53	16	4	7	2	0	Recruitment is going on for filling up the vacant position of faculty. Non-Faculty: Recruitment is going on for filling up the vacant position of non-faculty
7	IIT Roorkee	939	880	553	463	16	4	69	1	0	653	284	138	36	165	30	0	386	84	82	42	121	57	0	227	195	-16	20	0	28	0	Non-teaching: 880 positions are classified against 902 sanctioned strength. Vacant positions include promotional vacancies. There is an excess/ shortfall of reserved vacancies in different cadres; hence, accordingly, a combined figure is filled for calculations.
8	IIT (BHU) Varanasi	608	695	352	278	27	4	41	2	0	391	288	56	18	23	6	0	256	105	38	19	69	25	0	304	224	30	19	23	8	0	The vacant positioin provided in respect of facutly position . is tentative. The vacant positions of 304 Non-faculty posts includes the promotional positions.
9	IIT (ISM) Dhanbad	781	859	376	260	34	8	72	2	0	412	254	36	12	95	15	0	405	114	71	39	128	53	0	447	310	73	35	10	19	0	Out of 412 filled non-faculty postions, 15 are contractual employees. The promotional post are vacant due to unavailibility of eligible candidates. The vacant post belonging to direct recruitment quota are advertised/backlog/under revision.
10	IIT Gandhinagar	190	245	139	119	8	4	8	0	0	173	112	15	4	37	5	0	51	3	10	5	29	4	0	72	57	4	0	8	3	0

(c) whether Government is planning to expand these initiatives to ensure full inclusivity in the education system; and

(d) if so, the details thereof?

National Highway Projects in the Northeastern States

210 Smt. Ranjeet Ranjan:

Will the Minister of *Road Transport and Highways* be pleased to state:

(a) the status of the 98 National Highway projects in the Northeastern States of Arunachal Pradesh, Nagaland, Manipur, and Tripura, including the number of projects completed, under construction, and yet to commence;

(b) the total estimated investment for these projects and the allocation of funds across the four States;

(c) whether Government has established specific deadlines for the completion of these highway projects, if so, the details thereof; and

(d) the steps taken to address challenges and prevent delays in executing these projects in Northeastern regions?

Number of unfilled seats in Higher Education Institutions (HEIs) in the country.

211 Dr. V. Sivadasan:

Will the Minister of *Education* be pleased to state:

(a) the number of unfilled vacant seats in undergraduate and post graduate programmes in Central Universities, affiliated colleges of Central Universities, IITs, IIMs, IISc, Bangalore & IISERs, NITs and other central institutes, institution wise, year-wise data for the last five years; and

(b) the number of unfilled vacant seats in undergraduate and post graduate programmes in State Universities, affiliated colleges and educational institutes under the State Governments, State-wise data for the last five years?

Pradhan Mantri Matsya Sampada Yojana

212 # Shri Narhari Amin:

Will the Minister of *Fisheries, Animal Husbandry and Dairying* be pleased to state:

(a) whether Pradhan Mantri Matsya Sampada Yojana (PMMSY) was launched by Government for the development of fisheries sector in the country;

(b) if so, the targets set under this scheme;

(c) the total percentage of targets that have been achieved out of the targets set; and

(d) the details of the works done and the beneficiaries who have benefited under Pradhan Mantri Matsya Sampada Yojana in the State of Gujarat?

Development of Ornamental Fisheries Sector

213 Shri Pramod Tiwari:

Will the Minister of *Fisheries, Animal Husbandry and Dairying* be pleased to state:

(a) whether inland and marine waters possess a rich diversity of ornamental fish;

(b) if so, the details thereof;

(c) whether despite potential country' share to global ornamental fish, export is quite low;

(d) if so, the steps proposed to be taken to promote export of ornamental fish;

(e) whether ornamental fish industry faces a number of problems; and

(f) if so, the efforts made or proposed to be made for the development of ornamental fisheries sector?

Mentorship and Collaboration Between Established and Newly Formed Institutions

1472 **Shri Manoj Kumar Jha:**

Will the Minister of *Education* be pleased to state:

(a) whether Government has initiated mentorship programs for older IITs to guide newer IITs/NITs/IISERs and, if so, the details thereof;

(b) whether reputed Central Universities are encouraged to mentor newly established Central/State Universities; and

(c) the steps taken to foster knowledge sharing, resource pooling, and collaborative projects among these institutions?

To
Mr. Nilesh C. Srivastava
Under Secretary (IITs)
Department of Higher Education
Ministry of Education, Technical Section 1
430 C, Shastri Bhawan
New Delhi - 110 001
eMail: nilesh.chandra@gov.in

Subject: Provisionally Admitted Rajya Sabha Starred Question Diary No. 1367 to be answered on 12/03/2025 regarding "Mentorship and Collaboration Between Established and Newly Formed Institutions".

Dear Sir

In reference to the subject cited above, the reply of Rajya Sabha Starred Question No. 1367 is as under:

(a) Whether Government has initiated mentorship programs for older to guide newer IITs/NITs/IISERs, and if so, the details;

Reply: The new generation IITs started under the mentorship of older and established IITs to provide the academic, research and administrative during the inception years. IIT Dharwad started its activities under the mentorship of IIT Bombay in year 2016.

(b) **Whether reputed Central Universities are encouraged to mentor newly established Central/State Universities;**

Reply: This may be replied by the Ministry of Education.

(c) **The steps taken to foster knowledge sharing, resource pooling, and collaborative projects among these institutions.**

Reply: The following steps were taken to foster knowledge sharing, resource pooling, and collaborative projects among these institutions:
1. The Director's of the mentor Institute were given the additional charge of new IITs to provide administration during the inception years till the appointment of new Director(s) are made.
2. The Faculty Members of the mentor Institute were given additional teaching and academic responsibility for the new IITs.
3. During the inception period, the joint research proposal was prepared and submitted to the various Sponsoring agencies to foster the research environment.
4. The buildings and facilities of the mentor institute were utilized during the inception period to conduct the classes and lab sessions and in many cases, new IITs allowed to run the initial courses from the transit campus located at older IITs.

Thanking you and with warm regards…

Yours Sincerely

-Sd-

Sandeep Pareek

UNSTARRED QUESTION
DATED-12.03.2025

Collaboration between Universities and Higher Education Centres of North East States with the rest of the country

1484 Shri Bhubaneswar Kalita:

Will the Minister of *Education* be pleased to state:
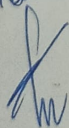

(a) whether Government is planning to collaborate between multiple Universities and Higher Education Centres of North East with the rest of the country; and

(b) if so, how Government is helping its Researchers from Central Universities, NIT etc. from North East to commercialize its Research findings like other parts of the country?

JS (TE)

NIT

DS (BC)

Ravi (AR)

Rajya Sabha Unstarred Question No.1484 dated 12.03.2025 regarding Collaboration between Universities and Higher Education Centres of North East States with the rest of the Country.			
Sl. No.	Name of the IIT	(a) whether Government is planning to collaborate between multiple Universities and Higher Education Centres of North East with the rest of the country; and	(b) if so, how Government is helping its Researchers from Central Universities, NIT etc. from North East to commercialize its Research findings like other parts of the country?
1	IIT Kharagpur	Yes	IIT Kharagpur is invovled with assisting the Government of Assam in establishing the new Skills University in Mangaldai, Darrang. As a part of a consortium, faculty members from multiple departments in IIT Kharagpur are involved in this ADB funded project.
2	IIT Bombay	Yes	List of MoU and Projects with North East Universities may be viewed at following link: https://bighome.iitb.ac.in/index.php/s/bK2g6ynLsDKm8Jo

3	IIT Madras	Yes	A) IIT Madras has MoUs with
			1. NIT Arunachal Pradesh 2. NIT Mizoram 3. NIT Manipur 4. NIT Meghalaya 5. IIIT Manipur Through these MoUs, the Institute encourages eligible students from CFTIs to pursue summer internship, followed by a semester exchange program in the final year. Based on their performance, the students get direct Ph.D admissions at IIT Madras. B) IIT Madras has unique and well recognized BS Programs, presently one each in Data Science (DS) and in Electronic Systems (ES). Significant numbers of students from the North East are in various levels of the programs. C) IIT Madras is the lead Institute in the hugely popular NPTEL program, which it jointly conducts with the other older IITs and IISc. Large numbers of Institutions (local chapters) as well as students from the North East, participate and benefit from this program. The Institute also encourages eligible students from CFTIs to pursue summer internship, semester exchange in the final year and direct Ph.D admissions at IIT Madras. MoUs have been signed with multiple NITs in the North-East region where students come to IIT Madras at the end of their third year, and can continue on all the way upto the Ph.D programme. We have a healthy number of students from NER institutions (apart from IIT Madras) benefiting from this arrangement. Ministry of Education supports the IInvenTiv 2025, R&D Fair which brings together technological innovation from top engineering institutes in our country for displaying to the industry. In this current edition of IInvenTiv 2025 conducted in IIT Madras the following Northeast Institutes participated. NIT Agartala NIT Arunachal Pradesh NIT Silchar NIT Mizoram IIT Guwahati Overall, there was positive feedback from the participating institutes who felt that they got a great platform for outreach to the industries. Initiatives undertaken by IIT Madras for North-East/ Tribal Students/ Institutions. 1. Under the Ek Bharat Shrestha Bharat (ESBS) initiative of the MoE, Govt of India, IIT Madras had hosted around 50 students from Tripura from 4th-9th March 2023. NIT, Tripura was the partnering institution. The students get to not only experience the academic and entrepreneurial culture of IIT Madras but also gained a deep understanding of the culture and traditional heritage of Tamil Nadu. During their visit, the youth had a multi-dimensional exposure under five broad areas – Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Prodyogik (Technology), and Paraspar Sampark (People-to-people connect). 2. On 12th March 2024, a cultural event Lui ngai ni (seed-sowing festival celebrated by the Naga tribes of Manipur India) was celebrated at IIT Madras, to create better awareness on North-East culture and traditions among today's youth. 3. In September 2024, IIT Madras conducted an online session on Media Management and NIRF Rankings for the higher officials of Nagaland University. The session focused on the key initiatives taken by IIT Madras, which has enabled the Institution to not just bag but also stay on top in the NIRF Rankings for several consecutive years. It also dwelt on the role of media outreach in building the perception of the Institute. 4. In February 2025, IIT Madras had hosted around 200 school and college tribal students (including those from North-East) for a half-day study tour, under the 16th Tribal Youth Exchange Programme. The visiting students got to visit the academic and other facilities available to IITM students and also had an opportunity to interact with students, officials and even Director of IIT Madras. A special session on the BS Online programmes was also conducted for them, to make them aware of the academic opportunities available at IIT Madras, beyond JEE/GATE. 5. On 11th February 2025, a North East Development Summit 2025 was held at IIT Madras Campus which brought together eminent personalities including the Hon'ble Governor of Tamil Nadu, besides policymakers, academicians, industry leaders, students, and change-makers to discuss, deliberate, and drive the holistic development of India's North-East region.

4	**IIT Kanpur**	YES	IIT Kanpur has executed Research MoUs with IIT Guwahati, NIT Silchar, NIT Arunachal Pradesh, NIT Agartala fostering research colloboration in North Eastern Institutes.
			In January 2025, the Department of Science & Technology (DST) launched the PAIR program to strengthen research and development (R&D) in higher education institutions. Under this initiative, 31 leading institutions were designated as 'Hub' universities to mentor 'Spoke' institutes with limited R&D capabilities. Among these, IIT Kanpur is eligible to be a Hub. Each Hub is tasked with mentoring three to seven Spoke institutes, fostering collaboration and improving research quality. The central government allocates maximum ₹100 crores for 5 years to each Hub, with 70% of the allotted budget earmarked for Spoke institutes. IIT Kanpur has applied for this program with NIT Arunachal Pradesh, as one of the spoke institutes to mentor and train the faculty and students of NIT Arunachal Pradesh for colloborative research and commercialization.
5	**IIT Delhi**	Yes,(MoUs with 2 North East NITs for academic collaborations	The list of projects in collaboration with North East University can be seen at the below link: https://owncloud.iitd.ac.in/nextcloud/index.php/s/a6oey4xZL6jmN68
6	**IIT Guwahati**	Yes, MoU on academic programs and part of consortium projects	• IIT Guwahati is involved in research collaboration with IIT (BHU) Varanasi through joint doctoral programme (JDP) for supervision of PhD students, where the students pursue their PhD work on research proposal with joint guidance from faculty members of both the Institutes. • IIT Guwahati has established the Manekshaw Centre of Excellence for National Security Studies and Research in collaboration with IIT Kanpur IIT Jodhpur, IIIT-Delhi, IIT Dharwad and CDAC. The centre aims to bring together stakeholders from academia, the Indian Tri-Service Forces, and industry to drive innovation in defense technology and national security and to foster self-reliance under Atmanirbhar Bharat. • IIT Guwahati is part of the Ministry of Education funded AI – CoE in Agriculture lead by IIT Ropar along with IIT Delhi, IIT Bhubaneshwar and a few other the institutes as consortium partners • IIT Guwahati is part of in the DoT, Ministry of Communication funded consortium project titled "6G: THz Test bed with Orbital Angular Momentum and Multiplexing" lead by SAMEER along with IIT Madras and IIT Patna. • IIT Guwahati is a member of "Virtual Labs – An initiative of MoE under NME-ICT" which is lead by IIT Delhi along with 11 other consortium members. • In the Information Security Education and Awareness (ISEA) project Phase III of MeitY, IIT Guwahati is collaborating with NIELIT, Jammu, IIT Hyderabad and MAKAUT, West Bengal. • Under the NM-ICPS program of DST, IIT Guwahati is supporting a number of institutions all ovr the country. • Under the TARE Scheme, IIT Guwahati is mentoring faculty of several institutes outside NE such as PSG Tech Coimbatore, JSS College Bangalore.

| 7 | IIT Roorkee | Yes | The following list includes all the sponsored research projects registered under IIT Roorkee in collaboration with Higher Education Centers of North East states or any other Government organization.

1. PROJECT TITLE : Process optimization and scale up of Bioethanol Production Using Fractional Hydrolysis and high cell Density Co- Fermentation Technique.
Funding Agency : ONGC, Jorhat, Assam)
Name of PI : Prof. Sanjoy Ghosh, IIT Roorkee

2. **PROJECT TITLE :** Spring Rejuvenation study in Mizoram : A pilot study for the selected villages of the mengpui Basin.
Funding Agency : Under National hydrology project, Govt. of Mizoram)
Name of PI : Prof. Sumit Sen, IIT Roorkee

3. **PROJECT TITLE :** Sediment study and management of soil erosion in the mat driver catchment.
Funding Agency : Under National hydrology project, Govt. of Mizoram)
Name of PI : Prof. Brijesh kumar Yadav, IIT Roorkee

4. **PROJECT TITLE :** Design and development of In-pipe robot.
Funding Agency : Guwahati Technology Innovation and Development Foundation, TIH, IIT Guwahati)
Name of PI : Prof. Pushparaj Mani Pathak, IIT Roorkee

5. **PROJECT TITLE :** Co2 utilization for the synthesis of valuable multifunctional compounds.
Funding Agency : Centre of research & excellence for advanced technology in education, IIT Guwahati, Assam)
Name of PI : Prof. Soumitra Satapathi, IIT Roorkee

6. **PROJECT TITLE :** TARE - SCHEME
Funding Agency : SERB, New Delhi)
Name of PI : Dr. Bikash Sharma (PI), Sikkim manipal institute of technology, sikkim.
Name of Mentor : Brajesh kumar Kaushik (Mentor), IIT Roorkee

7. **PROJECT TITLE :** Modulation of connexin-43 and Histone deacetylase to comprehend cancer therapy.
Funding Agency : DBT, New Delhi
Name of PI : Prof. P. Gopinath, IIT Roorkee
Name of CO-PI : Prof. Arun Chattopadhyay, IIT Guwahati

8. **PROJECT TITLE :** An Energy Efficient IOT Processor built using an optimized Near-Threshold voltage standard cell Library.
Funding Agency : SERB, New Delhi
Name of PI : Prof. Anand Bulusu, IIT Roorkee
Name of CO-PI : Prof. Gaurav Trivedi, IIT Guwahati

9. **PROJECT TITLE :** Comopendium of traditional earthquake resilient construction for knowledge sharing and disaster risk reduction promotion of traditional construction practies.
Funding Agency : NDMA, New Delhi
Name of PI : Prof. Yogendra Singh, IIT Roorkee
Name of CO-PI : Prof. Jayanta Pathak, Assam Engineering College, Guwahati

10. PROJECT TITLE : Indo-South Korea Joint Network centre for environmental cyber physical system
Funding Agency : DST, New Delhi
Name of PI : Prof. Sachin kumar Srivastava , IIT Roorkee
Name of CO-PI : Dr. Hemant K. Kalita, Guwahati University, CO-PI

Note: We have also submitted proposals in ANRF-PAIR |

8	IIT (BHU) Varanasi	Yes	A Joint Ph.D Degree Programme is running between IIT (BHU), Varanasi and IIT Guwahati from the Academic Session 2021-22 (Odd Semester, July) under a Memorandum of Understanding (MoU) signed on 27.11.2020. This MoU envisages the fulfilling of the following objectives:- 1) Joint Degree Programmes 2) Centre of Excellence
9	IIT (ISM) Dhanbad	Yes	Collaboration with IIT Guwahati for the project titled "Intergenerational Mobility: Role of Bid-Rent Curves, Informal Spaces, and Informal Jobs", funded by ICSSR, New Delhi.
10	IIT Gandhinagar	IITGN is collaborating with a few Higher Education Centres of North-East.	IITGN has signed MoUs with NIT Meghalaya for academic and research collaboration in the areas of mutual interest, and with the National Institute of Technology Sikkim (NITS) to facilitate academic and research collaboration of faculty members.
11	IIT Bhubaneswar		
12	IIT Hyderabad	Yes	MoU is signed with NITs (Silchar, Nagland, Agartala, Sikkim, Meghalaya) for Academic & Research Collobration. Student from these NITs study at IIT Hyderabad during their final year of degree programme under student exchange programme.
13	IIT Jodhpur	Yes	MoUs are singned with NIT Sikkim, NIT Meghalaya, NIT Agartala, NIT Arunachal Pradesh for direct admission from B.Tech. to the Ph.D. program for meritorious students.
14	IIT Ropar	Yes	IIT Ropar is committed to fostering collaboration between the universities and higher education centers in the North East with the rest of the country. One of the significant steps in this direction has been the signing of a Memorandum of Understanding (MoU) with IIT Guwahati Technology Innovation and Development Foundation (IITG TIDF), This partnership focuses on promoting investment in research and development (R&D) activities, specifically to encourage the commercialization of innovative research findings developed by students, faculty, and start-ups in the region. Collaboration with Tezpur University, Assam, for the joint research project titled "Understanding the role of adipose tissue remodelling in exercise induced insulin sensitivity, funded by DBT.
15	IIT Patna		
16	IIT Indore	Yes	JP NARAYAN CENTRE OF EXCELLENCE ESTABLISHED AT IIT INDORE HAS AWARDED 2 RESEARCH PROJECTS TO RESEARCHERS AS BELOW: 1. PROJECT TITLE- "Making Themselves Visible: Women, Market and Ecofeminism in rural Assam" to OKD Institute of Social Change and Development Guwahati 2.PROJECT TITLE- "Speaker centric documentation of Phalee to understand generational language change and loss" to IIT Guwahati
17	IIT Mandi	NIL	NIL
18	IIT Palakkad	NIL	NIL
19	IIT Tirupati		
20	IIT Jammu	Yes , (MoU with 1 North East NIT for academic collaborations	NA
21	IIT Bhilai		
22	IIT Goa	NA	NA
23	IIT Dharwad	Yes	Research collaboration & Joint consutlancy project with NIT Manipur & NIT Meghalaya in the areas like AI/ML, Design, etc. Student from NIT Manipur intern at IIT Dharwad during their final year of degree programme under mentorship of Faculty

RAJYA SABHA
UNSTARRED QUESTION
DATED-12.03.2025

Teaching Faculty in Central Universities

1481 Smt. Jebi Mather Hisham:

Will the Minister of *Education* be pleased to state:

(a) whether Government has prioritised addressing the shortage of qualified faculty, limited technology access and lack of collaboration opportunities or internships for students in Higher Education Institutions in rural and remote areas, if so, the details thereof, if not, the reason therefor;

(b) whether Government has assessed the divide between the sanctioned posts of teachers and vacancies in Central Universities, if so, action that has been taken to resolve it; and

(c) the details of the University-wise data on reserved category teaching posts vacant in Central Universities?

AS (Edu)

DS ((U. II)

US(CU-II

06.03.25

S.O. (C.U.-II):

Sl. No.	Name of the IIT	whether Government has prioritised addressing the shortage of qualified faculty, limited technology access and lack of collaboration opportunities or internships for students in Higher Education Institutions in rural and remote areas, if so, the details thereof, if not the reason therefor;
Rajya Sabha Unstarred Question No. 1481 pertaining to " Teaching Faculty in Central Universities"		
1	IIT Kharagpur	To address the shortage of faculty in the Institute, advertisements are published twice a year in January and July. Also special recruitment drives are conducted to fill in the gap.
2	IIT Bombay	Addressing the shortage of qualified Faculty: (a) Institute approaches potential Faculty candidates across the World including leading Institutes and Universities in the country. (b) Institute leverages help from Alumni through its Faculty Alumni Network to identified potential candidates. (c) Carry out recruitment throughout the year by posting rolling Advertisement on its Website and Newspapers. (d) Institute carry out Special Recruitment drive for reserved category candidates.
3	IIT Madras	IIT Madras continue to take strenuous efforts to recruit qualified faculty and fill vacant positions. In the last four years 2 regular recruitment calls, 3 mission mode calls and 2 rolling advertisements have been released and recruitments completed. During the last three years, 151 faculty positions (63 under the reserved category) were filled through open recruitment, including more than 50 posts by SC/ST/OBC candidates. To help help students of rural and remote areas, more than 3 different programmes are being run by IITM. They are, Swayam, Swayam Plus, Vidhya Shakti - Rural interaction centres, Rural technology centres, Explore IITM etc. These are conducted under the umbrella program of IITM For all. Apart from 7 recruitment drives in the last four years which include one advertisement to fill 17 backlog vacancies under the SC/ST & OBC categories, mission mode recruitment to recruit women faculty and Rolling advertisement 2025 will also be released. Year round efforts are being taken to fill the remaining positions.
4	IIT Kanpur	The Institute has been making continuous efforts to recruit faculty candidates through rolling advertisement, which is open throughout the year & offers reservation as per GoI norms. Further, IIT Kanpur has been continuously making efforts to recruit reserved category candidates through special recruitment drives. We have so far published several advertisements vide Advt. Nos. DF4/2017 dated 20 July 2017 to 22 August 2017, DF3/2019 dated 14 August 2019 to 08 September 2019, DF1/2021 dated 26 August 2021 to 25 October 2021, DF-1/2022 Dated 22 November 2022 to 31 January 2023, DF-1-2023 and DF-1-2025.
5	IIT Delhi	Recruitment for academic positions at IIT Delhi is done through the process of rolling advertisements. The rolling advertisements are done in two (02) cycles every year, January-June and July-December. In addition to rolling advertisements, special drives are also undertaken by the Institute to recruit Academic staff. The details of special drives are given below: i. Special Recruitment drive undertaken for academic positions in the year 2021 with advertisement number IITD/EST-1/03/2021. ii. Special drive for SC/ST/OBC/PwD/EWS category for Assistant Professor, Associate Professor and Professor with advertisement number IITD/EST-1/04/2021. iii. Special Drive for SC/ST/OBC/PwD/EWS category for North-East Region and Ladakh Region respectively advertisement number IITD/EST-1/05/2021. iv. Special Recruitment drive undertaken for academic positions in the year 2021 with advertisement number IITD/EST-1/03/2023.
6	IIT Guwahati	Addressing the shortage of qualified Faculty: IIT Guwahati has completed faculty recruitment through the Special Recruitment Drive (reserved vacancies) and Mission Mode Recruitment (all categories). IIT Guwahati has also completed a phase of regular recruitment recently. The Institute is trying to fill the vacancies (including reserved categories) as much as possible under all these recruitment drives.

7	IIT Roorkee	To address the shortage of faculty in the institute, Rolling advertisement has been uploaded on the Institute website for the post of Assistant Professor. Candidates can apply throughout the year against the Rolling Advertisement. Advertisement for Special Drive for recruitment of SC/ST/OBC/EWS/PD to the position of Assistant Professor has been issued and the recuritment is under process.
8	IIT (BHU) Varanasi	(a) For addressing the shortage of Faculty in the Institute besides conventional advertisement and rolling advertisement Special Recruitment Drives were also conducted to fill positions of Assistant professor, Associates Professor and Professor. As regards internship opportunities for the students of IIT (BHU), this is to inform that the Institute constantly works in collaboration with industries and provides ample opportunities for internship, training, access to new technologies to the students.
9	IIT (ISM) Dhanbad	The applications from the eligible candidates for the faculty positions at all the levels have been invited through Rolling Advertisement. There is no last date of the Rolling Advertisements, the applicants are encouraged to apply throughout the year. The interviews under the rolling advertisement in the different cycle are conducted from time to time. Furthermore, the applications from SC/ST/OBC candidates are also invited under the Special Recruitment Drive conducted form time to time for appointment to the faculty positions. Additionally there are also another tenure based faculty positions such as PoP/Visiting Faculty/Adjunct Faculty etc. for experienced/retired potential candidates.
10	IIT Gandhinagar	Not applicable to IIT Gandhinagar as the Institute is not located in rural or remote area.
11	IIT Bhubaneswar	Addressing the shortage of qualified Faculty: IIT Bhubaneswar is regularly conducting faculty recruitments through regular recruitment drives, Mission Mode Recruitment (all categories), and also Special recruitment Drives (reserved vacancies).The Institute is trying to fill the vacancies (including reserved categories) as much as possible under all these recruitment drives.
12	IIT Hyderabad	1. Shortage of qualified Faculty: IIT Hyderabad is continuously conducting faculty recruitments through the Special Recruitment Drives (reserved vacancies), Mission Mode Recruitment (all categories), and also regular recruitment drives. The Institute is trying to fill the vacancies (including reserved categories) as much as possible under all these recruitment drives. 2. IIT Hyderabad provides opportunities for prospectivie students though Summer Undergraduate Research Exposure (SURE) program regularly every year for internship where students from any corner of the country can apply and get selected.
13	IIT Jodhpur	(i) IIT Jodhpur have been following rolling advertisements for faculty recruitment which is open throughout the year. Besides, IIT Jodhpur is undertaking special recruitment drive for filling up of the vacancies from reserved categories. (ii) IIT Jodhpur puts continuous efforts in collaboration with industry to provide ample opportunities for internship to its students during their course.
14	IIT Ropar	To address the shortage of faculty in the institute, Rolling advertisement for Special Drive for recruitment of SC/ST/OBC/EWS to the position of Associate Professor and Assistant Professor has been issued and the recuritment is under process. Candidates can apply throughout the year. The institute is making all efforts to fill up the vacant positions as much as possible through the Special drive.
15	IIT Patna	
16	IIT Indore	Conventional Advertisement, Rolling Advertisement, Special Recruitment Drives, and Mission Mode Recruitment drives are frequently conducted to fill the vacant posts of Faculty members. CRDT IITI is involved in several initiatives aimed at skill development and empowerment for rural and semi-urban communities. These include a short-term training program on basic manufacturing techniques, a collaboration with JSV Innovations to offer skill development in healthcare and technology for disenfranchised youth, and an annual Rural Innovator Conclave that showcases innovations from rural areas. Additionally, CRDT IITI organized a workshop on beekeeping and floriculture skills in partnership with Krishi Vigyan Kendra to empower farmers and rural individuals.
17	IIT Mandi	
18	IIT Palakkad	Regarding internship, the Institute offers summer internship to students studying accross Indian Educational Institutions as well as foreign students, in areas of science and technology. Institute's Career Development Centre facilitates internship opportunities for its interested and eligible candidates in various companies. These internships provide students with valuable industry exposure, hands-on experience, and an opportunity to apply their academic learning in real-world settings.
19	IIT Tirupati	i) Recently, IIT Tirupati recruited 30 faculty members, and only a few positions remain vacant. These will be filled in the upcoming recruitment. ii) IIT Tirupati offers summer internship opportunity where undergraduate students from any part of the country can apply and get selected.

20	IIT Jammu	(a) In addition to conventional and rolling advertisements, special recruitment drives were also conducted to fill positions for Assistant Professor, Associate Professor, and Professor (b) Under the RISEUP 'Research In Science and Engineering Undergraduate Programme' of IIT Jammu, students from any college or university can apply to IIT Jammu for internship every year during the summers. Also, IIT Jammu provides internships in collaboration with AICTE to students from various areas of J&K.
21	IIT Bhilai	Yes, the efforts towards the recruitment of qualified faculty have been taken on a priority basis for the benefit of students, High-end equipment, along with the financial support, are also being made available to the students as and when required either through acquisition or through collaboration/excursions, various MoUs with the institute of repute/ eminence also been executed to provide diversification. Special Recruitment Drive, Implementation of reservation roster, and aggressive mission mode recruitment is conducted to fill all vacant faculty positions, for this, conventional and fresh advertisements are being published time to time.
22	IIT Goa	1. Mechanims for to hire quality faculty from reserved categories under Special Recruitment Drives as well as regular advertisement for all categories are available. The Institute also engages proactively with promising candidates who are pursuing postdoctoral fellowships etc. and encourages them to apply. 2. IIT Goa conducts summer internship program where students from any corner of the country can apply and get selected.
23	IIT Dharwad	To address the shortage of faculty in the institute, IIT Dharwad floated a rolling special recruitment advertisement and regular recruitment advertisement for the faculty positions of Assistant Professor, Associate Professor and Professor in all the departments. IIT Dharwad conducts summer internship program for students across country, IIT Dharwad efforts in collaboration with industry to provide the opportunities for internship to its students during their course.

Scholarships in IIT and IISER

150 Shri Samirul Islam:

Will the Minister of *Education* be pleased to state:

(a) the number of students who received full Government scholarships to study in Indian Institute of Technology (IITs) and Indian Institute of Science Education and Research (IISERs) across the country;

(b) the number of students receiving scholarships for the last three years, the details thereof, year-wise;

(c) the number of Indian students who are currently pursuing their PhDs in the USA and UK; and

(d) the details thereof for the last three years?

Admitted Rajya Sabha Starred Question No. 150 to be answered on 12/03/2025 regarding " Scholarships in IIT and IISER ".

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of Admitted Rajya Sabha Unstarred Question No. 2902 to be answered on 26.03.2025 regarding " Foreign University Campuses in the Country".   The text of the Question reads as under :

(a)   whether Indian Universities would be encouraged to establish academic partnerships and research collaborations with the University of Southampton;
(b)   whether Government is planning to ease regulations for the establishment of more Foreign University campuses in the country;
(c)   if so, the details thereof and steps being taken regrading this; and
(d)   the measures proposed to be taken to ensure inclusivity so that students from diverse socio-economic background can also be benefitted from the said initiative?

2.   It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in Google-Sheet) by today before 03:00 PM (21.03.2025) , positively.

Google   Sheet: https://docs.google.com/spreadsheets/d/18jUqs_ViCzhtnHlxiaucg5Mjk5I1rpWeGxQXyxdeacw/edit?usp=sharing

3. This may kindly be treated as Most Urgent.
